AT the Court at Windsor, the 30th day of June, 1890.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the tenth day of June, one thousand eight hundred and ninety, in the words following, viz. :—

“Whereas Your Majesty was graciously pleased by Order in Council dated tenth November one thousand eight hundred and sixty-six, to authorize the establishment under ‘The Naval Savings Bank Act 1866,’ of Naval Savings Banks on board Your Majesty's ships, and at the Head Quarters of the Divisions of Royal Marines, and the issue of Regulations for the management of the same;

“And whereas by Order in Council dated fourteenth August one thousand eight hundred and seventy-eight, Your Majesty was graciously pleased to sanction the issue of further Regulations respecting such banks;

“And whereas under Orders in Council dated second March one thousand eight hundred and eighty-one and tenth March one thousand eight hundred and eighty-two, Your Majesty was graciously pleased to empower us to establish Naval Savings Banks at such of Your Majesty's Naval Establishments on shore as we might think desirable, and to assimilate the banks at the Head Quarters of the Divisions of Royal Marines thereto, as also to issue from time to time such detailed Regulations for carrying the same into effect as we might think necessary.

“And whereas we are of opinion that it is desirable for the sake of uniformity, and for the

purpose of reducing the labour and simplifying the system of keeping the accounts, connected with the banks on board Your Majesty's ships, that, so far as may be possible, the system which has been adopted in the banks established on shore, shall be applied to the banks on board ships;

“We beg leave humbly to recommend that Your Majesty will be graciously pleased by Your Order in Council, under the authority of the Act before quoted, to direct that the Regulations (except Sections 1, 2, 3, 9, 10, 11, 13, 50, 53, 54, and 55) established by the authority of Your Majesty's Order in Council of tenth November one thousand eight hundred and sixty-six, and the whole of the Regulations established by the authority of Your Majesty's Order in Council of fourteenth August one thousand eight hundred and seventy-eight, may be cancelled, and that we may be empowered to substitute for the same the Regulations, a copy of which is attached hereto.

“The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.

“REGULATIONS for the Conduct of Naval Savings Banks on Board Her Majesty's Ships.

“General supervision.

“1. The general supervision of the bank will be vested in the Commanding Officer.

“Manager of Bank.

“2. The Paymaster will be regarded as the Manager of the Bank.

“When Bank to be opened.

3. “The bank is to be open for the receipt and withdrawal of deposits on the days when monthly advances are paid, and in any month in which advances are not required, the Commanding Officer shall appoint a day when the bank shall be open.

“Witness to transactions.

“4. The Commanding Officer shall appoint a Commissioned Officer to personally attend and witness the receipts and payments.

“Deposits.

“5. No sum less than one shilling is to be received, nor any fractional part of a shilling.

“Deposit or Pass Book.

“6. Each depositor on making his first deposit shall be furnished by the Paymaster, for retention in the depositor's own custody, with a pass book, in which shall be entered at the time of receipt or payment the several sums deposited or withdrawn, such entries to be verified by the initials of the Paymaster, and the Officer appointed to witness the transactions under section 4; the pass book shall bear on the outside of the cover the official or regimental number of the depositor.

“7. Should a depositor lose his pass book the Commanding Officer may direct that he be supplied with a fresh book, on which the word ‘duplicate’ is to be written.

“Deposit List.

“8. At the time of the receipt of the amounts deposited, the Paymaster shall prepare a list of the same, to which is to be appended a certificate to be signed by him, that the sums deposited have been credited in the Ledger Accounts and pass books, and the total amount received debited in his Cash Account. The list is then to be forwarded to the Accountant-General of the Navy.

“Withdrawals.

“9. A depositor wishing to withdraw the whole or any portion of his deposits shall give to the Paymaster seven days' notice prior to the next

day for opening the bank, in order that the necessary arrangements may be made.

"10. Payment may however be made forthwith if the Commanding Officer is satisfied of the urgency of the case, and that the immediate withdrawal of the deposit would be for the advantage of the depositor.

"11. A depositor withdrawing any sum cannot be permitted to re-invest it, or any part of it, the same day.

"12. Interest is only payable when the total amount deposited is withdrawn.

"13. No fractional part of a shilling may be withdrawn except when the depositor's account is closed, and the interest is paid; nor in the latter case is any fractional part of a penny to be paid.

"Withdrawal List.

"14. At the time of the payment of the amounts withdrawn the Paymaster shall prepare a list of the same, to which is to be appended a certificate to be signed by him, that the sums withdrawn have been debited in the Ledger Accounts and pass books, and the total amount credited in his Cash Account. The list is then to be forwarded to the Accountant-General of the Navy.

"Depositors transferred.

"15. When a depositor is transferred from one ship to another, or if a Marine, from a ship to quarters, his account shall be closed on board the ship he leaves, and unless he requires to withdraw his deposits, as provided by section 10 of these Regulations, it shall be reopened on board the ship, or at the quarters he joins, by a Transfer List showing the balance and interest due to him.

"16. The Transfer List shall be made out and signed by the Paymaster in duplicate, one copy to be sent with the depositor to the ship or quarters to which he is transferred, and the other copy with the depositor's ledger account to the Accountant-General of the Navy.

"Depositors Discharged or Promoted.

"17. On a depositor being discharged the service, or ceasing by promotion to be eligible to continue a depositor, his account shall be closed, and he may either receive his money from the Paymaster, or have the same transferred for investment in a Post Office Savings Bank, or assigned for payment at the Admiralty Office.

"Depositors sent to Hospital.

"18. On a depositor being sent to Hospital, a Transfer List shall be sent with him, to be forwarded with his pay documents (should he be invalided) to the Accountant-General of the Navy, or to the ship the depositor may join on his arrival home; a duplicate of such list is to be sent in the usual manner to the Accountant-General of the Navy, but the Depositor's Ledger Account need not be sent, until it is known that the depositor will not return to the ship, when it is to be forwarded with a notation thereon showing the man's disposal.

"19. The transaction is to be shown as an ordinary transfer issued, in column 5 of the Abstract Account; and should a depositor whose account is so transferred rejoin his ship, the Transfer List is to be returned with him, and the amount of principal thereon is to be entered on the date of rejoining as a transfer received in column 3 of the Abstract Account.

"Depositors Dying.

"20. On the death of a Depositor his account shall be closed and transferred, with his pass book, to the Accountant-General of the Navy, for settlement with his representatives. The amount

is not to appear in the Paymaster's Cash Account, nor be inserted in Form S 46 'Accounts of Dead and Run Men.'

"Transfers to Home Banks.

"21. A depositor, while continuing in the service, may have his account transferred to a home bank, i.e., a dockyard or divisional bank, for the purpose of investment. In such case the Transfer List shall be prepared in duplicate, one copy to be sent to the home bank and the other, with the Depositor's Ledger Account, to the Accountant-General of the Navy.

"Interest.

"22. Interest at the rate of three pounds fifteen shillings per cent. per annum shall be allowed to depositors on every complete pound deposited, such interest to commence on the first day of the month, when the deposit is made during the first ten days of a month, and on the first of the following month on a deposit made during the remaining portion of a month; when the whole or any portion of the amount deposited is repaid, interest on the sum withdrawn is to close with the last day of the month preceding that in which the payment is made.

"Bank Ledger.

"23. A ledger shall be kept by the Paymaster, and secured under lock and key, in which are to be entered the several sums debited or credited to the account of each depositor.

"Abstract Account.

"24. The Paymaster shall keep an Abstract Account of the deposits, withdrawals, and transfers and regularly post therein, in order of date, the totals of the respective lists, and also the interest paid to depositors. An extract from such Abstract Account shall be prepared monthly, showing the transactions, and the particulars of transfers received from other banks during the period, and forwarded to the Accountant-General of the Navy; if no transactions should take place during any such period a 'nil' return is to be forwarded.

"Entries in Pass Books and Ledger Accounts.

"25. All amounts received (whether by transfer or in cash) during the first ten days of a month, shall be entered to the credit of the depositor in his pass book on the day when received, but under date in the ledger account, for interest purposes, from the first day of that month, and all amounts received from the eleventh to the last day of the month (both inclusive), are to be entered in the pass book on the day when received, but under date in the ledger, for interest purposes, from the first day of the succeeding month.

"26. In like manner all amounts withdrawn or transferred during a month, shall be entered in the pass book to the debit of a depositor on the day when withdrawn, but under date in the ledger for interest purposes, from the first day of that month.

"Transfers from Home Banks.

"27. Interest on an account transferred for investment from a home bank to a ship bank, shall be extended from the date to which the interest was calculated on the Transfer List, at the rate of two pounds ten shillings per centum per annum, to the date when interest commences in the ship bank.

"28. Where an amount to the credit of a depositor in a home bank is transferred to a ship for payment, the same shall be brought to account in column 3 of the abstract account, as a transfer received, and in column 4 as a withdrawal. When the whole account is transferred the interest paid shall be shown in column 7; such amounts are not to be passed through the

Savings Bank Ledger; the payment is to be shown on a Withdrawal List, and the Transfer List, received from the home bank, shall be attached thereto as a voucher.

“Annual Schedule of Interest.”

“29. A schedule shall be prepared from the ledger of the interest due to each depositor on the thirty-first March in each year, and forwarded as soon as practicable afterwards to the Accountant-General of the Navy.

“Supersession of Paymaster.”

“30. Whenever a Paymaster is superseded, he shall transmit to the Accountant-General of the Navy an Abstract Account for the whole period of his charge, in the same form as rendered when a ship is paid off. The balance of such account shall be verified by comparison with a schedule to be prepared from the Savings Bank Ledger, of the amounts due to the depositors.

“31. The preparation of this schedule shall be superintended by a Commissioned Officer, to be appointed by the Commanding Officer; such officer shall also require the production of the depositors' pass books, and compare in each case the balance shown as due, with the amount standing to the depositor's credit in his pass book, and in the Savings Bank Ledger, previously to signing the certificate at the foot of the schedule, which is also to be forwarded to the Accountant-General of the Navy.

“Pay Off.”

“32. When a ship is paid off the accounts of Marines shall be transferred to the Naval Savings Banks of their respective divisions. All other depositors may have their principal and interest, or any part of the same—

“(1) Transferred to the Accountant-General of the Navy for investment in a Post Office Savings Bank.

“(2) Remitted for payment at their own homes on Form S 47.

“(3) Paid in cash by the Paymaster in the presence of the Commanding Officer, at the time the crew are paid their wages.

“(4) Assigned for payment at the Admiralty Office; or

“(5) In the case of Continuous Service Men, transferred to a dockyard bank for the purpose of continuing the investment.

“Continuous Service Men volunteering for the Coast Guard, and Non-Continuous Service Men entitled to be sent to receiving ships, may have the whole or any part of their balances, principal and interest, transferred for payment to such ships or Coast Guard stations as they are subsequently to join.

“33. The amounts remitted on Form S 47 are first to be treated as withdrawals from the bank, and entered in the Withdrawal List, the Paymaster crediting himself with the amounts.

“34. In the case of a ship paid off abroad, the account of any depositor whose time is not expired, or who volunteers for the new commission, or for any other ship on the station, shall, subject to his general liberty of withdrawal and liberty of investment under the above provisions, be transferred to the ship he joins.

“35. When a ship is ordered to be paid off a notice shall be posted in some conspicuous place on board, calling the attention of depositors to the several alternatives open to them.

“36. After ascertaining the wishes of the depositors the Paymaster shall close the Ledger Accounts, make out the requisite Transfer Lists, prepare the final Withdrawal List, and after insertion of the several transactions in the Abstract

Account, balance the same, taking care that the total of principal in the final Withdrawal List agrees with the aggregate balance of the same appearing due in the Abstract Account.

“37. The sums then due to depositors, as scheduled in the final Withdrawal List for payment in cash, shall be paid in the presence of the Commanding Officer at the time the ship's company are paid their wages.

“38. Should a depositor fail to present himself to receive the amount due to him at the pay off, a Transfer List assigning the amount due for payment by the Accountant-General of the Navy, shall be made out and transmitted with the final Withdrawal List.

“39. The final Withdrawal List, the Abstract Account, and the Ledger, with all other Savings Bank documents on board, shall then be sent to the Accountant-General of the Navy.

“40. The pass books of depositors whose accounts have been closed by withdrawal during a commission shall be retained on board, and forwarded at the pay off, with the books of those settled with on the final Withdrawal List, to the Accountant-General of the Navy.

“Transfers to Post Office Savings Bank.”

“41. As regards transfers to the Post Office Savings Bank (which are to be effected for the purpose only of continuing the investment of depositors' money), the Paymaster shall send to the Accountant-General of the Navy a list of the amounts to be so invested, accompanied by a declaration from each depositor in the form prescribed by the Postmaster-General.

“Ledger Accounts.”

“42. All depositors' accounts closed either by withdrawal or transfer, shall be removed from the ledger and sent to the Accountant-General of the Navy, with the Withdrawal or Duplicate Transfer Lists in which the balances withdrawn or transferred respectively appear, observing that these directions do not apply to the final Withdrawal List, which is to be accompanied by the ledger itself.

“Deserters' Accounts.”

“43. All unpaid accounts of deserters shall be transferred at the close of the commission, to the Accountant-General of the Navy.

“Transfers to Admiralty.”

“44. When a depositor's account is assigned for payment at the Admiralty, the Transfer List shall not be prepared in duplicate, and shall be sent direct to the Accountant-General of the Navy.

“Home Station Ships having no Bank.”

“45. In home station ships having no bank on board (to which the foregoing regulations do not apply) the following rules shall be observed:—

“(a.) When depositors' accounts are transferred for payment, the Paymaster shall at the time of payment prepare a Withdrawal List, to which shall be appended a certificate to be signed by him, that the amounts have been duly paid. The payments shall be witnessed by a Commissioned Officer, to be appointed by the Commanding Officer, who shall initial the entries of the transactions in the depositors' pass books.

“(b.) In any case where a depositor's pass book cannot be produced, payment shall not be made without authority from the Accountant-General of the Navy, to whom information of the circumstances shall be reported.

“(c.) The Withdrawal List is to be sent, with the Transfer Lists attached thereto, and the

depositors' pass books, to the Accountant-General of the Navy.

"(d.) Should any depositor whose account may be so transferred, not apply for his money within two months after the receipt on board of the Transfer List, such list shall be forwarded to the Accountant-General of the Navy, with a notation of the circumstance thereon.

"(e.) In any case where it is known on board that a depositor for whom a Transfer List has been received has proceeded to another ship, such Transfer List, or, where several names are included in the same list, an extract from such list, shall be forwarded to the ship which the man has joined.

"Cash Vouchers."

"46. Debit and credit vouchers, in which the amounts received and paid during a month shall be respectively shown, shall accompany the Paymaster's cash account.

"Transactions not to appear in Pay Documents or Ships' Books."

"47. No transaction arising out of the business of Naval Savings Banks shall be shown in any way in the depositors' pay documents or the ships' books, but the records of the same shall be kept perfectly distinct and disconnected from all other accounts, excepting only the Paymaster's cash accounts, in which shall be debited and credited respectively the amounts deposited and withdrawn on board ship."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

C. L. Peel.

AT the Court at Windsor, the 30th day of June, 1890.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by the eleventh section of the Volunteer Act, 1863, it is amongst other things enacted that "Her Majesty in Council may from time to time declare what is requisite to entitle a Volunteer to be deemed an efficient Volunteer by an Order in Council defining for that purpose the extent of attendance at drill to be given by the Volunteer, and the course of instruction to be gone through by him, and the degree of proficiency in drill and instruction to be attained by him and his Corps, such proficiency to be judged of by the Inspecting Officer at the Annual Inspection of the Corps, or otherwise, as by Order in Council is from time to time directed;" and that "the draft of any scheme to be from time to time submitted to Her Majesty in Council for approval under the present section shall have been laid before both Houses of Parliament for one lunar month at least, either before or after, or partly before and partly after, the passing of this Act during the present, or for the like period during any subsequent, Session of Parliament before such scheme receives the approval of Her Majesty in Council."

And whereas it is deemed expedient that the

Order in Council bearing date the thirty-first day of July, one thousand eight hundred and eighty, declaring what is requisite to entitle a Volunteer to be deemed an efficient Volunteer, be amended in the particulars mentioned and set forth in the statement of amendments hereto annexed:

And whereas a draft amendment of the said Order in Council was on the first day of May last laid before both Houses of Parliament in the words of the annexed statement of amendments, and one lunar month having elapsed since that time, the said amendments of the said Order have this day been submitted to Her Majesty in Council for Her approval thereof:

Now, therefore, Her Majesty, having this day taken the said amendments into consideration doth, in pursuance and exercise of the power in Her Majesty by the said Act of Parliament in that behalf vested, and by and with the advice of Her Privy Council, hereby amend, in the words of the said draft amendments, the aforesaid Order in Council of the thirty-first day of July, one thousand eight hundred and eighty, and doth declare Her Royal approval of the amendments.

C. L. Peel.

STATEMENT referred to in the foregoing Order in Council.

AMENDMENTS of the Scheme relative to the Efficiency of Volunteers in force under Her Majesty's Order in Council, dated thirty-first July, one thousand eight hundred and eighty, made under the provisions of the Volunteer Act, 1863, or Orders since issued in amendment thereof.

(1.) To add to Clause 3 of the said Scheme the following words:—

"A Volunteer who has entered the Regular Army, Royal Navy, or Royal Marines, may be deemed an 'efficient,' provided that he has fulfilled the conditions which would have entitled him to be reckoned as an 'efficient' for the year, or was returned as an 'efficient' in the year preceding that in which he joined the Regular Forces."

(2.) To substitute for Clause 6 of the Scheme a new Clause 6, in the following words:—

"If the Commanding Officer concurs in the Adjutant's recommendation, or refusal to recommend, he shall (in the case of a recommendation) either sign the Certificate himself or direct the Adjutant to do so; or, in the case of a refusal to recommend, approve the withholding of the Certificate. If the Commanding Officer direct the Adjutant to sign the Certificate, the Adjutant shall write before his signature the words 'By Order.' If the Commanding Officer differs from the opinion of the Adjutant, he shall refer the matter to the Officer appointed by one of Her Majesty's Principal Secretaries of State to act in that behalf, whose decision shall be final, and who shall sign the Certificate if he thinks it ought to be granted, instead of it being signed by the Commanding Officer or Adjutant."

(3.) To add to the existing Certificates of Efficiency for Volunteers of the several arms of the Volunteer Force, a special Certificate for Drivers of Batteries of Position in the Artillery Volunteers, in the words of Schedule A hereof.

(4.) To vary the terms of the Certificate of Efficiency for Serjeants of Volunteer Divisions of Submarine Miners, Royal Engineers [Army Form E 617], and of the Certificate of Efficiency for Non-Commissioned Officers of rank lower than that of

Serjeant, and for Sappers [Army Form E 618], by substituting in No. 2 of the Notes at the end of each of the above Forms of Certificate the word "four" for the word "three" in the second line thereof, in order to bring the terms of the said Note into agreement with those of the first line of No. 5 of the same Notes.

(5.) To vary the terms of the Certificate of Efficiency for men belonging to the First Class Army Reserve who are serving with Rifle Volunteer Corps, by inserting the following words as an alternative provision in paragraph (2) of the Certificate, viz. :—

"That he attended between the 1st November, 18 , and the date of his discharge on termination of his Army and Army Reserve engagement, † drills of this Corps ordered by the Commanding Officer, each of such drills being of not less than one hour's duration."
