PARCEL POST. 13th March, 1891.  
**IMPERIAL BRITISH EAST AFRICA  
 COMPANY'S TERRITORY AND THE  
 UNITED KINGDOM.**

**TREASURY WARRANT.**

WE, the Commissioners of Her Majesty's Treasury, in pursuance of the Acts relating to Her Majesty's Post Office, and in exercise of all powers enabling us in this behalf, do, by this Warrant, made on the representation of Her Majesty's Postmaster-General (testified by his signing the same), and under the hands of two of us, the said Commissioners, order, direct, and declare as follows:—

*Definition.*

1. In this Warrant:—
  - (1.) The expression "Parcel" means a Postal Packet which is posted as a Parcel in accordance with the provisions of this Warrant, or any Warrant amending the same.
  - (2.) The expression "United Kingdom" includes the Channel Islands and the Isle of Man.

*Places between which Parcels may be transmitted.*

2. From and after the date when this Warrant comes into operation, Parcels may, subject to the

provisions of this Warrant, be transmitted by post between the United Kingdom and the territory of the Imperial British East Africa Company.

*Rates of Postage.*

3. On every Parcel posted in the United Kingdom, addressed to the territory of the said Company, or posted in the said territory addressed to the United Kingdom, there shall be charged and paid the following rates of postage, that is to say:—

If not exceeding one pound in weight, one shilling.

If exceeding one pound and not exceeding eleven pounds in weight, for the first pound one shilling, and for every additional pound or fraction of a pound in weight eight pence.

4. On every Parcel posted in the said territory addressed to any other country or place, and transmitted by post by way of the United Kingdom, there shall be charged and paid:

(1.) In respect of its transmission from the said territory to the United Kingdom:

(a.) A rate of postage of seven pence if the Parcel do not exceed one pound in weight, and if the parcel exceeds that weight, then for the first pound a rate of postage of seven

pence, and for every additional pound or fraction of a pound in weight five pence; and

(2.) In respect of the transmission of the Parcel from the United Kingdom to such country or place:

(b.) The postage for the time being payable on Parcels so transmitted.

*Maximum Dimensions and Weight.*

5. Except by permission of the Postmaster-General, there shall not be conveyed or tendered for conveyance by post between the said territory and the United Kingdom any Parcel the dimensions of which shall exceed in length three feet six inches, or in length and girth, measured together, six feet (such girth being measured round the thickest part of such Parcel), or which shall exceed in weight eleven pounds, and in the case of Parcels for transmission by way of the United Kingdom no Parcel shall exceed the limits of dimensions and weight for the time being applicable to Parcels so transmitted.

*Prepayment.*

6. The postage chargeable, according to the rates hereinbefore respectively mentioned, shall, in all cases (except as otherwise provided in this Warrant), be prepaid at the time of posting; and such pre-payment shall, in the United Kingdom, be effected by means of adhesive postage stamps, or at such Post Offices, within such hours, and under and subject to such regulations as the Postmaster-General shall from time to time prescribe, in money.

*Times of Posting.*

7. Parcels intended to be transmitted by post, may, in the United Kingdom, be posted on any day of the week except Sunday, but shall not be posted on Sundays, or in England or Ireland on Christmas Day or Good Friday, and in Scotland on either of the two Sacramental Fast Days, except in the cases next hereinafter mentioned, that is to say:—

Where the delivery of Parcels on Sundays, or any of the other days aforesaid, at certain Post Offices, to addressees calling for the same, may hereafter be specially authorized by the Postmaster-General, the posting of Parcels on Sundays, or such other days as aforesaid, at such offices respectively, shall also be permitted within such times and in such manner as may be directed by the Postmaster-General.

*Mode of Posting.*

8. Except as otherwise provided in this Warrant all Parcels shall, in the United Kingdom, be posted by being handed in at a Post Office in the manner hereinafter provided, within the hours during which such office shall be open to the public for the posting of Parcels.

*Posting at Post Offices.*

9. The following provisions shall apply to the posting of Parcels at any Post Office in the United Kingdom, that is to say:—

(1.) It shall be the duty of a person bringing a Parcel to hand it to an officer on duty at the counter in such office.

(2.) Such Parcel must be accompanied by or have affixed to it a declaration of such kind, and stating the contents of the Parcel in such manner and form and with such other particulars as the Commissioners of Customs and the Postmaster-General may prescribe.

(3.) Such Parcel shall be measured and weighed by such officer, and (if such Parcel do not exceed the limits of measurement or weight hereinbefore mentioned), the postage thereof,

according to the rates hereinbefore mentioned, shall, subject as hereinbefore mentioned, be prepaid as hereinbefore provided, and shall be verified by such officer, and no such Parcel shall be forwarded by the post without the before-mentioned requirements being complied with; and if any such Parcel shall be left at a Post Office without such requirements being complied with, such Parcel shall be detained, and may be returned or given up to the sender thereof, or otherwise dealt with or disposed of in any manner authorized by this Warrant.

*Collection of Parcels.*

10. The Postmaster-General may, if he think fit, from time to time authorize such officers as he may direct, to receive Parcels for the post under such regulations and conditions as he may from time to time prescribe.

*Irregular Posting of Parcels.*

11. Any Packet transmissible by Parcel Post from the United Kingdom which from any words or marks thereon, or other external evidence, appears to have been intended for transmission as a Parcel, but which has not been tendered for transmission as a Parcel, but has been posted in a Post Office Letter-box, or otherwise than according to the manner hereinbefore prescribed for the posting of Parcels, may, in the discretion of the Postmaster-General, either be detained or returned or given up to the sender, or if the said packet is fully prepaid with the letter or book-rate of postage, and otherwise conforms to the regulations as to the letter or book post, the same may be forwarded as a letter or book-packet (as the case may be).

*Return and Disposal of Undelivered Parcels.*

12. With regard to—

(a.) Parcels which are addressed to a Post Office in the United Kingdom to be called for, or to a place in the United Kingdom beyond the limits of the free postal delivery of any town or district, or to a ship at any port in the United Kingdom, and which are not called for or delivered within such reasonable times as the Postmaster-General may from time to time prescribe; and

(b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason.

The following provisions shall (subject to the provisions of the Warrant of the said Commissioners of the 12th day of December, 1888, relating to Foreign and Colonial Parcels) apply; (that is to say,)

(1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from time to time appoint, and may, if necessary, be there opened and examined.

(2.) Where the name and address of the sender can be ascertained from the Parcel or the declaration accompanying the same, notice shall be given by post to the sender through the Post Office of the said territory, that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender or his agent upon personal application at such place as aforesaid, or at the request of the sender will be forwarded to a corrected address or returned to him by post in either

case upon the conditions hereinafter mentioned.

- (3.) Where the name and address of the sender cannot be ascertained from the Parcel, notice shall be publicly given (by affixing the same at such place or places, or in such other manner as the Postmaster-General may direct), and notice shall also be given to the Post Office of the said territory, that the Parcel will, in default of any claim on the part of the addressee, and upon payment of such charges as are hereinafter mentioned, be given up upon the personal application of the sender or his agent, or be returned to the sender by post.
- (4.) In any case the notice shall state that in default of the receipt by the Postmaster-General of an application for the Parcel, during a period to be specified in such notice from some person who, in the Postmaster-General's judgment, is entitled to receive the Parcel, it will be disposed of in such a manner as the Postmaster-General may direct.
- (5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.
- (6.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—
  - (a.) Where the corrected address of the Parcel is within the same free delivery as the original address, and the Parcel is not at the time of such correction lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.
  - (b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, there shall be paid a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.
- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for re-direction or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."
- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rates fixed by this Warrant, and in such case the said rate of postage and all other charges to which the Parcel has become liable, if not prepaid by the sender, shall be collected on the delivery of the Parcel to him.
- (9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.
- (10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or

refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

*Re-direction to Places out of United Kingdom.*

13. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom, to any country or place with which a Parcel Post to or from the United Kingdom or the said territory is established, and in every case of such re-direction there shall be charged on such Parcel in respect of such re-direction a new and distinct rate of postage according to the rates for the time being payable in respect of the transmission of a like Parcel from the United Kingdom to the country or place to which it may be re-directed, and such postage, if not paid at the time of such re-direction, shall be collected on the delivery of the Parcel to the addressee.

*Re-direction to Places within United Kingdom.*

14. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland Parcel.

*Remission of Re-direction Rates.*

15. The Postmaster-General may wholly remit the rate of postage for re-direction on any Parcel addressed to the United Kingdom which may, on the request of the addressee thereof, be re-directed by an Officer of the Post Office, and again forwarded by post to the same person at any address within the limits of the same free postal delivery as the address from which such Parcel was so re-directed.

*Prohibitions.*

16. There shall not be posted or conveyed or delivered by post any Parcel—

- (1.) Consisting of or containing any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any indecent or obscene article whether similar to the above or not; or
- (2.) Having thereon or on the cover thereof any words, marks, or designs of an indecent, obscene, or grossly offensive character.
- (3.) Containing any article or thing not authorized by the customs or other laws of the United Kingdom or the said territory or any other country through which the Parcel is transmitted.
- (4.) Consisting of or containing—
  - (a.) Any explosive substance.
  - (b.) Any dangerous substance.
  - (c.) Any filth.
  - (d.) Any noxious or deleterious substance.
  - (e.) Any sharp instrument not properly protected.
  - (f.) Except with the special permission of the Postmaster-General, any living creature.
  - (g.) Any article or thing whatsoever which is likely to injure other Parcels in course of conveyance, or any receptacle in which the same are conveyed, or an officer of the Post Office or other person who may deal with such Parcel.

Any such Parcel, if posted or tendered for conveyance by post, may be detained, and either returned or given up to the sender thereof or dealt with or disposed of in such other manner as may be authorized by the Postmaster-General.

17. There shall not be posted or conveyed or delivered by post any Parcel consisting of or containing two or more Parcels or other Postal Packets (of the same or of different descriptions) addressed to different persons at different addresses; and any such Parcel, if posted or tendered for conveyance by Post, may be detained and either returned or given up to the sender thereof or dealt with or disposed of as the Postmaster-General may authorize.

*Non-compliance with Regulations.*

18. In any case not in this Warrant expressly provided for, where any Parcel shall be posted or tendered for conveyance by post which in any respect infringes or fails to comply with the regulations in this Warrant contained, or any of them, such Parcel may, at the option of the Postmaster-General, either be dealt with as in this Warrant provided, with reference to Parcels which cannot be delivered, or be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

*Provision for Safety of Parcels.*

19. In any case where any officer of the Post Office may find it necessary or expedient for the safety or protection of Parcels that any Parcel should be forwarded or delivered by some later despatch or delivery than that for which the same was posted or despatched, or intended to be posted or despatched respectively, he may delay the despatch or delivery of such Parcel, or make such other and special arrangements as to the despatch or delivery thereof, not, however, involving a greater delay than 24 hours in the whole, as may be deemed by such officer necessary or expedient in the circumstances of the case.

*Parcels not to interfere with Letter Post.*

20. Where the despatch or delivery from a Post Office in the United Kingdom of letters would be delayed by the despatch or delivery therefrom at the same time of Parcels, such Parcels, or any of them, may be detained in the Post Office until the despatch or delivery next following that by which they would ordinarily be despatched or delivered.

*Postmaster-General not liable for Loss or Damage.*

21. Nothing contained in or done under or in pursuance of this Warrant shall render the Postmaster-General liable, either personally or in his official capacity, to any action or other legal proceeding in respect or in consequence of any loss or damage of any Parcel, whether such loss or damage be occasioned by or arise from any act or neglect of any officer of the Post Office or any other person.

*Customs Regulations.*

22. Parcels intended to be transmitted by post under the provisions of this Warrant shall not be posted, forwarded, conveyed, or delivered, except subject to such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."

*Remission of Postage.*

23. The Postmaster-General may, in any case in which he may consider it just or reasonable so to do, remit any postage or any sum made payable under this Warrant.

*Provisions of other Warrants to apply.*

24. Subject to the provisions of this Warrant, all Parcels transmitted between the said territory and any country or place by way of the United

Kingdom, shall be posted, forwarded, conveyed, and delivered under and subject to the provisions of the Warrants relating to the Parcel Post between the United Kingdom and such country or place, so far as such provisions are applicable.

(b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason;

(1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from time to time appoint, and may, if necessary, be there opened and examined.

(2.) Where the name and address of the sender can be ascertained from the Parcel or the declaration accompanying the same, notice shall be given by post to the sender through the Post Office of Uruguay, that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender or his agent upon personal application at such place as aforesaid, or at the request of the sender will be forwarded to a corrected address or returned to him by post in either case upon the conditions hereinafter mentioned.

(5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.

(6.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—

(a.) Where the corrected address of the

Parcel is within the same free delivery as the original address, and the Parcel is not at the time of such correction lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.

- (b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, there shall be paid a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.
- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for re-direction or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."
- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rates fixed by this Warrant, and in such case the said rate of postage and all other charges to which the Parcel has become liable, if not prepaid by the sender, shall be collected on the delivery of the Parcel to him.
- (9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.
- (10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

(Alteration of Works.)

NOTICE is hereby given, that application is intended to be made to Parliament by the Promoters of the Rotherham, Blyth, and Sutton Railway Bill (hereinafter referred to as "the Bill"), now pending in the House of Commons (by which Bill it is intended to incorporate a Company to make and maintain certain railways and works in the West Riding of the county of York and in the county of Nottingham), for leave to make provision in the Bill for effecting the following objects, viz. :—

To empower the Promoters of the Bill to make so much of the proposed railway called in the Bill and on the plans deposited for the purposes of the Bill in November last Railway No. 1 as lies between a point in the parish of Maltby, marked on the deposited plans of that railway as 7 miles 7 furlongs from the point of commencement thereof, and a point in the parish of Stainton, marked on those plans as 10 miles 6 furlongs from the said commencement, in an altered line or course, and which railway, so far as proposed

to be altered, will commence at the point marked 7 miles 7 furlongs as above described in a field belonging, or reputed to belong, to and occupied by Mr. Arnold Winder, distinguished on the plans deposited as aforesaid with the Clerk of the Peace for the West Riding of the county of York as No. 20, in the said parish of Maltby, and pass through, in, or into the parishes of Maltby and Stainton, and terminate at the point marked 10 miles 6 furlongs as above described in a field belonging, or reputed to belong, to the Earl of Scarborough, and in the occupation of Mr. Thomas West, and distinguished on the said plans as No. 11, in the parish of Stainton.

To authorize the said Company to purchase, by compulsion or otherwise, lands and hereditaments for the purpose of the intended railway, and to vary and extinguish all rights, privileges, and easements connected with or incident to such lands and hereditaments.

To authorize the said Company for the purposes of the intended railway to stop up, alter, or divert turnpike and other roads, highways, footpaths, rights of way, watercourses, bridges, and works in the parishes aforesaid.

To authorize the said Company to levy tolls, rates, and duties upon or in respect of the intended railway, to alter existing tolls, rates, and duties, to confer, vary, or extinguish exemptions from payment of tolls, rates, and duties, and to confer, vary, or extinguish other rights and privileges.

To authorize the deviation laterally from the lines of the intended railway to the extent shown on the plans hereinafter mentioned, and also the deviation vertically from the levels thereof, as shown on the sections hereinafter mentioned, to such extent as may be authorized or determined under the powers of the Bill.

It is intended to extend to the said new or substituted works such of the powers and provisions contained in the pending Bill with respect to the works therein defined, as may be applicable to the new and substituted works.

And notice is hereby further given, that plans and sections in duplicate of the said intended line, as altered, with the book of reference of such plans, and a copy of this notice will be deposited for public inspection with the Clerk of the Peace for the West Riding of the county of York, at his office at Wakefield, on or before the 24th day of March instant, and a copy of such plans, sections, and book of reference, with a copy of this notice, will be deposited on or before the same date, with the parish clerks of Maltby and Stainton, at their respective residences, and in the case of an extra-parochial place, with the parish clerk of some adjoining parish, at his residence.
