To the Vestry of the Parish of Lee and all whom it may concern.

WHEREAS by the Metropolitan Management Act, 1862, Section 41, it is enacted: that "When at any time upon any account taken of the population by the authority of Parliament any of the parishes within the Metropolis not now divided into wards for the purpose of electing vestrymen shall be found to contain more than two thousand rated householders, it shall be lawful for the Metropolitan Board of Works, upon the application in writing of the vestry or of not less than five hundred rated householders of the parish, to divide such parish into wards, and to determine and set out the number, extent, limit, and boundary lines of such wards, but so nevertheless that no ward shall contain less than five hundred rated householders, and that the whole number of wards

shall not exceed eight, and the Metropolitan Board shall apportion among the several wards the number of vestrymen to be elected for such parish, and shall, in assigning the number of vestrymen to each ward, have regard as far as in their judgment is practicable, as well to the number of persons rated to the relief of the poor in each ward, as to the aggregate amount of the sums at which all such persons are rated, and the number of vestrymen assigned to each ward shall be a number divisible by three."

Now the London County Council having considered the said application, and having ascertained from the said account taken of the population by the authority of Parliament as contained in the census return for the year 1881, that the number of rated householders for the parish of Lee was then two thousand one hundred and sixty-four, and having taken into consideration the number of persons rated to the relief of the poor in the said parish, and the aggregate amount of the sums at which all such persons are rated, as shown by the said rate books of the parish for 1891, and all the circumstances connected with such application, doth hereby order that the said parish of Lee be divided into four wards to be distinguished by the names mentioned in the first column of the undermentioned schedule, that the extent, limits, and boundary lines of such wards shall be those described in the second column of the said schedule, and that the number of vestrymen to be elected for each of the said wards shall be the number mentioned in the third column of the said schedule, that is, thirty-six vestrymen.

*Removal of Dung or other Things.*

It shall not be lawful for any person to send or carry, or cause to be sent or carried, on a railway, canal, river, or inland navigation, or in a coasting vessel, or on a highway or thoroughfare, any dung, fodder, or litter that has been in a Foot-and-Mouth Disease Infected Place, or that has been in any place in contact with or used about an animal affected with foot-and-mouth disease except with a Licence of the Local Authority for the District in which such place is situate, granted on a certificate of an Inspector of the Local Authority certifying that the thing moved has been, as far as practicable, disinfected, or with a Licence of an Inspector of the Board of Agriculture or other person authorized by the Board to act in that behalf.

*Slaughter in Foot-and-Mouth Disease and Compensation.*

25.—(1.) A Local Authority may, and when required by the Board of Agriculture shall, cause to be slaughtered—

- (b.) all cattle, sheep, goats, or swine being or having been in the same field, shed, or other place or in the same herd or flock or otherwise in contact with animals affected with foot-and-mouth disease, or being or having been in the opinion of the Board in any way exposed to the infection of foot-and-mouth disease.

(2.) The Local Authority shall out of the local rate pay compensation as follows for cattle, sheep, goats, and swine slaughtered under this Article—

- (a.) where the animal slaughtered was affected with foot-and-mouth disease the compensation shall be its value immediately before it became so affected;

*Record of Slaughter.*

26. Every Local Authority shall keep, in the form given in the Second Schedule to the Animals Order of 1886, or a form to the like effect, a record relative to animals slaughtered by their order under this Order, stating the particulars indicated in the form given in that Schedule, with such variations as circumstances require.

*Withholding of Compensation.*

27. A Local Authority before determining, under paragraph (7) of section thirty of the Act of 1878, to withhold, either wholly or partially, compensation or other payment in respect of an animal slaughtered by their order, shall give to the owner of the animal an opportunity of making representations to them respecting the facts and circumstances of the case, and shall consider the same.

*Ascertainment of Value for Compensation in England and Wales.*

28. Where in England or Wales an animal is slaughtered by order of a Local Authority under the provisions of this Order, the value of the animal for compensation shall be ascertained as follows:

- (i.) The Local Authority shall within fourteen days after the slaughter give to the owner of the

animal notice in writing of the valuation thereof made by them.

(ii.) If the owner does not within six days after the receipt of that notice give to the Local Authority or their Inspector or other officer a counter-notice in writing stating to the effect that he disputes the valuation made by the Local Authority, the compensation shall be paid on that valuation.

(iii.) If the Local Authority fail to give such a notice, or if the owner gives such a counter-notice, as aforesaid, then the question of the value of the animal shall by virtue of this Order stand referred to the arbitration of a single arbitrator, who shall make his award ready for delivery within seven days after he is appointed, and the provisions of the Arbitration Act, 1889, shall apply to the reference and arbitration, as if the same were pursuant to a submission, except in so far as that Act is inconsistent with the provisions of this Article.

(iv.) If on the arbitration a higher valuation is awarded than the valuation made by the Local Authority, then the Local Authority shall be liable to and shall bear and pay the costs of the reference and award, and all costs of the owner with reference thereto, otherwise the Local Authority shall be liable to and shall bear and pay one-half of the costs of the reference and award and their costs with respect thereto. The arbitrator may tax or settle the amount of costs to be paid by the Local Authority under this Article.

(v.) All such expenses and costs paid by the Local Authority shall be part of their expenses under the Act of 1878.

*Ascertainment of Value for Compensation in Scotland.*

29. Where in Scotland an animal is slaughtered by order of a Local Authority under the provisions of this Order, the value of the animal for compensation shall be ascertained as follows:

(ii.) Before any valuer appointed by the Local Authority and the owner or his agent proceed to value any animal under this Order they shall, by writing under their hands, select one of the official valuers to act in the event of their differing in opinion as to the value of such animal: Provided that if such official valuer decline or fail to act when called upon to do so any other official valuer may act in his place.

(iii.) The valuation made in writing under the hand of any official valuer shall be final and binding on the Local Authority and on the owner.

(iv.) If a higher valuation is awarded by the official valuer than the value assigned in writing under his hand by the valuer appointed by the Local Authority, then the Local Authority shall pay the costs and expenses of the valuation and all costs incurred by the owner in relation thereto, but otherwise the costs and expenses of the valuation and all costs incurred by the Local Authority in relation thereto may be deducted by the Local Authority from the sum payable to the owner as compensation in accordance with the valuation of the official valuer, who may tax or settle the amount of costs to be paid by the owner or the Local Authority under this Article.

(v.) All such expenses and costs paid by the Local Authority shall be part of their expenses under the Act of 1878.

*Forms.*

30. The Forms for use by a Local Authority and by an Inspector given in the Schedules to the Animals Order of 1886, with such variations as circumstances require, may be used for the purposes of the Acts of 1878 to 1886 and of this Order.

*Granting of Movement Licences.*

31.—(1.) An Inspector of the Board of Agriculture or a person authorized by the Board to grant Licences, or a Local Authority may, if they think fit, withhold a Licence in any case where the movement of the animals or things proposed to be moved would be in their judgment inexpedient or improper.

(2.) No Licence for movement of an animal granted under this Order or under any Regulation of a Local Authority under this Order shall be available if granted by the owner of the animal to be moved or by his agent, or by the owner, or consignee or other person selling the animal, or exposing the animal for sale, or by the purchaser thereof or by his agent, or by the auctioneer or other person conducting the public or private sale at which the animal is exposed, or by the occupier of the farm or premises or slaughter-house from or to which the animal is to be moved.

*Delivery of Certificates and Declarations.*

32.—(1.) A Movement Licence granted under this Order is not available except when accompanied by the certificate or by the declarations or declaration, if any, on which it is granted.

(2.) The person granting such Movement Licence under this Order shall, for the identification of each certificate or declaration produced to him, mark the same by signing his name thereon, with the date of the production thereof to him.

(3.) The person granting such Movement Licence shall deliver the certificate and the declarations or declaration produced to him, when so marked, with the Licence, to the person receiving the Licence from him.

(2.) If the Board of Agriculture are satisfied on inquiry, with respect to any Notice served or any Regulation made by a Local Authority under this Order that the same is of too restrictive a character, or otherwise objectionable, and direct the revocation thereof, the same shall thereupon cease to operate.

*Offences.*

(4.) (5.) If any person with a view to unlawfully evade or defeat the operation of this Order or of any Regulation made by a Local Authority under this Order, allows an animal to stray, he shall be deemed guilty of an offence against the Act of 1878.

Information has been received from Messrs. Donald Currie and Co., that the shoal on which the "Courland" struck is situated in about lat. 24° 57' S., long. 34° 25' E., a danger therefore has also been placed on the Admiralty Charts in this position. It is also stated that the Commander of the steam-vessel "Countess of Carnarvon" reports the existence of a rocky shoal, with a depth of  $2\frac{1}{2}$  fathoms, and on which the sea occasionally breaks, lying about  $3\frac{1}{2}$  miles from the shore, with Zavora River Entrance bearing N.E. by E., or in approximately lat. 24° 57' S., long. 34° 22' E.

CAUTION.—The coast between Zavora Point and to the westward of Limpopo River is entirely unsurveyed, and should be given a wide berth.

[Variation 24° Westerly in 1892.]
