AT the Court at *Osborne House, Isle of Wight*,  
the 30th day of *July*, 1891.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the twenty-third and twenty-fourth years of Her Majesty, chapter one hundred and forty-two, duly prepared and laid before Her Majesty in Council a scheme bearing date the twenty-eighth day of May, in the year one thousand eight hundred and ninety-one, in the words and figures following, that is to say:—

“We, the Ecclesiastical Commissioners for England acting in pursuance of the Act of the twenty-third and twenty-fourth years of Your Majesty, chapter one hundred and forty-two, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting an union of two contiguous benefices within the metropolis—namely the benefice (being a rectory) of Saint George in the East, situate in the county of Middlesex, and in the diocese of London, and the benefice (being a vicarage) of Saint Matthew, Pell-street, situate in the county and diocese aforesaid.

“Whereas the Right Honourable and Right Reverend Frederick, Bishop of the said diocese of London has caused proposals for a scheme for effecting an union of the said two benefices to be laid before us, which proposals are prepared under the seventh and eighth sections of the Act hereinbefore mentioned, and hereinafter referred to as the said Act, and are approved by the said Frederick, Bishop of the said diocese of London, as such Bishop, and also as the Patron, in right of his See, of the said rectory of Saint George in the East and of the said vicarage of Saint Matthew, Pell-street, and the same proposals are also assented to by the vestries of the two parishes concerned—that is to say, by the vestry of the parish of Saint George in the East, and by the vestry of the New Parish of Saint Matthew Pell-street.

“And whereas it appears to us, the said Ecclesiastical Commissioners, to be expedient that the said proposed union of the said two benefices should be effected, and that such arrangements relating thereto, and to the other matters herein-

after referred to, should be made as are hereinafter mentioned.

“And whereas the Reverend Charles Henry Turner, Clerk in Holy Orders, is now the incumbent of both of the said two benefices and has expressed his willingness, in the event of the said two benefices being legally united, to become the incumbent of the same united benefice.

“Now therefore, with the consent of the said Frederick, Bishop of the said Diocese of London, as such Bishop and Patron as aforesaid (in testimony of which consent he hath to this Scheme set his hand and affixed his Episcopal seal) and with the consent of the Vestry of the said parish of Saint George in the East, and with the consent of the Vestry of the said new parish of Saint Matthew, Pell-street (in testimony whereof the Scheme is signed, in the case of each Vestry, by the Chairman of a Meeting of the same Vestry duly convened for the purpose of giving such consent), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose all that is in this Scheme contained under the several parts or headings hereinafter mentioned, as follows:—

## PART I.

“As to the proposed union itself we recommend and propose

“1. That the said benefice of Saint George in the East and the said benefice of Saint Matthew, Pell-street, shall upon and from the day on which any Order of Your Majesty in Council ratifying this Scheme shall be published in the London Gazette, be united into one benefice under the style or title of ‘The Rectory of Saint George in the East with the Vicarage of Saint Matthew Pell-street.’

“2. That the said Charles Henry Turner shall become the first Incumbent of the said united benefice, and if any admission be necessary it shall be lawful for the Bishop of London for the time being to admit the said Charles Henry Turner to the united benefice as its first Incumbent without any form or fee, of presentation, institution or induction.

“3. That the patronage of the said united benefice shall belong to, and be vested in the Bishop of the said diocese of London and his successors.

## PART II.

“As to the parish church of the united benefice and matters connected therewith we recommend and propose

"1. That upon the union taking effect the church of Saint George in the East shall become the parish church of the united benefice.

"2. That if upon the union taking effect the tables of fees used in the two churches of Saint George in the East and Saint Matthew Pell-street be alike in all particulars the table of fees used in the church of Saint George in the East (being the church which will as aforesaid become the parish church of the united benefice) shall, unless or until revised or altered by proper authority, be the table of fees for the two parishes of the United Benefice; but if such tables of fees be not alike in all particulars, then the same shall be of no authority, and a new table of fees shall be made by the proper authority for the same two parishes as if the same were one parish.

#### PART III.

"As to the Church of Saint Matthew, Pell-street, and the furniture and fittings thereof, we recommend and propose

"1. That upon the union taking effect the fabric of the church of Saint Matthew, Pell-street, shall be left standing, and shall be used for the purpose of a Sunday School, or for any other purpose authorized by section nineteen of the said Act so long as the Bishop of the Diocese shall by his licence permit.

"2. That the Font, Communion Table, and Sacramental Plate, now in the church of Saint Matthew, Pell-street, shall be appropriated, as the Bishop of London may direct, in accordance with the provisions contained in the fourteenth section of the said Act.

"3. That the organ, carved work, and other fittings and furniture now in use in the church of Saint Matthew, Pell-street, and not required for that building, when used for the purpose of a Sunday School as aforesaid, shall be disposed of or sold as the Bishop of London shall direct, and, if sold, the amount realized shall be appropriated and applied as part of the fund created by the twenty-second section of the said Act.

"4. That upon the union taking effect the Register Books of Baptisms, Marriages, and Burials of the New Parish of Saint Matthew, Pell-street, shall be transferred to the Parish Church of the United Benefice.

"5. That in the event of the Bishop of the diocese refusing or withdrawing his licence or permission to use the church of Saint Matthew, Pell-street, for the purpose of a Sunday School or for any other purpose authorized by the nineteenth section of the said Act, the said Bishop shall certify this fact in writing to us, the said Ecclesiastical Commissioners, and the said church shall, so soon as may be after the receipt by us of such certificate from the Bishop, be taken down and its materials and site, together with any ground annexed thereto and necessary for the use or enjoyment thereof shall be sold and disposed of by us at such time or times and in such manner in all respects as to us shall seem expedient, such sale or disposal being made in all respects subject to the provisions contained in the seventeenth section of the said Act.

"6. That in the event of the materials and site of the said church of Saint Matthew, Pell-street, being sold, the proceeds of such sale shall be applied towards the cost of building a church, and, if the fund permit, a parsonage house for a new Ecclesiastical District to be formed, under one or more of the Acts of Parliament administered by us, the said Ecclesiastical Commissioners, out of some parish or parishes or other cures within the limits of the metropolis, to be selected by the Bishop of London.

#### "PART IV.

"As to the endowment and parsonage house of the united benefice, we recommend and propose

"1. That upon the union taking effect all the properties constituting the endowments of the said rectory of Saint George-in-the-East and of the said vicarage of Saint Matthew, Pell-street, shall be transferred and annexed to the united benefice as the endowments thereof provided that out of such endowments a sum of forty-two pounds a year or such less sum in any year as the Bishop of London shall authorize, shall be applied in the first place to the full and proper repair and sustentation of the fabric of the disused church of Saint Matthew, Pell-street, and to the preservation and care of the monuments and tablets (if any) therein and to the other expenses connected with the same building so long as it shall remain standing.

"2. That the said sum of forty-two pounds, or such less sum in any year as the Bishop of London shall authorize, shall be a charge upon the income of the united benefice and the incumbent thereof shall be deemed to have accepted the same subject to a trust to carry out all repairs as aforesaid and to pay for the same out of the said income, and if in any year such repairs shall not be duly carried out and paid for as aforesaid by the incumbent for the time being of the said united benefice it shall be lawful for the Bishop of the diocese to make an order on the incumbent requiring him to carry out and pay for such repairs within a time to be specified in the said order, and if the same be not carried out and paid for within such prescribed period it shall be lawful for the said Bishop to sequester the profits of the said united benefice until such repairs shall have been carried out and paid for, and the costs of the sequestration shall have been paid and satisfied.

"3. That upon the union taking effect the present parsonage house belonging to the rectory of Saint George-in-the-East shall become the parsonage house of the said united benefice.

"Provided always, that nothing herein contained shall prevent us, the said Ecclesiastical Commissioners for England, from recommending and proposing any other matter or thing as to the measures aforesaid or any of them, in accordance with the provisions of the said Act or of any other Act of Parliament."

And whereas the said scheme has been laid before both Houses of Parliament for the space of two calendar months.

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of London.

**N**OTICE is hereby given, that on the 12th day of August, 1891, a scheme of arrangement between the abovenamed Company and their creditors was filed in the Central Office of the Supreme Court. The scheme contains provisions for settling and defining rights of Shareholders of the Company, as among themselves, in the following respects, viz.: it provides that the authorized C and D Debenture Stocks, and the existing £1 10s. per cent. preference shares, shall be converted into £4 per cent. preference stock, and it also provides for the conversion of the ordinary shares into ordinary stock. By the said scheme it is further proposed to create and issue A Debenture Stock to be deemed part of and to rank together with the existing A Debenture Stock of the Company, to the amount of £41,000, beyond the amount already authorized by the Company's Acts of 1869, 1872, and 1879, and that all A Debenture Stock already issued, and all A Debenture Stock to be hereafter issued shall bear interest at £4 per cent. per annum, and to be divided into two equal portions or classes, one to be distinguished as A 1 Debenture Stock, upon which interest accruing thereon shall be cumulative, and the other to be distinguished as A 2 Debenture Stock, upon which the interest accruing thereon shall be non-cumulative. To convert and consolidate the existing B Debenture Stock now consisting of four classes and carrying interest at £3 per centum per annum into one uniform B stock without any priorities inter se, and to bear interest at £4 per centum per annum. The terms and mode of conversion and consolidation of the before described stocks and conversion of the ordinary shares are set out in the said scheme. The said scheme provides for the application of the income of the Company, voting by holders of ordinary stock of the Company, and for the election of Directors. A copy of the said scheme will be furnished to any person requiring the same by the undersigned, or at the office of the Company, at 39, Lombard-street, in the city of London, on payment of the regulated charge for the same.
