Par décision du Conseil Supérieur de Santé, l'importation, dans l'Empire Ottoman, des peaux et autres débris d'animaux, est soumise aux dispositions suivantes.

4°. Les peaux et autres débris d'animaux, provenant de pays où regne le choléra, la peste ou la fièvre jaune, seront repoussés de tous les ports de l'Empire.

5°. Seront également repoussés, quelle que soit leur provenance, les peaux et autres débris d'animaux en état de fermentation putride, constaté par procès-verbal.

La présente circulaire annule les précédentes.
