And whereas the Right Reverend John Wogan,

Lord Bishop of Saint Albans, hath, pursuant to the enactment aforesaid, represented in a writing dated the first day of November one thousand eight hundred and ninety-two, to the Right Honourable and Most Reverend Edward White, Lord Archbishop of Canterbury, as follows:—

"I John Wogan by Divine Permission Bishop of Saint Albans do in pursuance of the twenty-sixth section of the Act of Parliament of the first and second years of the reign of Her present Majesty cap. one hundred and six hereby represent to Your Grace that there is in the county of Essex and my diocese of Saint Albans the vicarage of Broomfield the parish whereof contains according to the Census of one thousand eight hundred and ninety-one a population of eight hundred and ninety-eight.

"In the same county and diocese is the rectory of Chelmsford the principal part of the ecclesiastical parish whereof lies adjoining to the parish of Broomfield aforesaid the said parish contains according to the Census of one thousand eight hundred and ninety-one a population of five thousand five hundred and seventy-five.

"That the incumbent of the benefice of Broomfield shall have the sole and exclusive cure of souls within the said district.

"That the parishioners of such district shall be exonerated from all liability to repair the parish church of Chelmsford but shall be liable to the repairs of the parish church of Broomfield.

"*J. W. Alban.*

"*William Trimmer.*

"*H. Frank Johnson.*"

And whereas the said scheme hath been transmitted by the said Bishop to the said Archbishop for his consideration:

And whereas the said Archbishop, being satisfied with the said scheme, hath certified the same and the consents aforesaid to Her Majesty in Council, by his report dated the twenty-third day of December one thousand eight hundred and ninety-two, which said report is in the words and figures following:—

"To the QUEEN'S Most Excellent Majesty in Council.

Herbert M. Suft.

At the Court at *Osborne House, Isle of Wight* the 30th day of *January*, 1893.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

“either be constituted a separate benefice by itself or be united to any other parish to which it may be more conveniently annexed, or to any other adjoining tithing, hamlet, chapelry, place, or district, parochial or extra-parochial, so as to form a separate parish or benefice, or that any extra-parochial place may with advantage be annexed to any parish to which it is contiguous or be constituted a separate parish for ecclesiastical purposes: and the said Archbishop or Bishop shall draw up a scheme in writing (the scheme of such Bishop to be transmitted to the said Archbishop for his consideration) describing the mode in which it appears to him that the alteration may best be effected, and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent-charges, and other ecclesiastical dues, rates, and payments, and in respect to patronage and rights to pews, may be made with justice to all parties interested: and if the patron or patrons of the benefice or benefices to be affected by such alteration shall consent in writing under his or their hands to such scheme, or to such modification thereof as the said Archbishop may approve, and the said Archbishop shall, on full consideration and inquiry, be satisfied with any such scheme or modification thereof, and shall certify the same and such consent as aforesaid, by his report to Her Majesty in Council, it shall be lawful for Her Majesty in Council to make an Order for carrying such scheme, or modification thereof, as the case may be, into effect.”

And whereas the Right Reverend John James Stewart, Lord Bishop of Worcester, hath, pursuant to the enactment aforesaid, represented in a writing dated the twenty-ninth day of January, one thousand eight hundred and ninety-two, to the Right Honourable and Most Reverend Edward White, Lord Archbishop of Canterbury, as follows:—

“That pursuant to the directions of the twenty-sixth section of the said first-mentioned Act of Parliament I have drawn up in writing a scheme appended to this representation describing the manner in which it appears to me that the alteration above proposed may be best effected and how the changes consequent on such alteration may be made with justice to all parties interested, and I submit the same to Your Grace together with the consents in writing of the patrons and incumbents of the benefices of the said parishes to the intent that Your Grace may if you shall be satisfied with the said scheme, certify the same and such consents to Her Majesty in Council.

THE Japanese Government has given notice, dated 17th November, 1892, that the Commander of H.I.J.M.S. "Tenriu" has reported the existence of a rock, which dries two or three feet at low water, lying in the approach to Chemulpho, with the centre of the small rock (dries five feet) eastward of Warren Islet bearing E.N.E., and the east extreme of Warren Islet N.N.W. $\frac{1}{2}$ W., distant $2\frac{1}{2}$ cables. This rock was seen from the vessel when passing it, but the locality has not been examined.

Approximate position, lat. $37^{\circ} 8' 50''$ N., long. $126^{\circ} 21' E.$

INFORMATION has been received from Her Britannic Majesty's Acting Consul at Labuan, that on 18th October, 1892, a fixed white beacon light was exhibited on Brooketon Hill, near Pisang Hill, west side of approach to Bruni River. The distance that this light is visible in clear weather is doubtful. It is situated $2\frac{3}{8}$ miles S. $\frac{1}{2}$ E. from Pelong Rocks.

Approximate position, lat. $5^{\circ} 2' N.$, long. $115^{\circ} 3' E.$

A similar light is said to exist on Barram Point, of which no definite information has been received.

Novorossisk Bay—Harbour Lights.

THE Russian Government has given notice, dated 23rd December, 1892, that during the winter months, two harbour lights, as undermentioned, are exhibited in the upper part of Novorossisk (Soujak) Bay:—

1. A fixed red light on the East Mole, about 23 yards from the extremity above water, and 230 yards from the end of the submerged portion. The light, elevated 20 feet above the sea, is visible through an arc of 260° , or from the bearing of N. 70° W., through north, to S. 10° W. The depth over the submerged portion of the Mole is 23 feet.

2. A fixed red light on the West or South Mole near the town, about 16 yards from the extremity above water, and 230 yards from the end of the submerged portion. The light, elevated 21 feet above the sea, is visible through an arc of 260° , or from the bearing of N. 10° E., through west, to S. 70° E. The depth over the submerged portion of the Mole is 23 feet.

NOTE.—A red buoy is moored off each mole head, at the distance of about 160 yards from the extremity above water.

Banks in the Approach to Halifax.

INFORMATION has been received from the Naval Commander-in-Chief on the North America and West Indies Station, that Her Majesty's ship "Emerald," when approaching Halifax from the southward, obtained soundings which tended to show either that Le Have Bank was eastward of its charted position, or that there was another bank of similar character in the vicinity.

Also, that it has now been ascertained, from soundings recently taken in several of Her Majesty's ships, that:—

1. Le Have Bank is correctly placed on the Admiralty Charts.

2. A bank (Emerald Bank) with less than 50 fathoms water on it, lies with its western edge in approximately lat. $43^{\circ} 16'$ to $43^{\circ} 21' N.$, long. $62^{\circ} 55' W.$ This is possibly an extension of Sable

Island Bank, and might be mistaken for Le Have Bank in thick weather.

NOTE.—The following caution has been placed on the Admiralty Charts. The bottom in the approach to Halifax is very uneven, and soundings have not yet been obtained in sufficient detail to justify much confidence being placed in a position assumed from depths alone.

This Notice affects the following Admiralty Charts:—North Atlantic Ocean, Nos. 2059, 2060*b*; St. John's to Halifax, No. 2666; Halifax to the Delaware, No. 2670. Also, Sailing Directions for the S.E. Coast of Nova Scotia and Bay of Fundy, 1885, pages 5, 17, 93.

Decreased Depth Westward of Avocet Rock.

THE French Government has given notice, dated 30th December, 1892, that the Commander of the Messageries Maritimes steamship "Yarra," reports having obtained a sounding of 18 fathoms, near the track usually followed north-west of Jebel Zukur Island, lying with Avocet Rock bearing N. 77° E., distant $7\frac{1}{2}$ miles.

The nearest sounding to this position obtained in 1887 was 59 fathoms, about one mile distant.

Position, to be considered doubtful, lat. $14^{\circ} 19\frac{1}{2}'$ N., long. $42^{\circ} 34\frac{1}{2}'$ E.

[Variation 4° Westerly in 1893.]

This Notice affects the following Admiralty Charts:—Red Sea, 2523, 8*e*; Jebel Teir to Perim Island, No. 143. Also, Red Sea and Gulf of Aden Pilot, 1892, page 80.

Britto Bank—Disappearance of N.W. Whistle Buoy.

WITH reference to Notice to Mariners, No. 336, of 1892:—

The French Government has given notice, dated 10th January, 1893, that the automatic whistle buoy (black and white vertical stripes) previously moored on the north-west side of Britto Bank, has disappeared. The bank therefore is now only marked by the north-east whistle buoy.

Approximate position of north-west buoy, lat. $10^{\circ} 29\frac{1}{2}'$ N., long. $107^{\circ} 50\frac{1}{2}'$ E.

As there seems to be a difficulty in maintaining these buoys in such exposed positions, especially during the north-east monsoon, a note has been placed on the Admiralty charts, that "The buoys marking the banks are liable to drift."

This Notice temporarily affects the following Admiralty Charts:—China Sea, No. 2660*a*; Saigon River to Kam Ranh Bay, No. 1261. Also, China Sea Directory, Vol. II, 1889, page 437.

Lighting of Lynn Channel.

THE Port Authorities at King's Lynn have given notice, dated 6th January, 1893, that great alterations have taken place in the lighting of Lynn Channel:—

As the channel has undergone great changes since the date of the last Admiralty survey, these lights cannot be placed upon the plan with any advantage to the Mariner until a re-survey is made.

A note has been placed on the plan, "Lynn Channel, has undergone much change since date of survey, and is now well lighted."

This Notice affects the following Admiralty Plan:—Skegness to Blakeney, No. 108. Also, North Sea Pilot, Part III, 1889, pages 175, 176.

Borough of Scarborough.

The Scarborough Corporation Electric Lighting Order, 1891.

NOTICE is hereby given, that the Mayor, Aldermen, and Burgesses of the borough of Scarborough (hereinafter referred to as "the Corporation") intend to transfer all their powers, duties, and liabilities under the abovementioned Order, subject to the exceptions and modifications hereinafter mentioned, to the Scarborough Electric Supply Company Limited (hereinafter referred to as "the Company") and that the draft deed of transfer will, as soon as conveniently may be after the expiration of one month from the date hereof, be submitted to the Board of Trade for approval, pursuant to section 59 of the said Order.

The area in respect of which the said transfer is proposed to be made is the whole of the area of supply comprised in the said Order.

The period for which the said transfer is proposed to be made is the period of 999 years, from the 31st day of December, 1892, subject as follows, namely:—

The Corporation may, at or within six months after the expiration of 21 years from the date of the said proposed transfer and at or within six months after the expiration of 32 years from the same date and at or within six months after the expiration of any subsequent period of 5 years, by notice in writing, require the Company to sell, and thereupon the Company is to sell the Undertaking to the Corporation. If the purchase be made in exercise of the first option abovementioned, then the Corporation are to pay the Company the value of the Undertaking, and of the goodwill thereof as a going concern (but without any additional allowance for compulsory purchase), and such value is to be determined, in case of difference, by arbitration, and the goodwill is to be valued upon the basis that the powers of the Company would cease at the end of the before-mentioned period of 32 years, and that the cumulative dividend paid during that period shall not have exceeded 10 per cent. per annum. If the purchase is made in exercise of any subsequent option, the price to be paid by the Corporation is to be the then value of the lands, buildings, works, materials, and plant of the Company, suitable to and used by them for the purpose of the Undertaking as specified in the Electric Lighting Act, 1888, such value to be determined by arbitration in accordance with the principles of an arbitration under section 2 of the Electric Lighting Act, 1888. In the event of a purchase by the Corporation under any of the said options, the Company's depreciation fund is to become the property of the Corporation without any payment, and the arbitrator is not to take the same into account in determining the value of the Undertaking, or of the said lands, buildings, works, materials, and plant, as the case may be.

The consideration to be paid by the Company to the Corporation in respect of the transfer is the sum of £525. The terms upon which the

said transfer is proposed to be made provide as mentioned and as follows:—

The following sections and parts of sections of the said Order are not to apply to the Company: Sections 52 and 53, as to the application of revenue and capital moneys. Section 54, so far as relates to the authentication of any notice, order, or document by the Undertakers. Section 68, incorporating sections 264 and 265 of the Public Health Act, 1875.

The maximum price to be charged by the Company for the supply of energy to private consumers is to be 7d. per Board of Trade unit, and such price is never to be exceeded, but if the balance of receipts over expenditure shown by the Company's annual account for any year ending 31st December (after debiting the amounts allowed by the said deed of transfer to be debited for depreciation and reserve funds), together with the balances of receipts over expenditure shown by the accounts of every preceding year since the formation of the Company, exceeds such a sum as would be sufficient to provide a dividend for every such year at the rate of 8 per cent. on the capital for the time being employed in the Undertaking, then the maximum price of energy chargeable to private consumers, otherwise than by agreement, is to be reduced for the year ensuing after such 31st December, after the rate of one farthing per unit for each 15s. per cent. above the said 8 per cent. The maximum price for the supply of energy for the public lamps is to be sixpence per Board of Trade unit, such price to be reduced at the rate of one farthing per unit for every £1 per cent. per annum of profit above the said profit of 8 per cent. to be calculated as aforesaid.

The draft of the proposed deed of transfer is

deposited for public inspection during office hours at the Town Clerk's office, Townhall, Scarborough, and printed copies of the said draft deed of transfer will be furnished there at the price of sixpence for each copy to all persons applying for the same.

By order,
JOHN E. T. GRAHAM, Town Clerk.
