IN pursuance of the Winter Assizes Acts, 1876 and 1877, Her Majesty is pleased, by and with the advice of Her Most Honourable Privy Council, to order as follows:—

The jurisdiction of the Justices and Judges of the Central Criminal Court at any Session of Oyer and Terminer or Gaol Delivery, held or continued for the Central Criminal Court Dis-

Subject nevertheless to the following modifications and exceptions:—

(1.) Nothing in this Order shall authorize the trial at the Central Criminal Court of any person for any offence triable at Quarter Sessions, except in accordance with the provisions of Sections 18 and 19 of the Central Criminal Court Act, or except such last-mentioned person be also there triable for any offence or offences not triable at Quarter Sessions.

(2.) For the purposes of this Order the said part of the County of Surrey shall be deemed to be included in the Commission in force for the time being for the Central Criminal Court.

(3.) Unless the Central Criminal Court shall otherwise direct, no person shall be summoned or returned from the said part of the County of Surrey to serve on any Grand Jury or Petty Jury at the Central Criminal Court, but any Grand Jury or Petty Jury constituted in accordance with the provisions of the 4th Section of the Central Criminal Court Act, shall have authority to inquire of, present, try, and determine all offences with respect to which jurisdiction is by this Order conferred on the Central Criminal Court.

(4.) Until Her Majesty is pleased, by and with the advice of Her Privy Council, otherwise to order and direct, it shall be lawful for any Justice of the Peace or Coroner having jurisdiction within the said part of the County of Surrey, to commit any person charged with having committed any offence with respect to which jurisdiction is by this Order conferred on the Central Criminal Court, and which has been committed or is alleged to have been committed within the jurisdiction of such Justice or Coroner, either to the Gaol (other than the Gaol of Newgate) to which, but for the said Winter Assizes Acts, 1876 and 1877, and this Order, such person would have been committed, or to Her Majesty's Prison at Holloway, there to remain until he can be tried in pursuance of this Order or in due course of law.

(5.) When in pursuance of this Order any person shall be committed to any Gaol other than Her Majesty's Prison at Holloway, the Sheriff of the County in which the Gaol to which the prisoner is committed is situated, or the Keeper of the same Gaol, shall, six days at least before the next sitting of the Central Criminal Court at which the prisoner can be tried, or at such other time as the Justices or Judges of the said Court, or any two or more of them, shall from time to time direct, cause such person, with his commitment and detainers, to be safely removed from the Gaol to which he was committed, without any Writ of Habeas Corpus or other Writ, to Her Majesty's Prison at Holloway, there to remain until thence delivered by due course of law.

(7.) Where, for the purposes of the trial of any offence, with respect to which Jurisdiction is by this Order conferred upon the Central Criminal Court, recognizances are entered into for attendance at any Court of Oyer and Terminer or General Gaol Delivery for the County of Surrey, such recognizances shall be deemed to have been entered into for attendance at the then next ensuing Session of Oyer and Terminer and Gaol Delivery to be holden for the Central Criminal Court District as enlarged by this Order, in the month of October, November, or December, 1892, or January, 1893, as the case may be, and every person bound by such recognizance shall be bound to appear at such Session or forfeit his recognizance.

(8.) If the Central Criminal Court at its Session last held in the month of January, 1893, cannot finally dispose of or for the purposes of justice is of opinion that it is inexpedient finally to dispose of the case of any prisoner or person committed for trial in the said part of the County of Surrey, then the said Central Criminal Court shall order the removal of such prisoner to the Gaol of the County or place whence he came in order that he may be tried at the then next Assizes, and the Prosecutor and Witnesses in attendance at the said Central Criminal Court shall enter into recognizances for their appearance at the said Assizes, and if an Indictment or Indictments has or have been found against the prisoner, the Clerk of the said Central Criminal Court shall transmit the Indictment or Indictments and the Depositions and all other things relating thereto to the Clerk of Assize at such Assizes, together with a copy of the Order of Court, and such prisoner or person shall be tried upon such Indictment or Indictments as if the same had been found at the said Assizes, and such prisoner may be removed from Her Majesty's Prison at Holloway to the Gaol whence he came without Writ of Habeas Corpus, but with a copy of the said Order of Court, and all such other proceedings shall be had and taken as if the said prisoner or person had not been removed to Her Majesty's Prison at Holloway.

(10.) Except where the context otherwise requires, the terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

(11.) This Order, unless earlier revoked, shall be in force until the close of the Session of the Central Criminal Court last held in the month of January, 1893.

At the Court at *Osborne House, Isle of Wight*, the 5th day of August, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

IN pursuance of the Winter Assizes Acts, 1876 and 1877, Her Majesty is pleased, by and with the advice of Her Most Honourable Privy Council, to order as follows:—

1. The County of Cumberland and the County of Westmoreland shall, for the purpose of the next Winter Assizes, be united together and form one county, under the name of the Winter Assize County, No. 1.

2. The said Winter Assizes for the said Winter Assize County shall be held at Carlisle.

3. The Court at the said Winter Assizes at Carlisle shall have jurisdiction to try any prisoner committed in the said Winter Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Winter Assizes Acts, such prisoner would have been tried.

The provision of Section three of the Spring Assizes Act, 1879, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said section "the Sheriff of the county for which such Assizes were held" shall mean the Sheriff of the county in which the prisoner so sentenced would have been tried, if the Winter Assizes Acts, 1876 and 1877, had not been passed.

4. The Sheriff of the county of Cumberland shall alone act for the purpose of the said Winter Assizes for the said Winter Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Winter Assize County, and precepts and other documents relating to the said Winter Assizes shall be addressed to him alone.

5. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the county of Cumberland, and the Jurors so summoned shall be deemed to be good and lawful men of the body of the several counties constituting the said Winter Assize County, and the Grand and Petty Jury formed out of those Jurors shall be deemed to be a Grand and Petty Jury respectively of the body of the said counties respectively, and shall have jurisdiction accordingly.

6. The precepts of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Winter Assize County who under the provisions of this Order will have to be tried at Carlisle, to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any Writ of Habeas Corpus.

7. In all matters not before specifically mentioned the precepts to the said Sheriff shall direct him to issue, and he shall issue the like notices, precepts, warrants, and documents, and perform the same acts (*mutatis mutandis*) as if he were Sheriff for the whole of the said Winter Assize County, and all Under Sheriffs, Bailiffs, Constables, and Officers in the said Winter Assize County shall obey accordingly.

8. The said Sheriff shall, as to all matters in relation to such Winter Assizes for which no specific provision is made by this Order, have the same power, jurisdiction, and responsibility as if he were Sheriff for the whole of the said Winter Assize County, except that this provision shall not authorize the said Sheriff to carry sentences into

execution outside the County of Cumberland, or to levy outside the said county fines imposed or recognizances estreated at the said Winter Assizes.

9. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for either of the counties comprised in the said Winter Assize County, or to certify, transmit, or deliver to the Court of Assize or the proper officer thereof any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority and be under the same obligation to attend at the said Winter Assizes held for the said Winter Assize County, and to certify, transmit, or deliver to the Court of Assize or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document.

This provision shall not apply to the Sheriff of the County of Westmoreland.

10. In all indictments and presentments at the said Winter Assizes, the venue laid in the margin thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Winter Assize County, No. 1."

11. Any person who, after the date of this Order and before the said Winter Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery to be holden for either of the counties constituting the said Winter Assize County, shall be bound to attend at the said Winter Assizes for the said Winter Assize County.

12. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Carlisle, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Cumberland, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Carlisle.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to Her Majesty's Gaol at Carlisle for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be dis-

charged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial or is bound by any recognizance to appear and answer, in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l.* to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, and this Order; and every such Treasurer or some known agent on his behalf shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1892.

In all cases in which the like recognizances have been entered into in respect of any offence committed in any of the counties constituting the said Winter Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Winter Assizes for the said Winter Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Winter Assizes, or forfeit his recognizance.

13. Ten days before the day fixed for the opening of the Commission at Carmarthen, a list of the prisoners to be removed for trial at the said Winter Assizes for the said Winter Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Carmarthen, and the said Sheriff shall cause to be inserted in one or more newspapers in the Winter Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Carmarthen.

14. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Winter Assizes for the said Winter Assize County shall be in custody, three days before the day upon which the said Winter Assizes for the said Winter Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to Her Majesty's Gaol at Carmarthen for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

15. The Clerk of Assize at the said Winter Assizes for the said Winter Assize County shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Winter Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l*. to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

16. In any case where money is ordered by the Court at the said Winter Assizes for the said Winter Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Winter Assizes Acts, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Winter Assizes during the sitting of the Court to pay all such orders.

17. Where the Court at the said Winter Assizes for the said Winter Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of

such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly without any Writ of Habeas Corpus.

18. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Winter Assizes Acts, 1876 and 1877.

19. This Order, unless earlier revoked, shall be in force during the continuance of the Winter Assizes, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty cap. one hundred and thirteen and of the Act of the seventeenth and eighteenth years of Her Majesty cap. eighty-four duly prepared and laid before Her Majesty in Council a scheme bearing date the second day of June, in the year one thousand eight hundred and ninety-two, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen and of the Act of the seventeenth and eighteenth years of Your Majesty chapter eighty-four have prepared and now humbly lay before Your Majesty in Council the following scheme for apportioning the income of the benefice (being a rectory) of Wallsend in the county of Northumberland and in the diocese of Newcastle between that benefice and a certain other benefice (being a new parish and vicarage) of Saint Luke Wallsend in the same county and diocese.

"Whereas the Bishop of the said diocese of Newcastle is the patron in right of his See of the said benefice of Wallsend and also of the said benefice of Saint Luke Wallsend.

"And whereas it has been made to appear to us that the said benefice of Saint Luke Wallsend is at present insufficiently endowed and that the said benefice of Wallsend has endowments of such an amount as that after the apportionment herein-after recommended and proposed shall have been made out of the same endowments the said benefice of Wallsend will still be sufficiently endowed.

"And whereas the Right Reverend Ernest Roland Bishop of the said diocese of Newcastle is of opinion and we are of opinion that it is desirable that additional provision should be made for the cure of souls within the said new parish of Saint Luke Wallsend by that apportionment of the income of the said benefice of Wallsend which is hereinafter recommended and proposed.

"And whereas the said benefice of Wallsend is now full of a clerk and the rector or incumbent

thereof the Reverend James Henderson Clerk in Holy Orders is willing that the said apportionment shall be made accordingly and has executed this scheme in token of such his willingness.

"And whereas there are held by us the said Ecclesiastical Commissioners in trust for and for the benefit of the Rector or Incumbent of the said benefice of Wallsend and as part of the endowments thereof a sum of nine hundred and six pounds seventeen shillings and five pence Local Loans three pounds per centum stock and also a sum of seven hundred and sixteen pounds ten shillings and three pence two pounds fifteen shillings per centum Consolidated Stock.

"Now therefore with the consent of the Right Honourable and Most Reverend William Dalrymple Archbishop of York acting as Archbishop of the Province within which each of the said two benefices is situate and with the consent of the said Ernest Roland Bishop of the said diocese of Newcastle acting as such Bishop and also as patron in right of his See of each of the said two benefices and with the consent of the said James Henderson acting as Rector or Incumbent as aforesaid of the said benefice of Wallsend in testimony whereof they the said consenting parties have respectively signed and sealed this scheme we the said Ecclesiastical Commissioners humbly recommend and propose that without any conveyance or assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and as from the day on which any such Order of Your Majesty in Council shall be published in the London Gazette the sum of nine hundred and six pounds seventeen shillings and five pence Local Loans three pounds per centum stock aforesaid and also a sum of one hundred and one pounds sixteen shillings and five pence two pounds fifteen shillings per centum Consolidated Stock part of the sum of seven hundred and sixteen pounds ten shillings and three pence two pounds fifteen shillings per centum Consolidated Stock aforesaid shall cease to be so held by us in trust for and for the benefit of the Rector or Incumbent of the said benefice of Wallsend as part of the endowments of the same benefice and shall be held by us in trust for and for the benefit of the Vicar or Incumbent for the time being of the said new parish and vicarage of Saint Luke Wallsend the dividends from time to time accruing on the said sums of stock to be paid to the said Vicar or Incumbent for the time being of the said new parish and vicarage of Saint Luke Wallsend.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or to any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Newcastle.

C. L. Peel.

At the Court at Osborne House, Isle of Wight, the 5th day of August, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-seventh and thirty-eighth years of Her Majesty chapter sixty-three and of the Acts mentioned therein duly prepared and laid before Her Majesty in Council a scheme bearing date the fourteenth day of July, in the year one thousand eight hundred and ninety-two, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England in pursuance of the Act of the thirty-seventh and thirty-eighth years of Your Majesty chapter sixty-three and of the Acts therein mentioned have prepared and now humbly lay before Your Majesty in Council the following scheme

(I) for constituting a new archdeaconry within the diocese of Worcester to be called 'The Archdeaconry of Birmingham' and for endowing the same in manner and to the extent hereinafter-mentioned and (II) for creating one new rural deanery to be called 'The Rural Deanery of Aston-juxta-Birmingham' within the said proposed Archdeaconry of Birmingham and for creating one other new rural deanery to be called 'The Rural Deanery of Bromsgrove' within the said Archdeaconry of Worcester and (III) for altering the names and areas of certain rural deaneries within the two existing Archdeaconries of Worcester and of Coventry both in the said diocese of Worcester and within the said proposed Archdeaconry of Birmingham.

"Whereas the diocese of Worcester has hitherto comprised, and consisted of, two archdeaconries and no more to wit the said Archdeaconry of Worcester and the said Archdeaconry of Coventry.

"And whereas the Right Reverend John James Stewart Bishop of the said diocese of Worcester has proposed to us and has represented that it is in his opinion desirable that a new archdeaconry to be named the Archdeaconry of Birmingham should be constituted within the said diocese of Worcester and should comprise and consist of certain portions of the said two Archdeaconries of Worcester and of Coventry as described in the schedule to this scheme annexed and has also proposed to us the other measures hereinbefore mentioned and hereinafter more particularly recommended and proposed.

"And whereas it appears to us to be expedient that the said proposals of the said Bishop should be carried into effect in manner hereinafter recommended and proposed.

"And whereas it has been made to appear to us that the average net annual income of the said proposed Archdeaconry of Birmingham from fees, dues, and emoluments will be about twenty-eight pounds per annum.

"Now therefore with the consent of the said John James Stewart Bishop of the said diocese of Worcester in testimony of which consent he hath set his hand and his episcopal seal to this scheme we the said Ecclesiastical Commissioners for England humbly recommend and propose as follows, that is to say:—

"Firstly, As to the constitution and endowment of the said proposed Archdeaconry of Birmingham we recommend and propose that upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette and without any assurance in the law other than such duly gazetted Order there shall be created within the said diocese of Worcester one new archdeaconry to be named 'The Archdeaconry of Birmingham' to comprise and consist of those rural deaneries (including the area of the said proposed new rural deanery of Aston-juxta-Birmingham hereinafter recommended to be created) which are now portions of the said two archdeaconries of Worcester and of Coventry and the names of which rural deaneries are set forth in numbered order under the name of the Archdeaconry of Birmingham in the said schedule to this scheme annexed.

"And we further recommend and propose that the rural deans and other the clergy and inhabitants of the said Archdeaconry of Birmingham shall be under and subject to the archidiaconal jurisdiction authority and control of the Archdeacon of Birmingham for the time being and that the said Archdeacon of Birmingham shall

have and exercise all the rights powers and duties of an archdeacon within the limits of his archdeaconry.

"And we further recommend and propose that we be authorized to pay yearly and every year out of the common fund created by the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen to the Archdeacon of the said Archdeaconry of Birmingham hereinbefore recommended and proposed to be created and to his successors in the same archdeaconry the sum of one hundred and seventy-two pounds per annum such yearly payment to be made upon the first day of January in every year in respect of the twelve calendar months ended that day provided always that the first payment so to be made by us as aforesaid shall be proportional to the period which shall have elapsed between the date of the institution of the first Archdeacon of the said Archdeaconry of Birmingham and the first day of January next following the date of such institution and that every such yearly payment as aforesaid shall be apportionable between the Archdeacon (or as the case may be the representatives of an Archdeacon) who has resigned or otherwise avoided the said Archdeaconry of Birmingham on any day other than the first day of January in any year and the Archdeacon who shall next thereafter be instituted to the same Archdeaconry and that every such yearly payment shall be made by us only after we shall have been satisfied that the Archdeacon on whose behalf application for such payment is made has during the previous year complied with the conditions as to residence which at the date of such application are required by law.

"And secondly as to the creation of new rural deaneries we recommend and propose that upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette a new rural deanery to be called as aforesaid the Rural Deanery of Aston-juxta-Birmingham shall be created within the area which by the said schedule to this scheme is proposed to be assigned to the said proposed Archdeaconry of Birmingham and shall comprise and consist of the aggregate area of all the parishes or other cures set down in numbered order under the name of the said proposed new Rural Deanery of Aston-juxta-Birmingham in the said schedule to this scheme; and that another new rural deanery to be called 'The Rural Deanery of Bromsgrove' shall as from the day last aforesaid be created within the limits of the said Archdeaconry of Worcester and shall comprise and consist of the aggregate area of all the parishes, cures, or churches, which are set down in numbered order under the name of 'The Rural Deanery of Bromsgrove' in the schedule hereunto annexed as aforesaid.

"And thirdly as to the alterations of name and area of existing rural deaneries we recommend and propose that there shall be hereby made and take effect forthwith all those alterations of name and area in regard to rural deaneries which appear and are indicated under the names of the several archdeaconries of the said diocese of Worcester as are set forth in the said schedule appended to this scheme.

"And we further recommend and propose that nothing herein contained shall prevent us from hereafter recommending and proposing any other matter or thing relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or any of them or of any other Act of Parliament."

AT the Court at *Osborne House, Isle of Wight*, the 5th day of *August*, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven; of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five; and of the Act of the thirty-fourth and thirty-fifth years of Her Majesty, chapter eighty-two; duly prepared and laid before Her Majesty in Council a representation, bearing date the thirtieth day of June, in the year one thousand eight hundred and ninety-two, in the words following; that is to say:—

“We the Ecclesiastical Commissioners for England in pursuance of the Act of the eighth and ninth years of Your Majesty, chapter seventy, of the Act of the fourteenth and fifteenth years of Your Majesty chapter ninety-seven, of the Act of the nineteenth and twentieth years of Your Majesty, chapter fifty-five, and of the Act of the thirty-fourth and thirty-fifth years of Your Majesty, chapter eighty-two, have prepared and now humbly lay before Your Majesty in Council the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Augustine, Newcastle-upon-Tyne, situate at North Elswick in the new parish (sometime District Chapelry) of Saint James Benwell the same new parish being partly in the county of the city of Newcastle-upon-Tyne and partly in the county of Northumberland and wholly in the diocese of Newcastle.

“Whereas at certain extremities of the said new parish of Saint James, Benwell, and of the new parish (sometime district) of Saint Philip High Elswick, in the city and diocese aforesaid, which said extremities lie contiguous one to another, and are described in the schedule hereunder written, there is collected together a population which is situate at a distance from the several churches of such new parishes respectively.

“And whereas it appears to us to be expedient that certain contiguous portions (being the portions containing the population aforesaid) of the said new parish of Saint James, Benwell, and of the said new parish of Saint Philip, High Elswick, should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint Augustine, Newcastle-upon-Tyne, situate as aforesaid.

“Now therefore with the consent of the Right Reverend Ernest Roland Bishop of the said diocese of Newcastle as such Bishop and also as the patron, in right of his See of the vicarage of the said new parish of Saint James Benwell, and also as the alternate patron, likewise in right of his See, of the vicarage of the said new parish of Saint Philip, High Elswick and with the consent of the Right Honourable Arthur James Balfour, the First Lord of Your Majesty's Treasury as the other alternate patron on behalf of the Crown of the last-mentioned vicarage (in testimony whereof they the said consenting parties have respectively signed and sealed this representation) we, the said Ecclesiastical Commissioners for England, humbly represent that it would in our opinion be expedient that all those contiguous portions of the said new parish of Saint James Benwell, and of the said new parish of Saint Philip, High Elswick which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, should be united and formed into one consolidated chapelry for the said church of Saint Augustine, Newcastle-upon-Tyne, situate at High Elswick as aforesaid, and that the same should be named ‘The Consolidated Chapelry of Saint Augustine, Newcastle-upon-Tyne.’

“We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to make such Order in respect thereto as to Your Majesty in Your Royal wisdom shall seem meet.

“The SCHEDULE to which the foregoing Representation has reference.

“The Consolidated Chapelry of Saint Augustine Newcastle-upon-Tyne comprising:—

“All those two contiguous portions of the new

parish (sometime district chapelry) of Saint James, Benwell situate partly in the county of the city of Newcastle-upon-Tyne and partly in the county of Northumberland, and wholly in the diocese of Newcastle and of the new parish (sometime district) of Saint Philip High Elswick in the city and diocese aforesaid which said portions are comprised within and are bounded by an imaginary line commencing upon the boundary which divides the new parish of Saint Paul, High Elswick in the said city and in the diocese aforesaid from the new parish of Saint Philip High Elswick aforesaid at a point at the junction of Westgate-road with Beaconsfield-street and extending thence northward along the middle of the said street for a distance of thirty-one chains and three-quarters or thereabouts to its junction with the road called or known as Walter-terrace and continuing thence in precisely the same direction and in a straight line across the last-named road to the boundary which divides the said new parish of Saint Philip High Elswick from the parish or parochial chapelry of Saint Andrew Newcastle-upon-Tyne situate partly in the said county of the city of Newcastle-upon-Tyne and partly in the county of Northumberland aforesaid and wholly in the diocese aforesaid and extending thence north - westward along the last - mentioned boundary for a distance of eleven chains or thereabouts (thereby passing along the southern boundary of Nun's Moor and following in part the northern side of the road called or known as Walter-terrace as aforesaid and in another part the northern side of the road called or known as Studley-terrace) to a point at the junction of the last-mentioned road with Dilston-road where the said last-mentioned boundary meets the boundary dividing the said parish or parochial chapelry of Saint Andrew Newcastle-upon-Tyne from the new parish of Saint James Benwell aforesaid and continuing thence still north-westward along the last-mentioned boundary for a distance of twenty-nine and a half chains or thereabouts (thereby continuing to pass along the southern boundary of Nun's Moor aforesaid and continuing to follow in one part the said northern side of the said road called or known as Studley-terrace and in another part passing along the northern side of Saint Nicholas Cemetery and in another part following the boundary which divides the said county of the city of Newcastle-upon-Tyne from the county of Northumberland aforesaid) to the point about twenty-six chains to the south-east of Fenham Hall, where the said county boundary bends towards the south and leaves the said boundary dividing the said parish or parochial chapelry of Saint Andrew Newcastle-upon-Tyne from the new parish of Saint James, Benwell aforesaid, and extending thence south - westward along the said county boundary for a distance of thirty - one chains or thereabouts (thereby passing a little to the west of North Elswick Hall) to a point in the middle of Westgate-road aforesaid and extending thence south-eastward along the middle of the last-named road for a distance of thirty-three and a half chains or thereabouts to the point at or near to its junction with Dilston-road aforesaid upon the boundary which divides the said new parish of Saint James Benwell from the new parish of Saint Philip High Elswick aforesaid and extending thence still south-eastward along the last-mentioned boundary for a distance of two and a half chains or thereabouts (thereby continuing to follow the middle of Westgate-road aforesaid) to the point at the junction of the same road with Mill-lane where the said last-

mentioned boundary joins the boundary which divides the said new parish of Saint Philip, High Elswick from the new parish of Saint Paul High Elswick aforesaid and extending thence still south-eastward along the last-mentioned boundary for a further distance of ten and a quarter chains or thereabouts (thereby continuing to follow the middle of Westgate-road aforesaid) to the first-mentioned point at the junction of the same road with Beaconsfield-street at which point the said imaginary line commenced."

And whereas the said representation has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Newcastle.

C. L. Peel.

AT the Court at *Osborne House, Isle of Wight*, the 5th day of *August*, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifty-ninth year of His Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of Her Majesty, chapter forty-nine; of the Act of the third and fourth years of Her Majesty chapter sixty and of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five, duly prepared and laid before Her Majesty in Council a Representation, bearing date the fourteenth day of July, in the year one thousand eight hundred and ninety-two, in the words and figures following, that is to say;

"Now therefore, with the consent of the Right Honourable and Right Reverend Frederick Bishop of the said diocese of London (testified by his having signed and sealed this representation), we, the said Ecclesiastical Commissioners, humbly represent, that it would, in our opinion, be expedient that all that part of the said new parish of All Saints Child's Hill Hendon which is described in the Schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed, should be assigned as a district

chapelry to the said church of Saint Peter situate as aforesaid, and that the same should be named 'The District Chapelry of Saint Peter, Cricklewood.'

"And with the like consent of the said Frederick, Bishop of the said diocese of London (testified as aforesaid), we, the said Ecclesiastical Commissioners, further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials should be solemnized or performed at the said church of Saint Peter situate as aforesaid, and that the fees to be received in respect of the publication of such banns and of the solemnization or performance of the said offices should be paid and belong to the minister of the same church for the time being: Provided always, that nothing herein contained shall be construed as expressing any intention on the part of us the said Commissioners to concur in or approve the taking of any fee for the performance of the said office of baptism or for the registration thereof.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration and to make such Order with respect thereto as to Your Majesty, in Your Royal wisdom, shall seem meet,

"The SCHEDULE to which the foregoing Representation has reference.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth chapter seventy-seven and of the Act of the fifth year of Her Majesty (session 2) chapter twenty-six duly prepared and laid before Her Majesty in Council a scheme bearing date the twenty-eighth day of July, in the year one thousand eight hundred and ninety-two, in the words and figures following, that is to say:—

"We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth chapter seventy-seven and of the Act

of the fifth year of Your Majesty (session 2) chapter twenty-six have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing certain alterations and improvements at the archiepiscopal residence belonging to the See of York which is situate at Bishopthorpe in the county of York.

"Whereas under the provisions of an Order of Your Majesty in Council bearing date the twenty-seventh day of July in the year one thousand eight hundred and sixty-three and published in the London Gazette on the following day a sum of two thousand pounds was advanced by the Governors of the Bounty of Queen Anne upon a mortgage of the lands tenements and hereditaments of or belonging to the Archbishoprick of York for the purpose of defraying the cost of certain alterations and improvements at the aforesaid archiepiscopal residence belonging to the See of York.

"And whereas the Right Honourable and Most Reverend William Dalrymple now Archbishop of York is desirous that certain further permanent alterations and improvements should be made at the said archiepiscopal residence at Bishopthorpe and has submitted to us the particulars of such proposed alterations and improvements and we have approved the same.

"And whereas the said Archbishop is also desirous and it appears to us to be expedient that towards the cost of effecting the lastly-mentioned alterations and improvements a further sum of one thousand and five hundred pounds (being a sum which does not exceed two years' income of the see) should be provided by borrowing the same by way of a further mortgage upon the security of all and every part of the lands tenements and hereditaments or endowments which now belong or may hereafter belong to the said Archbishoprick of York.

"Now therefore with the consent of the said William Dalrymple Archbishop of York (testified by his having affixed his signature and archiepiscopal seal to this scheme) we the said Ecclesiastical Commissioners for England humbly recommend and propose that the said Archbishop be authorized to borrow from the said Governors of the Bounty of Queen Anne and that the said Governors be empowered to lend under the provisions of the above-mentioned Acts any sum not exceeding one thousand and five hundred pounds and that as a security for the same the said Archbishop do mortgage all and every part of the lands tenements and hereditaments or endowments which now belong or may hereafter belong to his said see to the said Governors by deed for the term of twenty-five years or until the said sum of one thousand and five hundred pounds with the interest for the same as hereinafter mentioned and all costs and charges which may attend the recovery thereof shall be fully paid and satisfied and that such principal sum shall be repaid with interest in manner following that is to say during and in respect of the first period of twelve months of the said term computed from the day of the date of the mortgage no part of the said principal sum shall be repayable but the said Archbishop or his successors shall yearly at the end of the second period of twelve months so computed and at the end of every such like period of twelve months thereafter pay to the said Governors their successors or assigns one-twentieth part of the said principal sum of one thousand and five hundred pounds until the whole thereof shall be repaid and shall also at the end of the first and each succeeding period of twelve months computed as aforesaid pay interest at the rate of four

pounds per cent. per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid and if and when it shall happen that either the principal or interest directed to be paid as hereinbefore mentioned shall be in arrear and unpaid for the space of forty days after the same shall have become due, it shall and may be lawful for the said Governors their successors and assigns to recover the same and the costs and charges attending the recovery thereof by distress and sale in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale. And that such mortgage deed shall be in the form and to the effect to be approved by us and shall bind as well the said William Dalrymple now Archbishop of York as every succeeding Archbishop of York until the principal money and interest costs and charges shall have been paid off and discharged.

"And we further recommend and propose that the said sum of one thousand and five hundred pounds shall be paid to us the said Ecclesiastical Commissioners and that the receipt of our Joint Treasurers for the time being endorsed on the said mortgage deed shall be a good and sufficient discharge to the said Governors and their successors for the same, who shall not be bound or required to see to the application thereof and that upon the receipt of the said sum of one thousand and five hundred pounds the whole or any part or parts thereof shall be applied by us at such times and in such manner as shall appear to us to be expedient towards effecting the said proposed alterations and improvements at the archiepiscopal residence at Bishopthorpe aforesaid.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in conformity with the provisions of the herein-named Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act: and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of York.

The QUEEN's Most Excellent Majesty in Council

WHEREAS by an Act passed in the session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," it is enacted that, in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or

within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances may require; provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered; provided also, that no such representation shall be made in relation to the burial-ground of any parish until ten days' previous notice of the intention to make such representation shall have been given to the Incumbent and Vestry Clerk or Churchwardens of such parish:

And whereas the Right Honourable Henry Matthews, one of Her Majesty's Principal Secretaries of State, after giving to the Incumbent and the Churchwardens of the parish hereinafter mentioned ten days' previous notice of his intention to make such representation, has made a representation stating that he is of opinion that the Order of Her Majesty in Council of the tenth day of May, one thousand eight hundred and seventy-two, in so far as it affects burials in the parish of Hornsey, in the county of Middlesex, should be varied by substituting the following directions for those contained in the said Order in regard to burials in the church and churchyard of that parish, viz.:—

That burials be discontinued forthwith and entirely in the parish church and churchyard of Hornsey, in the county of Middlesex.

Now, therefore, Her Majesty in Council is pleased hereby to give notice of such representation, and to order that the same be taken into consideration by a Committee of the Lords of Her Majesty's Most Honourable Privy Council on the 26th day of September next.

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette, and that copies thereof be affixed on the doors of the churches or chapels of,

or on some conspicuous places within, the parish affected by such representation, one month before the said 26th day of September.

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated 2nd August, 1892, from Her Majesty's Representative at Vienna enclosing the following Circular issued by the Austro-Hungarian Maritime Board:—

Translation of Circular No. 7032.

OFFICIAL news having proved the outbreak of cholera in the Lazzaretto of Platana, near Trebizond, vessels coming from Turkish ports of the Black Sea, from the Russian frontier to the Cape of Teros Burun, will be subjected on arrival to a quarantine observation of seven days. Wearing apparel will be disinfected according to the prescribed methods. These measures are for ships arriving in good health and having had a good passage. In the contrary case the treatment will be decided on by the I.R. Marine Board.

Arrivals from other Turkish ports of the Black Sea will have to undergo a strict medical visit as ordered by Circular No. 5936 of 1st July.

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated 3rd August, 1892, from Her Majesty's Representative at Berlin, enclosing a

Despatch from Her Majesty's Vice-Consul at Königsberg, stating that the Local Government has prohibited the import and transit of used clothing, rags, fresh fruit and vegetables, butter and cheese coming from Russia, with the exception of wearing apparel and linen of travellers, in order to prevent the advancing of the cholera over the frontier.

Barracks are built at the Russian frontier at Eydtkuhnen for admitting travellers found infected with cholera, also arrangements are made at the principal junctions near the frontier to separate travellers arriving from Russia from the others.

The Royal Government at Gumbinnen has, owing to the before-mentioned prohibition, also ordered that the wearing apparel and linen of travellers arriving from Russia have to be disinfected; further, that straw, hay, and other material which has been used for packing goods arriving from Russia, especially of eggs, has to be destroyed by fire.

1. All vessels arriving in any port or part of Cyprus, except the Port of Larnaca, from any part of the coast of Syria between the Ports of Beyrout and Jaffa, exclusive of both ports, unless they have both undergone quarantine of not less than ten clear days at an intermediate port and are provided with a clean bill of health, shall be repelled.

*Board of Trade (Harbour Department),
London, August 10, 1892.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated 4th August, 1892, from Her Majesty's Representative at Fiume, enclosing a Circular issued by the Hungarian Maritime Board, on the 30th July, 1892, stating that seven days' quarantine is imposed on all vessels from the Asiatic Coast of the Black Sea, from the Russian frontier to Cape Jeros Burun (both inclusive).

The above regulation will be enforced in case of vessels arriving in a perfect normal sanitary condition. The proceeding in any other case will be specially ordered by the Maritime Government of Fiume, to whom the cases are to be referred in the quickest possible manner.

(H. 5932.)

*Board of Trade (Harbour Department),
London, August 11, 1892.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated 2nd August, 1892, from the Austro-Hungarian Ambassador in London, enclosing the following résumé of the measures taken or to be taken by the Hungarian Government, in view of the danger of cholera:—

RÉSUMÉ of the measures already taken and to be taken by the Hungarian Government with regard to the threatened danger of cholera.

The Hungarian Ministry of Trade issues, in addition to the medical order for careful observation issued to the Austrian as well as to the Hungarian Marine officials, and the prohibition of the importation and transit of rags, which was also issued by agreement with the Austrian Ministry, by an Order of the 4th of last July, No. 44091, rules for the conduct of navigation, in consequence of which the respective Companies, besides being required to observe strict cleanliness, are instructed at the end of each voyage to see that the furniture of the ship, the beds, &c., are cleansed and aired, the floors and the walls washed, the water emptied out of the boiler, and the boiler hold aired.

The closets used on ships and in stations by the public are to be daily scoured with hot brine, and places used by labourers and the crew are to be disinfected with a mixture consisting of carbolic acid and 2 per cent. solution of sulphate of iron.

At Orsova, Bazias, and Semlin, the condition

of travellers is to be observed with peculiar care, for which purpose the physicians of the station are desired to make frequent visits to arriving ships.

Special attention is to be devoted to the cleanliness and disinfection of ships engaged in the Oriental trade, and much care must be taken to see that the medicine chests of these ships are kept properly fitted out with remedies.

A similar Order, No. 45711, was issued by this Ministry on the 11th July of last year to all the railways employing steam power, and in both cases the heads of the respective institutions along the line are held responsible for the exact carrying out of the directions.

The two very important Orders issued by the Hungarian Ministry of the Interior, the one No. 50092, regarding strict injunctions for cleanliness, general avoidance of dirt in air, ground, and water, and the other No. 53061, regarding precautions against cholera in particular, are appended in German translation.

As regards the taking of further measures in urgent cases, it will be desirable if cholera should make its appearance in any of the immediately adjacent countries, to be ready to prohibit every species of trade by railways or ships from those countries, and in the meantime to examine with the utmost strictness all parcels and packages of goods by means of which cholera might possibly be introduced.

CIRCULAR to all the Municipalities.

Although the genuine interest of the municipalities in the maintenance of public health is well known to me, as well as their zeal and energy in this matter, and although I am fully persuaded that the municipalities are alive to the importance of all the orders and regulations dealing with public cleanliness and are duly careful to carry them out, yet in view of the extraordinarily wide range and special importance of the question of public health, and of the fact that the preservation of public health can only be attained by carrying out the official protective measures with scrupulous exactitude and complete surety as in other years, so now, as the hot weather sets in, I call the attention of the municipalities once more to the Ordinances of the year 1890, No. 42341, and of the year 1889, No. 50361.

I therefore urge the municipality to take every day energetic measures to preserve the air and the ground from all impurity, to obtain good water in sufficient quantities, to cleanse the walls, to carry out strictly the sanitary police inspection with regard to the necessities of life, and to the constant cleanliness of slaughterhouses, inns, public buildings, and their courtyards, to execute with careful attention the deer laws, and to see that places which are defiled are properly and promptly disinfected. As the preservation of health is mainly secured by a full circulation of good fresh air, the municipality must be careful to see that the dwelling-rooms are never overstocked, are aired as often as possible, and are regularly kept clean.

But what the municipality must, above all, attend to is that the inhabitants of villages, as I have already ordered in my Circular of the year 1891, No. 34983 should frequently whitewash all over the walls of their dwelling rooms, should from time to time dig up the ground-floor of their cottages, and should not fill up the space so exposed with earth from the courtyard, which is often infected, but with fresh earth, sand, or clay brought from some distant place, especially from the mountains.

Buda Pest, July 1, 1892.

COUNT SZAPÁRY.

No. 53061.—VI S.

CIRCULAR to all the Municipalities.

As in certain places in the Russian Empire, namely in Baku, Tiflis, and Astrachan, the Asiatic cholera has broken out with great severity, although there is little or no danger at present that this disease will present itself in Hungary, it is necessary for purposes of safety to take all measures in good time, so as to prevent, as far as possible, the advent of such a calamity.

For this reason I order, in continuation of and in connection with the measures which I have already recommended for the preservation of general public cleanliness, in my Circular of the 1st of July last year, No. 50092, what follows:—

All those travellers who arrive directly from the east or from the north-east portions of Russia, shall be kept under medical inspection for at least five days, long enough, that is, for the first symptoms of any choleraic disorder to make themselves evident, and that not only in hotels, pensions, inns, and the offices where mechanics are in the habit of lodging, but wherever these travellers stop first, and even in private houses. The conditions of health of these persons are to be carefully watched, and if doubtful symptoms make their appearance, they must be submitted to the proper curative treatment, and their property, if necessary, subjected to a thorough disinfection.

The carrying out of the inspection shall be performed in the same ways as were adopted when the cholera broke out in France, and as were described in a Circular issued from this office on the 16th day of November, 1884, No. 62832.

It will be understood as a matter of course that the main duty of the authorities is to keep a watchful eye on the sanitary condition of the population, and for this purpose they must report to me instantly and fully when the first case of cholera nostras occurs in this country, basing their report on the regulations which have already been issued. Care must be taken that the invalids receive all due medical care and nursing without delay. In order to secure this, care must also be taken to see that there is never a lack of medical men in readiness, and for this purpose I desire the municipalities to take particular care that the vacancies in the communal, county, and district medical posts are filled up with as little delay as possible, so that the inhabitants may not be left without support and protection in case of any danger which may present itself.

Further, the municipalities must take care that there shall be no hindrance in obtaining the supply of disinfecting materials, and in sufficient quantities. In this respect the municipalities must refer to what my predecessor ordered in his Circular of the 1st of August, 1884, No. 42389, with regard to the provision of disinfecting materials, and must act in accordance with it.

One of the most prominent and important portions of the regulations referring to the measures taken to guard against cholera, is that which directs that those parishes in which no separate hospitals exist, must apply other places to the use of the sick, so arranged that cholera patients, especially in the earliest cases, may be isolated and nursed as properly as possible.

Besides this, all those parishes in which a railway station exists and where a physician resides are obliged to undertake the care of any travellers who during their journey are taken ill with cholera on the train and cannot be conveyed any further. In this connection I draw the attention of the municipalities to the instructions contained

in the Circular of the 15th of July, 1884, No. 38402, desiring them to follow these instructions and to punctually carry out the directions contained in them, taking care that the danger is not increased by any want of knowledge of the manner in which it should be met.

As during the time that the epidemic lasts, especially at the first appearance of the cholera, ice is very necessary, I give orders that where the parish possesses a store of ice the greatest care should be taken in preserving it in case of emergency.

Care that good drinking water should be supplied in due quantities was already enjoined by my Circular of the 1st of July of last year, No. 50092; but as abundance of good drinking water at any time, but especially when an epidemic is raging, is one of the first essentials of public health, I consider it right once more to urge the municipalities to do their best to see that the regulations concerning this matter contained in the Circular of the 11th of July, 1884, No. 40182, are carried out to the full, all the more because that Circular was drawn up in presence of the imminent danger of cholera.

As moreover it must be a matter of peculiar solicitude that in the improbable event that cholera shall break out in this country, sufficient medical help should be instantly available, I call upon the municipalities to see that a list of all the medical men who would be liable to be called upon to assist in such a contingency shall be drawn up. These medical men must be kept sight of by the municipalities, and a list of them forwarded to me.

I further recommend the municipalities to make it the duty of the superior county physicians to travel over the whole territory placed by the municipality under their personal responsibility, and to obtain proof that the proper measures are being taken; and moreover to initiate such further measures as are necessary, and to furnish to the authorities a true and exhaustive report of any deficiencies which may come under their notice. In case of need, this report should even be sent in to the Supreme Court.

While I give notice of the above to the municipalities, I expect them within the sphere of their responsibilities to give the fullest attention to the energetic and precise execution of all other protective measures, which may prove necessary for the prevention of the spread of the epidemic or the subduing of it, and in all that they do to be as active and strict as possible.

I await from the municipalities the exhaustive report of the results of the steps taken since the 15th of August last year, and in order to ensure the carrying out of this order I reserve the right of proving whether this has been done by sending a sanitary inspector or by convincing myself of the facts in some other way.

*Board of Trade (Harbour Department),

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of the following Circular issued by the Austro-Hungarian Maritime Board at Trieste:—
CIRCULAR from the Maritime Government to all Harbour Officials and Functionaries, and their Dependents.

By an Order of the Minister of Trade, sent by telegraphic Despatch on the 29th July, No. 36980, the Maritime Government decrees:—

The breaking out of cholera in the lazaretto of Platana, near Trebizonde, having been ascertained by official notices, vessels arriving from the Turkish ports of the Black Sea from the Russian frontier to Cape Teras-Burun will be subjected to a reserve of observation of seven days.

The dirty clothes of the persons on board will be disinfected in the mode prescribed.

This treatment will be undergone if the ships have had a clean voyage and arrive in perfectly normal conditions, whereas, if this is not the case, ulterior treatment will be ordered by the Maritime Government, in such a way as to deal most promptly and effectually with the emergency.

With regard to ships coming from other Turkish ports of the Black Sea the strict medical visit ordered by the Circular of the Government, 1st of July, No. 5936, will remain rigorously in force.
