PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirtieth day of June, in the year one thousand eight hundred and ninety-two, in the words following, that is to say:—

“We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of Your Majesty chapter thirty-seven have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken out of the parish of Saint Mary Stoke Newington and out of the following new parishes namely the new parish (sometime district) of Saint Andrew Stoke Newington the new parish (sometime district chapelry) of Saint John Vartry-road Stamford Hill, and the new parish (sometime particular district) of Saint Ann, Hanger-lane, all in the county of Middlesex and in the diocese of London.

“Whereas it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Saint Mary Stoke Newington, of the said new parish of Saint Andrew Stoke Newington, of the said new parish of Saint John Vartry-road Stamford Hill and of the said new parish of Saint Ann Hanger-lane, which are hereinafter mentioned and described should be constituted a separate district in manner hereinafter recommended and proposed.

“And whereas there is not at present within the limits of the said proposed district any consecrated church or chapel in use for the purposes of Divine worship.

“And whereas under the provisions of an Order of Your Majesty in Council bearing date the twenty sixth day of November in the year one thousand eight hundred and eighty-six and published in the London Gazette on the seventeenth day of December following the rectory of Saint Margaret Lothbury with Saint Christopher le Stocks and Saint Bartholomew by the Exchange and the united rectory of Saint Olave Old Jewry with Saint Martin Pomeroy Saint Mildred Poultry and Saint Mary Colechurch,

within the city and diocese of London were united into one benefice and it was by the same Order provided amongst other things that an ecclesiastical district to be formed within the limits of the Metropolis should be selected by the Lord Chancellor of Great Britain and by the Bishop of London as the district for which a church should be built (and consecrated by the name of Saint Olave) out of the proceeds of the sale or sales which have since been duly carried into effect, of the materials and site of the church of Saint Olave Old Jewry directed by that Order to be taken down.

“And whereas the district hereinafter proposed to be constituted has been selected by the said Lord Chancellor and by the said Bishop of London as the district for which a church shall be built and consecrated as provided by the said Order of Your Majesty in Council.

“And whereas out of the proceeds of the sale or sales hereinafter mentioned we the said Ecclesiastical Commissioners are authorized by the said Order in Council to set apart a sum not exceeding fifteen thousand pounds for or towards the acquisition of suitable sites for and the erection of a new church and parsonage house within the limits of the said proposed district as the church and parsonage for such district.

“And whereas under the terms of the said Order in Council it is further provided that out of the income of the united rectory of Saint Margaret Lothbury with Saint Christopher le Stocks Saint Bartholomew by the Exchange Saint Olave Old Jewry Saint Martin Pomeroy Saint Mildred Poultry and Saint Mary Colechurch there shall be paid by the rector thereof a clear annual sum of five hundred and forty pounds to the minister or incumbent for the time being of the new district hereinafter proposed to be constituted as the endowment thereof. And whereas the whole right of patronage of the said proposed district and when the said district shall become a new parish then of the same new parish will under the provisions of the said Order in Council be vested in Your Majesty and be exercised by the Lord Chancellor on behalf of the Crown.

“Now therefore with the consent of the Right Honourable and Right Reverend Frederick Bishop of the said diocese of London (in testimony whereof he has signed this scheme and sealed the same with his episcopal seal) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parish

of Saint Mary Stoke Newington of the said new parish of Saint Andrew Stoke Newington of the said new parish of Saint John Vartry-road Stamford Hill and of the said new parish of Saint Ann Hanger-lane which are described in the schedule hereunder written (all which portions together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed) shall upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint Olave Stoke Newington' and that the said district so soon as a minister shall have been licensed thereto shall be endowed as contemplated by the aforesaid Order of Your Majesty in Council.

"And we further recommend and propose that the whole right of patronage of the said proposed district and (so soon as the said district shall have become a new parish as aforesaid then) of the said new parish and of the nomination of the minister of the said proposed district or (as the case may be) of the incumbent of the said new parish shall (as is provided by the hereinbefore-recited Order in Council) be assigned to and be absolutely vested in Your Majesty and be exercised by the said Lord Chancellor acting on behalf of the Crown and his successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or to any of them in accordance with the provisions of the said Act or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

7. Return and Disposal of Undelivered Parcels.

12. With regard to—

- (a.) Parcels which are addressed to a Post Office in the United Kingdom to be called for, or to a place in the United Kingdom beyond the limits of the free postal delivery of any town or district, or to a ship at any port in the United Kingdom, and which are not called for or delivered within such reasonable times as the Postmaster-General may from time to time prescribe; and
- (b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason;

the following provisions shall (subject to the provisions of the Warrant of the said Commissioners of the 12th day of December, 1888, relating to Foreign and Colonial Parcels) apply; (that is to say):—

- (1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from time to time appoint, and may, if necessary, be there opened and examined.
- (2.) Where the name and address of the sender can be ascertained from the Parcel or the declaration accompanying the same, notice shall be given by post to the sender through the Post Office of Sarawak, that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender or his agent upon personal application at such place as aforesaid, or at the request of the sender will be forwarded to a corrected address or returned to him by post in either case upon the conditions hereinafter mentioned.

- (3.) Where the name and address of the sender cannot be ascertained from the Parcel, notice shall be publicly given (by affixing the same at such place or places, or in such other manner as the Postmaster-General may direct), and notice shall also be given to the Post Office of Sarawak that the Parcel will, in default of any claim on the part of the addressee, and upon payment of such charges as are hereinafter mentioned, be given up upon the personal application of the sender or his agent, or be returned to the sender by post.
- (4.) In any case the notice shall state that, in default of the receipt by the Postmaster-General of an application for the Parcel during a period to be specified in such notice from some person who, in the Postmaster-General's judgment, is entitled to receive the Parcel, it will be disposed of in such a manner as the Postmaster-General may direct.
- (5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.
- (6.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—
 - (a.) Where the corrected address of the Parcel is within the same free delivery as the original address, and the Parcel is not at the time of such correction lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.
 - (b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, there shall be paid a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.
- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for re-direction or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."
- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rate fixed by this Warrant, and in such case the said rate of postage and all other charges to which the Parcel has become liable, if not prepaid by the sender, shall be collected on the delivery of the Parcel to him.
- (9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.
- (10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with

or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Re-direction to places out of United Kingdom.

13. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom, to any country or place with which a Parcel Post to or from the United Kingdom or Sarawak is established, and in every case of such re-direction there shall be charged on such Parcel in respect of such re-direction a new and distinct rate of postage according to the rates for the time being payable in respect of the transmission of a like Parcel from the United Kingdom to the country or place to which it may be re-directed, and such postage, if not paid at the time of such re-direction, shall be collected on the delivery of the Parcel to the addressee.

Re-direction to places within United Kingdom.

14. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland parcel.

Remission of Re-direction Rates.

15. The Postmaster-General may wholly remit the rate of postage for re-direction on any Parcel addressed to the United Kingdom which may, on the request of the addressee thereof, be re-directed by an Officer of the Post Office, and again forwarded by post to the same person at any address within the limits of the same free postal delivery as the address from which such Parcel was so re-directed.

Prohibitions.

16. There shall not be posted or conveyed or delivered by post any Parcel—

- (1.) Consisting of or containing any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any indecent or obscene article, whether similar to the above or not; or
- (2.) Having thereon or on the cover thereof any words, marks, or designs of an indecent, obscene, or grossly offensive character.

Any such Parcel, if posted or tendered for conveyance by post, may be detained, and either returned or given up to the sender thereof or dealt with or disposed of in such other manner as may be authorized by the Postmaster-General.

17. There shall not be posted or conveyed or delivered by post any Parcel consisting of or containing two or more Parcels or other Postal Packets (of the same or of different descriptions) addressed to different persons at different addresses; and any such Parcel, if posted or tendered for conveyance by post, may be detained and either returned or given up to the sender thereof, or dealt with or disposed of as the Postmaster-General may authorize.

Non-compliance with Regulations.

18. In any case not in this Warrant expressly provided for, where any Parcel shall be posted or tendered for conveyance by post which in any respect infringes or fails to comply with the regulations in this Warrant contained, or any of them, such Parcel may, at the option of the Postmaster-General, either be dealt with as in this Warrant provided, with reference to Parcels which cannot be delivered, or be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Provision for Safety of Parcels.

19. In any case where any officer of the Post Office may find it necessary or expedient for the safety or protection of Parcels that any Parcel should be forwarded or delivered by some later despatch or delivery than that for which the same was posted or despatched, or intended to be posted or despatched respectively, he may delay the despatch or delivery of such Parcel, or make such other and special arrangements as to the despatch or delivery thereof, not, however, involving a greater delay than 24 hours in the whole, as may be deemed by such officer necessary or expedient in the circumstances of the case.

Parcels not to interfere with Letter Post.

20. Where the despatch or delivery from a Post Office in the United Kingdom of letters would be delayed by the despatch or delivery therefrom at the same time of Parcels, such Parcels, or any of them, may be detained in the Post Office until the despatch or delivery next following that by which they would ordinarily be despatched or delivered.

Postmaster-General not liable for Loss or Damage.

21. Nothing contained in or done under or in pursuance of this Warrant shall render the Postmaster-General liable, either personally or in his official capacity, to any action or other legal proceeding in respect of or in consequence of any loss or damage of any Parcel, whether such loss or damage be occasioned by or arise from any act or neglect of any officer of the Post Office or any other person.

Customs Regulations.
