By the QUEEN.
A PROCLAMATION.

VICTORIA, R.

WHEREAS Our Parliament stands prorogued to the twentieth day of October next, We, by and with the advice of Our Privy Council, hereby issue Our Royal Proclamation, and publish and declare that the said Parliament be further prorogued to Thursday, the tenth day of December, one thousand eight hundred and ninety-one.

Given at Our Court at *Balmoral*, this twenty-sixth day of *September*, in the year of our Lord one thousand eight hundred and ninety-one, and in the fifty-fifth year of Our reign.

GOD save the QUEEN.

AT the Court at *Balmoral*, the 26th day of *September*, 1891.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

IT is this day ordered by Her Majesty in Council, that the Convocations of the Provinces of Canterbury and York be prorogued from the day to which the same now stand prorogued, to Friday, the eleventh day of December, one thousand eight hundred and ninety-one; and the Right Honourable the Lord High Chancellor of that part of the United Kingdom called Great Britain is to cause Writs to be prepared and issued in the usual manner for proroguing the Convocations accordingly.

Privy Council Office, September 26, 1891.

THE following Statute, made and sealed on the twenty-third day of June, one thousand eight hundred and ninety-one, by the Governing Body of Peterhouse, or St. Peter's College, in the University of Cambridge, has been submitted for the approval of Her Majesty in Council, and notice of its having been so submitted is published in accordance with the provisions contained in the Universities of Oxford and Cambridge Act, 1877:—

A STATUTE to amend the Statutes framed by the Commissioners appointed under the Universities of Oxford and Cambridge Act, 1877 (forty and forty-one Vict., c. forty-eight) in relation to Peterhouse or St. Peter's College in the Univer-

sity of Cambridge duly made at a general meeting of the Governing Body of the said College specially summoned for this purpose, held on the twenty-third day of June, one thousand eight hundred and ninety-one, and passed at such meeting by the votes of nine persons present and voting being the whole number of persons so present and voting and submitted for the approval of Her Majesty the Queen in Council.

WHEREAS the University of Cambridge Commissioners appointed by the Universities of Oxford and Cambridge Act, 1877 (hereinafter called the said Act) did on the eighteenth day of March, one thousand eight hundred and eighty-one, make certain Statutes (hereinafter called our said Statutes) under the provisions of the said Act for Peterhouse or St. Peter's College (hereinafter called the said College) in the University of Cambridge.

And whereas Her Majesty having taken the said Statutes into consideration was pleased by and with the advice of Her Privy Council to declare and did on the twenty-ninth day of June, one thousand eight hundred and eighty-two, graciously declare Her approval of the same.

And whereas the Governing Body of the said College in exercise of the powers conferred on it by the fifty-fourth section of the said Act may make Statutes to amend the Statutes framed by the Commissioners appointed under the said Act.

And whereas it appears to us the Master and Fellows of the said College that the falling off in the revenues of the said College arising from the serious diminution of agricultural rents combined with the increasing burden of the Contribution of the College for University purposes directed to be paid by our said Statutes and by the Statutes of the University has so reduced the sum annually at the disposal of the College after making all payments which by Statute XXIX of our said Statutes have priority to payments made to the Master and Fellows that it is no longer possible to provide for each Fellow a sufficient dividend.

And whereas under our said Statutes the number of Fellowships in the said College is fixed.

And whereas it appears to us the Master and Fellows of the said College that it will be for the advantage of the said College to have granted unto us the power of temporarily reducing the number of Fellowships in the said College in order that by increasing the value of the remaining Fellowships we may encourage those to remain

members of our body who are best fitted to promote the interests of the said college as a place of education religion learning and research.

And whereas it is provided under Statute XII of our said Statutes that if for any special reason it shall be deemed expedient so to do it shall be lawful for the Visitor of the said College on application from the Master and Fellows under their corporate seal to authorize the said Master and Fellows to suspend the election to a vacant Fellowship for such time not exceeding three years as may appear to him expedient.

And whereas under Statute XXI of our said Statutes it commonly happens that the period of tenure of a Fellowship terminates on the twenty-ninth day of October.

And whereas under our said Statutes the Master and Fellows of the said College must proceed on the same twenty-ninth day of October to the election of a new Fellow into the Fellowship so vacated.

And whereas doubts have arisen whether under Statute XII of our said Statutes it is lawful for the Visitor to authorize the suspension of a Fellowship which is not actually vacant but which is under the said Statutes about to be vacated.

And whereas doubts have further arisen whether under Statute XII of our said Statutes it is lawful for the Visitor to authorize the suspension of more than one vacant Fellowship at the same time.

And whereas doubts have further arisen whether under Statute XII of our said Statutes it is lawful for the Visitor to authorize the suspension of a vacant Fellowship for more than one single period of three years.

And whereas it appears to us the Master and Fellows of the said College (being the Governing Body thereof) that the aforesaid provision of Statute XII of our said Statutes is altogether insufficient we the Master and Fellows of the said College do hereby in exercise of the powers given unto us by the aforesaid fifty-fourth section of the said Act alter and amend the Statutes of the said College by adding the words following that is to say:

STATUTE LI. SUSPENSION OF FELLOWSHIPS.

" If it shall at any time appear to the Master and Fellows that the revenues of the College do not produce the amount required to afford to every Fellow an income of two hundred pounds a year (exclusive of rooms and commons but inclusive of other allowances) they may by a resolution passed at a general meeting of the College specially summoned for the purpose such resolution being passed by the votes of not less than two thirds of the number of persons present and voting declare that the election of a new Fellow to a Fellowship then vacant or about to be vacated on the twenty-ninth day of October next ensuing is suspended. And the dividend of any Fellowship the election to which is so suspended shall in each year be wholly assigned to the payment or part payment to the University of the sum authorized and directed by the Statutes of the University to be charged upon the College.

" The Master and Fellows may at any time by a resolution passed at a general meeting of the College specially summoned for the purpose such resolution being passed by the votes of a majority of the number of persons present and voting declare that a suspended Fellowship is no longer suspended and it shall thereupon be dealt with in the manner provided by the Statutes of the College."

Given under our Common Seal this twenty-third day of June one thousand eight hundred and ninety-one.
