Exmouth and District Water.

(New Works; Diversion and Appropriation of Additional Water; Provisions as to Compensation; Purchase of Lands and Easements compulsorily and by Agreement; Additional Capital; Incorporation and Amendment of Acts and other powers.)

**N**OTICE is hereby given, that the Exmouth and District Waterworks Company, (hereinafter called "the Company"), intend to apply to Parliament in the ensuing Session for leave to bring in a Bill for the following, or some of the following, among other purposes (that is to say):—

To authorise the Company to construct and maintain wholly in the county of Devon, the following works, or such of them, or such part or parts thereof, respectively, as the Bill may define; that is to say:

(a.) A dam or weir (Work No. 1), formed by an embankment, situate in and across the northern tributary of the Budleigh Brook on Bicton Common, in the parish of Bicton, at a point distant  $10\frac{1}{2}$  chains (or thereabouts) measured in a straight line in a northerly direction from the point of junction of the said tributary, with the western tributary of the said brook, rising on the said Common in part, Nod. 90 on the 25 in. Ordnance Map of the said parish.

(b.) An aqueduct, conduit, or line of pipes (Work No. 2) commencing at or near the dam or weir lastly described, and passing thence through the Service Tank (Work No. 3) next hereinafter described, and thence proceeding in a south-easterly and southerly direction through the parish of Bicton and into the parish of East Budleigh, up to Hayeswood-lane, and continuing thence in a southerly direction along an occupation road Nod. 49 on the aforesaid Ordnance map to the north-east corner of the field Nod. 64 on the said Ordnance map, and thence proceeding in a south-westerly and westerly direction, and terminating at or in the Company's existing storage reservoir at Squabmoor, in the parish of East Budleigh, at a point distant 50 links, or thereabouts, measured in a westerly direction from the south-eastern corner of the said reservoir.

(c.) A covered service tank (Work No. 3) in the parish of Bicton to be situate on the north-eastern side of the beforementioned northern tributary of the Budleigh Brook, at a point distant 65 links, or thereabouts, north-east of the beforementioned dam or weir (Work No. 1).

(d.) A dam or weir (Work No. 4) formed by an embankment situate in and across the western tributary of the Budleigh Brook on Bicton Common in the parish of Bicton, at a point distant 10 chains, or thereabouts, measured in a straight line in a westerly direction from the point of junction of the two beforementioned tributaries of the said brook.

(e.) An aqueduct, conduit, or line of pipes (Work No. 5) situate wholly in the parish of Bicton, commencing at or near the dam or weir (Work No. 4) lastly described, and passing thence through the service tank (Work No. 6) next hereinafter described, and thence proceeding in an easterly direction, and terminating by a junction with the aqueduct, conduit, or line of pipes (Work No. 2) at a point distant 11 chains from the beforementioned dam or weir (Work No. 1).

(f.) A covered service tank (Work No. 6) in the parish of Bicton, to be situate on the northern side of the beforementioned western tributary of

the Budleigh Brook, at a point distant 65 links, or thereabouts, north of the beforementioned dam or weir (Work No. 4).

(g.) A gauge weir, and balance chamber, situate in the parish of East Budleigh, on the aqueduct, conduit, or line of pipes (Work No. 2), distant 70 links, or thereabouts, from the termination thereof.

(h.) All such cuts, channels, adits, catch waters, aqueducts, culverts, tunnels, drains, sluices, valves, byewashes, weirs, gauges, reservoirs, filter beds, tanks, walls, roads, embankments, approaches, engines, pumps, machinery and appliances, as may be necessary or expedient in connection with the beforementioned works, and for enabling the Company to impound, collect, utilise, and supply the waters to be taken under the powers of the Bill, and for any purposes of the undertaking.

The intended works will be situate in, or will pass from, in, through, or into the following parishes, namely, Bicton and East Budleigh.

To authorise the Company to deviate from the lines and levels of the proposed works, shown on the plans and sections to be deposited as hereinafter mentioned to any extent, to be defined by the Bill, or to be prescribed by Parliament.

To enable the Company, subject to the provisions of the Bill, and except as will be therein expressed and excepted, to collect, impound, divert, take, use, and appropriate for the purposes of the proposed works and of the Company's undertaking, all such streams, springs, and waters as will or may be found in, on, or under any of the lands, for the time being, belonging to the Company, or over, or in respect of which they have or may acquire easements, and particularly the waters rising in springs, or running in defined streams in, through, or under Bicton Common in the Parish of Bicton, as will or may be intercepted by the proposed new works, and which last mentioned springs or streams are tributaries of and flow into the Budleigh Brook, and thence into the sea.

To make provision with reference to the quantity or amount of compensation (if any) by water or otherwise to be given by the Company in respect of the proposed taking, or impounding, or diverting of waters under the powers of the Bill for the benefit or protection of the owners, lessees, and occupiers of mills and works, and other persons interested in the waters to be so taken, impounded, or diverted.

To authorise the Company to lay down, maintain, alter, repair, and renew mains, pipes, culverts, and other works, and for that purpose to open, break up, alter, divert, stop up, and interfere permanently or temporarily with public and other roads, streets, lanes, highways, footways, thoroughfares, water courses, streams, bridges, sewers, drains, and pipes.

To enable the Company to purchase and take by compulsion or by agreement, and to take on lease and hold lands, buildings, streams, waters, and other property, and any rights or easements therein, thereunder, or thereover, for the purposes of the proposed works, and of the Bill, and to vary or extinguish all or any rights or easements in, over, or affecting any such lands, buildings, streams, waters, and property, and to acquire by compulsion or agreement easements to lay conduits or pipes in, through, or upon lands, with power to inspect, repair, and maintain the same, and to enable the Company to sell and dispose of lands and buildings.

It is intended by the Bill to take for or in con-

nection with the proposed works, certain land, being or reputed to be common or commonable lands, of which the following are particulars, and the quantities included within the limits of

deviation shown upon the plans intended to be deposited as hereinafter mentioned, and the estimated quantities proposed to be taken (that is to say):—

Works for which the Lands will be taken.	Names by which the Lands are known.	Parish in which the Lands are situate.	Quantities included within the Limits of Deviation.			Estimated Quantities to be taken.
			A.	R.	P.	
Works Nos. 1, 2 (portion of) 3, 4, 5, and 6	Bicton Common	Bicton ...	8	3	38	For Works Nos. 1, 3, 4, and 6, one acre,
Work No. 2 (portion of)...	East Budleigh Common	East Budleigh	9	1	14	and For Works Nos. 2 and 5, not exceeding three-quarters of an acre. It is probable that no part of either Bicton Common or East Budleigh Common will be taken permanently for the purposes of these works, but only easements thereunder.

To authorise the temporary occupation and use of lands, common lands, houses, buildings, easements, and hereditaments, for obtaining material for the construction of works and other the purposes of the Bill, and to incorporate with such variations and amendments as may be proper or requisite, all or some of the provisions of the Railway Clauses Consolidation Act, 1845, with respect to the temporary use and occupation of lands, or to make other provisions with reference thereto.

To make such provisions as may have been, or may be agreed upon, or as may be prescribed, or authorised by the Bill for the protection and benefit of the landowners and millowners, and any other persons and bodies whose property, rights, powers, or interests will or might be affected by the execution of the powers of the Bill, and of their property, rights, and interests; and to authorise, or confirm, or give effect to, any arrangements or agreements which may have been or may be entered into between the Company and such landowners and millowners and other persons and bodies, or some or any of them.

To enable the Company to apply their existing funds, and any money which they have still power to raise, to the purposes or any of the purposes of the Bill, and for the like purposes and for the general purposes of their authorised undertaking, to raise additional capital by the creation and issue of new ordinary and preference shares and stock, debentures and debenture stock, and by borrowing; or partly by one mode and partly by another.

To constitute the proposed works for all purposes a part of the undertaking of the Company.

The Bill will vary and extinguish all existing rights and privileges, which would interfere with any of its objects, and will confer upon the Company all such other rights and privileges as may be necessary for any of the purposes of the Bill, and will, so far as may be deemed necessary, amend, enlarge, and repeal the powers and provisions of the Exmouth and Budleigh Salterton Waterworks Act, 1864, and the Exmouth and District Water Act, 1880, and of any other Act or Acts relating directly or indirectly to the Company, especially so much of Section 4 of the Exmouth and District Water Act, 1880, as relates to the Company taking water within the district of the Budleigh Salterton Local Board.

The Bill will incorporate with itself, with or without variation, the necessary provisions of the Companies Clauses Consolidation Act, 1845, the Companies Clauses Act, 1863, the Companies Clauses Act, 1869, the Lands Clauses Acts, 1845, 1860, and 1869, the Lands Clauses (Umpires) Act, 1883, the Waterworks Clauses Acts, 1847 and 1863, and the Exmouth and Budleigh Salterton Waterworks Act, 1864, and the Exmouth and District Water Act, 1880.

And notice is hereby further given, that duplicate plans and sections, describing the lines, situations, and levels of the proposed works, and the lands, houses, and other property, in or through which they will be made, with a book of reference to such plans, and a copy of this notice, as published in the London Gazette, will on or before the 30th day of November next, be deposited for public inspection with the Clerk of the Peace for the county of Devon, at his office, at the Castle of Exeter, in the said county; and on or before the same day, a copy of so much of the said plans, sections, and book of reference as relates to each parish, in or through which the proposed new works will be made, or in which any lands, houses, or other property are intended to be taken, and a copy of this Notice will be deposited with the Parish Clerk of each such parish at his place of abode.

Printed copies of the intended Bill will, on or before the 21st day of December next, be deposited in the private Bill Office of the House of Commons.
