

required for enabling the Company to produce, supply, store, convey, transmit, or distribute electricity for the several public and private purposes aforesaid within the said area, and all other works to carry into effect the objects of the intended Provisional Order.

To authorise the Company to supply electricity direct, or otherwise for motive, telegraphic, telephonic, electrolytic, sanitary, and for any other purpose to which electricity may now or henceforth be applied.

To enable the Company to purchase, hold, acquire, or take on lease any lands, or interests, or easements in land, and to erect, maintain, use, and work upon such lands all necessary stations, together with all storehouses, engines, machinery, apparatus, works and appliances for the production, storage, and distribution of electricity.

To authorise the Company to manufacture purchase, hire, sell, and let all necessary machines, lamps, accumulators, fittings, plant, machinery, and to acquire, work, and use patents, and all other matters or things of whatever description required for the purposes aforesaid. And to manufacture any apparatus or contrivance for supplying, direct or otherwise, electricity for motive, telegraphic, telephonic, electrolytic, sanitary, and for any other purpose to which electricity may now or henceforth be applied.

To authorise the Company to enter upon any lands, houses, buildings, and premises supplied by them for any purpose relative to such supply.

To enable the Company on the one hand, and the Local Authority on the other hand, to enter into agreements as to the supply of electricity, and as to the breaking up and interfering with any streets, roads, ways, public footpaths, and public places as aforesaid, and (if necessary) to authorise such Local Authority to exercise the powers with respect to the breaking up of streets and other places, and all or any of the other powers proposed by the intended Provisional Order to be conferred upon the Company.

To incorporate with the Provisional Order, and extend and apply to the proposed undertaking and works, and to the Company as undertakers of the same, all or some of the provisions of the Electric Lighting Acts, 1882 and 1888, and of the Acts, or portions of Acts incorporated therewith, and to confer upon the Company all or some of the powers within the area of supply hereinafter mentioned, that by the Electric Lighting Acts, 1882 and 1888, are conferred upon undertakers as defined by such Acts, and so far as may be necessary for the purposes of the Provisional Order, or as may be deemed expedient to alter, amend, repeal, or extend all or some of the provisions of those Acts, and to confirm or give effect to any agreement with any local authority or other corporation, company, persons or person, relative to the said Provisional Order, or the undertaking proposed to be authorised thereby, and to make all such other regulations and conditions as the said Acts authorise or require, or the Board of Trade may prescribe, with respect to all or any matters in connection with the proposed undertaking.

To authorise the Company to take, collect, and recover rates, rents, and charges, and to prescribe the same, and to enable the same, to be from time to time revised.

To provide that the area of supply for the purposes of the intended Provisional Order shall be the whole of the municipal borough of Wrexham.

To prescribe or limit the area within which the supply of electricity shall be compulsory, or to provide for its being permissive throughout the whole area of supply.

The streets and other places, in, over, or along which it is proposed to place any electric lines or other works, are all the streets and other places within the said area of supply.

The streets not repairable by the Local Authority which the Company propose to take powers to break up, are Florence-street, George-street, Garden-road, the road to Spring-gardens, Grove Park-road, Smithfield-road continuation, Templar's-avenue, White Gates-lane, Bryn-y-cabanau-lane, Barnfield, Meifod-terrace, Well-street, Well-square, Brynyffynon, Roxburgh-place, Empress-road, Princess-street, and Alexander-road.

The railways and tramways which the Company proposes to take powers to break up and cross, are as follows:—The Wrexham Mold and Connah's Quay Railway, and any of its branch lines within the area of supply; the Wrexham and Ellesmere Railway, within the area of supply; the Wrexham District Tramways.

The draft of the proposed Provisional Order will be deposited at the office of the Board of Trade on or before the 21st day of December next, and printed copies of the Draft Provisional Order when applied for, and for the Provisional Order when made will be furnished at the price of one shilling for each copy to all persons applying for the same, at the offices of Mr. Theophilus Vaughan Hughes, Electrical Engineer, 71A, Bridge-street Row, Chester; Messrs. Lewis and Son, Solicitors, Wrexham; or Messrs. Sherwood and Co., Parliamentary Agents, 7, Great George-street, Westminster.

Every local or other public authority, company, or person desirous of making any representation to the Board of Trade, or of bringing before them any objection respecting the application, may do so by letter addressed to the Board of Trade, marked on the outside of the cover enclosing it "Electric Lighting Act," on or before the 1st February, 1890.

Dated this 19th day of November, 1889.
