WHEREAS the Governing Body of Winchester School, in virtue of the powers conferred upon them by "The Public Schools Act, 1868," did, on the eighth day of July, one thousand eight hundred and ninety-three, make the following Statute:

And whereas the said Statute has this day been laid before Her Majesty in Council, the same is published in the London Gazette in pursuance of the said Act:

And notice is hereby given, that it is lawful for the bodies or persons authorized so to do in that Act, within two months from the date of the publication of this notification, to petition Her Majesty in Council to withhold Her approval from the whole or any part of such Statute.

A STATUTE made by the Governing Body of Winchester School.

WHEREAS by the Statutes made by the Governing Body of Winchester School on the twenty-third day of June, one thousand eight hundred and seventy-three, and approved by the Special Commissioners appointed for the purposes of The Public Schools Act, 1868, on the twenty-fifth day of June, one thousand eight hundred and seventy-three, and by the Queen in Council on the twentieth day of November, one thousand eight hundred and seventy-three, provision is made for the appointment or election of a Warden as therein mentioned.

And whereas it is desirable that the appointment or election of a Warden shall, upon the next occurrence of a vacancy in the office, be suspended for a limited period.

Now we, the Governing Body of Winchester School, do hereby, in exercise of the powers conferred upon us by the said Act, and the Acts amending the same, and of all other powers enabling us in this behalf, enact as follows:—

"1. Notwithstanding anything in any Statute contained, the office of Warden shall, upon the next occurrence of a vacancy in the office which shall happen after the approval of this Statute by Her Majesty in Council, remain vacant for a period of twelve calendar months from the date of the vacancy aforesaid, unless the Governing Body, with the consent of the Warden and Fellows of New College, Oxford, shall within that period otherwise determine (such period, or any shorter period which the Governing Body with such consent as aforesaid may determine, being hereinafter called the period of suspension).

"2. No appointment or election of a Warden shall be made during the period of suspension, either by the Warden and Fellows of New College or by the Visitor, and the third section of the Statute numbered IV, of the said Statutes

"made on the twenty-third day of June, one thousand eight hundred and seventy-three, shall not come into operation during such period: but after the expiration of the period of suspension such appointment or election may be made according to the Statutes for the time being in force, and as if the vacancy had occurred at the expiration of the period of suspension, and had upon such expiration been duly notified to the Warden and Fellows of New College.

"3. During the period of suspension the Chairman for the time being of the Governing Body shall take the place of the Warden as to using the name and seal of the College, and in other respects the Governing Body shall make due provision for the discharge during such period of the duties appertaining to the office of Warden, with power for that purpose to assign any salary or emolument out of the revenues of the College."
