

1882 and 1888 within the Borough of Oswestry or any part or parts thereof in the County of Salop (and is hereinafter referred to as the area of supply).

To authorise the Undertakers to acquire, construct, and use, and from time to time to sell, let, and otherwise dispose of machinery, plant, and apparatus for the production, storage, regulation, measurement, distribution, and supply of electricity, and also to acquire, construct, maintain, and enlarge, and to discontinue, sell, or otherwise dispose of all such lands, buildings, machinery, appliances, and other property as shall be required for the purpose of containing, manufacturing, and working the machinery, plant, and apparatus to be so used for the production, storage, regulation, measurement, distribution, and supply of electricity. The works proposed to be constructed, used, and maintained may be described generally as follows:—A central station or central stations at which electricity will be generated or collected, and a system of mains by which electricity will be conveyed and distributed from the central station or stations throughout the area of supply.

To authorise the Undertakers to acquire, place, maintain, and use and take up, sell, and otherwise dispose of electric and other mains, storage, and other batteries, accumulators, cables, conductors, services, wires, tubes, pipes, insulators, meters, reservoirs, distributing, cut out, and other boxes, switches, transformers, and other apparatus for transmitting, storing, measuring, regulating, transforming, and distributing electricity for lighting and other purposes, public and private, and any pipes, conduits, or other channels of water supply for feeding or condensing purposes, or otherwise, to be used for the purposes of or in connection with the works and lines to be erected, used, or maintained under such Order (all in this Notice called "electric lines"), in, through, under, over, along and across, and either above or beneath the surface of, and for that purpose to cross, open, break up, divert, alter, stop up, or otherwise interfere with, whether temporarily or permanently, all roads, streets, footpaths, and other public places, and all railways, watercourses, bridges, sewers, drains, gas, water, and other pipes, telegraphic, telephonic, and electric posts, wires and pipes, pneumatic tubes and apparatus and works of every description within the area of supply.

To authorise the Undertakers on the one hand, and any corporation, local board or other local or sanitary road authority, and any railway, dock, canal, or other company on the other hand, to enter into and carry into effect and rescind and renew contracts for empowering the Undertakers to enter upon and break up the streets, roads, and other places and things before mentioned, and if thought expedient to authorise such bodies, authorities, and companies to exercise the powers with respect to the breaking up of the streets and other places and things before mentioned proposed by the Order to be conferred upon the Undertakers.

To authorise the Undertakers on the one hand, and any corporation, local board, or any other local or sanitary authority on the other hand to make and carry into effect and rescind and renew contracts for the supply of electricity, and to authorise such corporation, local board, or other authority to buy and sell electricity under such contracts, and to apply for the purposes of any such contracts their respective funds, revenues, and rates, and to borrow money for such purposes.

To empower the Undertakers to place electric lines as defined in this Notice in, through, under, over, or along, and either above or beneath the surface of the streets and other places following, that is to say:—All or any of the streets, roads, lanes, alleys, courts, squares, passages, thoroughfares, and footways included within the area of supply as hereinbefore defined.

The streets in which it is proposed that electric lines and works shall be laid down within a specified period are the following, or such parts thereof respectively as are within the area of supply:—Cross-street, The Cross, and Church-street.

The streets, roads, or places not repairable by the local authority which the Undertakers propose to take power to break up (but not to the exclusion of such other streets, roads, and places non-repairable by a said local authority as are within the area of supply) are as follows:—Queen's-road, Queen's-park, Ferrers-street, Park-street, Gittins-street, Great Western-road, Lorne-street, Albert-road, Swan-lane, Oswald-road, West-street, Victoria-street.

To authorise the Undertakers to open up and break up and cross with their electric lines and works the following railways, so far as the same are respectively situated within the said area of supply, that is to say: The Cambrian Railway and the Great Western Railway.

To authorise the Undertakers to acquire and hold lands and acquire and hold patent rights and licenses in relation to the manufacturing and distribution of electricity, and to manufacture, purchase, hire, sell, and supply meters, lamps, appliances, machinery and apparatus in relation thereto.

To authorise the Undertakers to levy, make, and recover rates, rents, and charges in respect of electricity supplied by them, and in respect of the sale and hire of machinery, plant, apparatus and instruments, and to confer, vary, and alter exemptions from the payment of such rates, rents and charges, and to confer, vary, and extinguish other rights and privileges.

To empower the Undertakers from time to time to make, alter, and rescind regulations and bye-laws for or relating to the use, misuse, or waste of electricity or electric lines, or apparatus connected therewith, and to impose and recover penalties for the breach of such regulations or bye-laws, and to authorise the Undertakers, their officers, servants and workmen, to enter upon lands, buildings, or other premises, and to examine any machinery, plant, apparatus, or instruments supplied by the Undertakers or used in connection with their lines or works, and to execute such works, and to do such things as shall be necessary for the regulation or prevention of such use, misuse, or waste, and to impose and recover penalties for the tampering or fraudulently interfering with any such machines and things aforesaid.

To empower the Undertakers to apply their capital and funds to the purposes of the Order.

To confer upon the Undertakers all the powers and privileges, exemptions, and rights given or proposed to be given to Undertakers by the Electric Lighting Acts 1882 and 1888, and to authorise and enable them to exercise and enjoy the same throughout the said area of supply.

And notice is hereby given that on or before the 30th day of November next, a map or plan showing the boundaries of the area of supply, and the streets and places in, over, or along which it is proposed to place any electric lines or other works, together with a copy of this Notice as published in the London Gazette, will be de-
