London County Council.

AT a Meeting of the Council of the Administrative County of London, held in the County Hall, Spring-gardens, this 3rd day of February, 1891, amongst the Orders is the following:—Metropolis Management Act, 1855; Metropolis Management Amendment Act, 1862; and the Local Government Act, 1888.

Division of the Parish of St. Mary, Stoke Newington, into Wards.

WHEREAS by the Metropolis Management Amendment Act, 1862, Section 41, it is enacted: that "When at any time upon any account taken of the population by the authority of Parliament any of the parishes within the Metropolis not now divided into wards for the purpose of electing

vestrymen shall be found to contain more than two thousand rated householders, it shall be lawful for the Metropolitan Board of Works, upon the application in writing of the vestry or of not less than five hundred rated householders of the parish, to divide such parish into wards, and to determine and set out the number, extent, limit, and boundary lines of such wards, but so nevertheless that no ward shall contain less than five hundred rated householders, and that the whole number of wards shall not exceed eight, and the Metropolitan Board shall apportion among the several wards the number of vestrymen to be elected for such parish, and shall, in assigning the number of vestrymen to each ward, have regard as far as in their judgment is practicable, as well to the number of persons rated to the relief of the poor in each ward, as to the aggregate amount of the sums at which all such persons are rated, and the number of vestrymen assigned to each ward shall be a number divisible by three."

And whereas the parish of St. Mary, Stoke Newington, is within the limits of the Metropolis as defined by the Metropolis Management Act, 1855, and is one of the parishes in Part I of Schedule B of that Act, and was not at the passing of the Metropolis Management Amendment Act, 1862, divided into wards.

Now the London County Council having considered the said application, and having ascertained from the said last account taken of the population by the authority of Parliament as contained in the census return for the year 1881, that the number of rated householders for the parish of St. Mary, Stoke Newington, was then three thousand four hundred and eighty-nine, and having taken into consideration the number of persons rated to the relief of the poor in the said parish, and the aggregate amount of the sums at which all such persons are rated, as shown by the said rate books of the parish for 1890, and all the circumstances connected with such application, doth hereby order that the said parish of St. Mary, Stoke Newington, be divided into five wards to be distinguished by the names mentioned in the first column of the undermentioned schedule, that the extent, limits, and boundary lines of such wards shall be those described in the second column of the said schedule, and that the number of vestrymen to be elected for each of the said wards shall be the number mentioned in the third column of the said schedule, that is, sixty vestrymen.
