Board of Trade.—Session 1890.

Bury Electric Lighting.

(Application to Board of Trade for a Provisional Order to empower the Corporation of Bury to Supply Electricity within the Borough of Bury; to Construct Works and to Break-up Streets therein; to Acquire Lands; to Lay down Wires, and other Apparatus; to Levy Rates and exercise other Powers; Incorporation of Acts; and other Purposes.)

NOTICE is hereby given, that the Mayor, Aldermen, and Burgesses of the county borough of Bury, in the county palatine of Lancaster (hereinafter called "the Corporation," and whose address is Municipal Offices, Bank-street, Bury), being the urban sanitary authority and the local authority of the said district, within the meaning of the Electric Lighting Act, 1882, intend to apply to the Board of Trade for a Provisional Order (hereinafter called "the Order") to be confirmed by Parliament in the ensuing Session, under and subject to the provisions of the Electric Lighting Acts, 1882 and 1888, for the following objects, or some of them, that is to say:—

To authorise the Corporation to produce, store and supply electricity, as defined by the said Acts, for public and private purposes, within the area hereinafter mentioned, and, for those purposes, to open, break up and interfere with all streets, roads and public places, ways, footpaths, railways, tramways, canals, towing-paths, bridges, culverts, sewers, and gas and water mains and pipes, and telegraph and pneumatic tubes and pipes, telegraph and telephone wires, within the said area, and to lay down, set up, maintain, renew and remove, either above or under ground, or otherwise, pipes, tubes, wires, posts, apparatus, or other works or things required for the purpose of enabling the Corporation to produce, store, supply, convey, transmit or distribute electricity for public and private purposes, within the said area, and to confer all such other powers upon the Corporation as may be necessary for effecting the objects of the proposed Undertaking.

To enable the Corporation to purchase, hold, acquire, or take on lease any lands, or interests, or easements, in or over any lands, or to appropriate, for the purposes of the Order, any lands belonging to or held by them, and not specifically appropriated for any other purpose, and to erect, maintain, work and use upon such lands all necessary stations, storehouses, engines, machinery, apparatus, works and appliances for the production, storage, supply and distribution of electricity.

To authorise the Corporation to manufacture, purchase, hire, sell and let all necessary machines, lamps, accumulators, meters, fittings, plant, machinery and other matters or things required for the purposes of the Order, and to acquire, work and use patents for the producing, storing, con-

trolling and measuring, or otherwise relating to the supply of electricity.

To authorise the Corporation to take, collect and recover rates, rents and charges for the supply of electricity, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

To authorise the Corporation to enter into contracts with companies or persons for the execution and maintenance of works, and the supply of electricity, and to relieve the Corporation from the consequences of any acts or defaults of any such contractors, and, with the consent of the Board of Trade, to transfer all or any part of the powers, duties and liabilities conferred or imposed upon the Corporation by the Order as to the whole or any part of the area of supply, together with any lands or works vested in or belonging to them, for the purposes of the Order, to any other body or person.

To empower the Corporation to prescribe the form and nature of meters, fittings and fixtures, to enable the Corporation to supply, examine, test and stamp the same, and to license fitters and workmen, and to prohibit others from executing works in relation thereto, and to make and enforce bye-laws and regulations in respect of all or some of the matters aforesaid.

To incorporate with the Order and to extend and apply to the proposed undertaking and works, and to the Corporation as undertakers of the same, and with or without variation, all or some of the provisions of the Electric Lighting Acts, 1882 and 1888, and of the Acts or portions of Acts incorporated therewith, and to confer upon the Corporation all or some of the powers within the area of supply which by the Electric Lighting Acts, 1882 and 1888, or any Acts amending the same or incorporated therewith, are or may be conferred upon Undertakers, and the Order will contain all such regulations and conditions as to the supply of electricity, and all matters incidental thereto, as the said Acts authorise or the Board of Trade may prescribe, and will alter, vary or extinguish all rights and privileges which would or might interfere with any of its objects, and confer all other rights and privileges necessary for carrying such objects into effect.

To prescribe or limit the area within which the supply of electricity shall be compulsory, or to provide for its being permissive throughout the whole area of supply.

The works proposed to be authorised are such engines, batteries, dynamos, apparatus, works and things as are authorised by the said Acts, and necessary or proper for generating, storing, supplying and distributing electricity, and otherwise for the purposes of the Undertaking.

The area of supply for the purposes of the Order is the whole of the Municipal Borough of Bury.

Subject to the conditions of supply it is proposed to place electric lines or other works in, over, under or along all streets and other places repairable by the Corporation within the Municipal Borough of Bury.

The railways and tramways which the Corporation propose to take power to break up, pass or cross over or under are as follows:—The Lancashire and Yorkshire Railway Company, the Bury Rochdale and Oldham Tramways Company, Limited. It is intended to take power by the Order to cross the Manchester Bury and Bolton Canal.

And Notice is hereby given, that the draft of the Order will be deposited at the office of the Board of Trade on or before the 21st day of December, 1889, and printed copies of the Draft Order, when deposited, and of the Order when
