AT the Court at *Osborne House, Isle of Wight*, the 12th day of *January*, 1891.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, and of the Act of the seventeenth and eighteenth years of Her Majesty, chapter eighty-four, duly prepared and laid before Her Majesty in Council a scheme bearing date the eleventh day of December, in the year one thousand eight hundred and ninety, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty, chapter one hundred and thirteen, and of the Act of the seventeenth and eighteenth years of Your Majesty, chapter eighty-four, have prepared and now humbly lay before Your Majesty in Council the following scheme for apportioning the income of the benefice and united rectory of All Hallows Lombard-street with Saint Benet Gracechurch Saint Leonard Eastcheap and Saint Dionis Backchurch, in the city of London, and in the diocese of London, between that benefice and the benefice (being a rectory) of Saint George the Martyr with Saint Mary Magdalene, Canterbury, in the county of Kent and in the diocese of Canterbury.

"Whereas the Dean and Chapter of the Metropolitan Church of Christ at Canterbury are the patrons of both the aforesaid benefices and have requested us to recommend to Your Majesty in Council the apportionment hereinafter recommended and proposed.

"And whereas under the provisions of an Order of Your Majesty in Council dated the twenty-third day of October in the year one thousand eight hundred and seventy-six, and published in the London Gazette on the twenty-seventh day of the same month, the endowments or some portion thereof of the benefice and united rectory of All Hallows Lombard-street with Saint Benet Gracechurch Saint Leonard Eastcheap and Saint Dionis Backchurch, are subject to the payment now or in futuro of certain annual rent-charges in favour of certain benefices or cures specified in the same Order of Your Majesty in Council.

"And whereas it has been made to appear to us that the said benefice of Saint George the Martyr with Saint Mary Magdalene Canterbury is at present insufficiently endowed and that the

said benefice and united rectory of All Hallows Lombard-street with Saint Benet Gracechurch Saint Leonard Eastcheap and Saint Dionis Backchurch has endowments of such an amount as that after allowing for the several charges specified in the said Order of Your Majesty in Council dated the twenty-third day of October in the year one thousand eight hundred and seventy-six, and for the other charge hereinafter recommended and proposed to be made upon the same endowments, the lastly-mentioned benefice will still be sufficiently endowed.

"And whereas the Right Honourable and Most Reverend Edward White, Archbishop of Canterbury, and the Right Honourable and Right Reverend Frederick, Bishop of the said diocese of London, and we, the said Ecclesiastical Commissioners for England, are of opinion that it is desirable that additional provision should be made for the cure of souls within the parish of Saint George the Martyr with Saint Mary Magdalene Canterbury by means of that apportionment of the income of the said benefice and United Rectory of All Hallows Lombard-street, with Saint Benet Gracechurch Saint Leonard Eastcheap and Saint Dionis Backchurch which is hereinafter recommended and proposed.

"And whereas the said benefice and united rectory of All Hallows Lombard-street with Saint Benet Gracechurch, Saint Leonard Eastcheap and Saint Dionis Backchurch is now full of a clerk.

"Now therefore with the consent of the said Edward White, Archbishop of Canterbury (in testimony whereof he hath to this scheme set his hand and affixed his archiepiscopal Seal) and with the consent of the said Frederick, Bishop of the said diocese of London, acting as such Bishop (in testimony whereof he hath to this scheme set his hand and affixed his episcopal seal) and with the consent of the said Dean and Chapter of the Metropolitan Church of Christ at Canterbury as the patrons of each of the said two benefices as aforesaid (in testimony whereof they have to this scheme affixed their common or corporate seal) we the said Ecclesiastical Commissioners for England, humbly recommend and propose that without any conveyance or assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same, and as from the day of the date at which the said benefice and united rectory of All Hallows Lombard-street with Saint Benet Gracechurch Saint Leonard Eastcheap and Saint Dionis Backchurch shall from whatever cause be next voided all the tithes or annual sums in lieu of tithes glebe lands and all (if any) other the endowments which shall at the date of the next avoidance of the said benefice and united rectory of All Hallows Lombard-street, with Saint Benet Gracechurch, Saint Leonard Eastcheap and Saint Dionis Backchurch or which may thereafter belong to the same benefice and united rectory shall be charged and for ever thereafter be chargeable in favour of the incumbent for the time being of the said benefice of Saint George the Martyr with Saint Mary Magdalene Canterbury with the further annual sum or yearly charge hereinafter mentioned that is to say a clear annual sum or yearly charge of one hundred pounds to be as from the day last aforesaid due and payable to the incumbent of the said benefice of Saint George the Martyr with Saint Mary Magdalene Canterbury and to be apportionable between any outgoing incumbent of the said benefice of Saint George the Martyr with Saint Mary Magdalene Canterbury or his representatives on the one hand and his successor in the

same incumbency on the other hand, and to be receivable by the incumbent in whose favour it is charged as aforesaid by equal half-yearly payments on the first day of May and the first day of November in every year.

"And we the said Ecclesiastical Commissioners for England further recommend and propose that the incumbent for the time being of the said benefice of Saint George the Martyr with Saint Mary Magdalene Canterbury shall have the following powers for recovering the said rent-charge of one hundred pounds per annum hereby proposed to be created in favour of the benefice of which he is incumbent as aforesaid (that is to say) power if and whenever any part of the said rent-charge shall at any time be unpaid for twenty-one days after any of the times appointed for the payment thereof (although there shall not have been any legal demand made thereof) to enter into the receipt of the endowments charged therewith or any part thereof and to receive and take the same until he shall thereby or otherwise be paid and satisfied the same rent-charge and the arrears thereof due at the time of such entry or afterwards to become due during his being in possession of the same premises, together with all costs and expenses occasioned by the non-payment thereof, and for the purpose of collecting receiving and recovering such rent-charge or any part thereof to use exercise and enjoy all such powers and remedies for collecting recovering and enforcing payment thereof and of the annual sums payable for or towards the raising or making up the same as may be statutorily exercised or exercisable by him under the law then in force.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament."

And whereas the said Scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of London, and by the Registrar of the said diocese of Canterbury.

PRESENT,

The **QUEEN'S** Most Excellent Majesty in Council.

WHEREAS by an Act passed in the session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," it is enacted that, in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances may require; provided always,

that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered; provided also, that no such representation shall be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation shall have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish:

And whereas by another Act passed in the Session of Parliament held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England," it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit:

And whereas the Right Honourable Henry Matthews, one of Her Majesty's Principal Secretaries of State, after giving to the incumbent and the churchwardens of the parish hereinafter mentioned ten days' previous notice of his intention to make such representation, has made a representation stating that he is of opinion that the Order of Her Majesty in Council of the eighth day of February, one thousand eight hundred and fifty-five, in so far as it affects burials in the parish of Saint Andrew's, Deal, should be varied, and that the following directions should be substituted for those contained in the said Order, with respect to burials in the said parish, viz.:—

That for the protection of the public health, no new burial ground shall be opened in the parish of Saint Andrew's, Deal, without the previous approval of one of Her Majesty's Principal Secretaries of State, and that burials be discontinued forthwith and entirely in the parish church of Saint Andrew's, Deal, and in the parts of the churchyard which lie to the north, north-east, east, south-east, and south of the church; and that in the rest of the churchyard the following regulations be observed:

1. The area to be used for graves shall be divided into grave spaces, to be designated by convenient marks, so that the position of each may be readily determined, and a corresponding plan kept on which each grave space shall be shown.

2. No earthen grave shall be dug within one foot of any other grave, or within twenty feet of any dwelling.

3. No body shall be buried in any vault or walled grave unless the coffin be separately enclosed in an airtight manner, that is by properly cemented stone or brickwork which shall never be disturbed.

4. No coffin shall be buried in any un-walled grave within four feet of the ordinary level of the ground, unless it contains the body of a child under twelve years of age when it shall not be less than three feet below that level.

Now, therefore, Her Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council on the twenty third day of February next:

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette, and that copies thereof be affixed on the doors of the churches or chapels of, or on some conspicuous places within, the parish affected by such representation, one month before the said twenty-third day of February.
