1. To enable the Board to acquire, take on lease, and hold lands, or interests, or easements in or over lands, or to appropriate for the purposes of the intended Order any lands belonging to or held by them, and to erect, make, maintain, work, and use on any such lands or on any other lands which they may hereafter acquire, all necessary or proper stations, storehouses, buildings, engines, batteries, machinery, apparatus, works, and appliances for the generation, production, storage, supply, utilization, and distribution of electricity, or for other the purpose of the Undertaking.

2. To authorize the said Board to generate, produce, store, supply, utilize, and distribute electricity for all or any public and private purposes within the district of the Leyton Local Board, or some part or parts thereof (hereinafter referred to as the "area of supply"), and to exercise (with or without modification) with respect to such generation, production, storage, supply, utilization, and distribution, all or any of the powers of the Electric Lighting Acts, 1882 and 1888, and any Act amending or extending the same respectively, and of the "Gas Works Clauses Act, 1847," and the "Gas Works Clauses Act, 1871," and such other rights and powers as may be conferred by the intended Order, including the power to levy, charge, and recover rates, rents, and charges for the supply of electricity, and to make, lay down, erect, set up, construct, place, maintain, renew, and remove either above or under ground all such works, buildings, engines, dynamos, meters, machinery, mains, wires, pipes, tubes, posts, conductors, apparatus, matters, and things as may be necessary or desirable for all or any of the purposes aforesaid.

3. For all or any of the purposes of the intended Order to open, break up, stop up, or interfere with, and to cross, pass over, under, or along, as the case may require, public and private streets, roads, highways, footways, thoroughfares, places, railways, tramways, rivers, canals, water-courses, and bridges within the area of supply, and any sewers, culverts, drains, pipes, and telegraphic, telephonic, and electric apparatus in, over, under, or along the same respectively, and particularly to break up, stop up, or interfere with all streets within the area of supply repairable by the said Board, and to make, lay, erect, construct, place, renew, remove, alter, and maintain in, under, over, across, and along such streets, roads, highways, footways, thoroughfares, places, railways, tramways, rivers, canals, water-courses, and bridges, electric lines, wires, conductors, switches, mains, pipes, meters, and other apparatus for the supply of electricity and electric currents.

4. To authorize the Board to manufacture, purchase, hire, sell, and let dynamos, meters, burners, lamps, engines, conductors, plant, machinery, fittings, and apparatus for and in relation to the production, supply, distribution, or

utilization of electricity, and to levy, charge, and recover rates, rents, and charges therefor.

5. To enable the Board to acquire, hold, work, and use patents, patent rights, and licences and authorities under letters patent for the use of inventions, processes, and apparatus for or relative to the production, storage, control, supply, utilization, distribution, and measurement, and otherwise relating to the supply of electricity.

6. To prescribe or limit the area within which the supply of electricity shall be first supplied or be compulsory, and to provide for the ultimate extension over the whole of the district of the said Board.

7. To exempt the said Board from the obligation to supply electricity within such part or parts of the area of supply, or under such circumstances as shall be specified in the intended Order.

8. To authorize the said Board to enter upon any houses, buildings, or lands supplied or proposed to be supplied with electricity for any purpose relating to such supply.

9. To authorize the said Board to enter into and fulfil contracts and agreements with Companies or persons for the execution and maintenance of works, machinery, and apparatus, and the supply of electricity, and to relieve the Board from the consequences of any acts or defaults of any such contractors and to empower the Board to sell or transfer to Companies or persons all or some of the rights, powers, privileges, and obligations intended to be conferred or imposed by the intended Order, and to empower the Board to lease their electric Undertaking, or any part thereof, for such term and upon such conditions as may be agreed upon.

10. To enable the said Board and any Local Authority, Company, or person, to enter into and fulfil contracts and agreements for and in relation to all or any of the purposes beforementioned, and to enable the Board to sell, demise, or let to such Local Authority, Company, or person any lands for the time being belonging to the Board, and to enable them to acquire lands by agreement for all or any of the purposes of the intended Order.

11. To make provision for the inspection and testing of mains, conductors, and works for the appointment and remuneration of electric inspectors and for the supply, user, inspection, testing, and certifying of meters, fittings, and instruments.

12. To empower the said Board to borrow for all or any of the purposes of the intended Order, and to charge the moneys so borrowed, and interest thereon, upon the General District fund and General District rate, or other funds, rates, revenues, and charges of the said Board, and to empower the said Board to apply any of their funds to any of the purposes of the intended Order, and to provide for the disposal and application of the revenue arising from the Undertaking.

13. The area of supply for the purposes of the intended Order will be the whole of the district of the said Board, and it is proposed to place electric lines or other works in, over, under, or along all the streets and other places within the said district, and repairable by the said Board.

14. The streets in, over, under, or along which the Board propose to lay down electric lines within a specified time are as follows: Private-lane leading from the Sewage Disposal Works adjoining Rückholts Farm, Leyton, to Quarter Mile-lane, Quarter Mile-lane, Leyton-road, High-street, Leyton, Grove Green-road, Union-lane, Railway Bridge, and roads leading to and therefrom.
