Board of Trade.—Session 1894.

Penrith Electric Lighting.

(Power for the Local Board of Penrith to Produce, Store, and Supply Electricity within the district of the Local Board, and so much of the district of the West Ward Rural Sanitary Authority as is comprised in certain portions of the parish of Brougham and the township of Yanwath and Eamont Bridge, in the parish of Barton, in the county of Westmorland; To acquire and appropriate Lands, and to construct Works; To break up or interfere with Streets and Railways; To use Water Power, and to lay down or erect Main Pipes and Wires; To demand and receive Rates and Charges; To enter Houses and Buildings; To enter into contracts for Transfer or Lease of Undertaking; to Borrow Money, and other purposes).

NOTICE is hereby given, that the Local Board for the Urban Sanitary District of Penrith, in the county of Cumberland (hereinafter referred to as "the Local Board"), intend to apply to the Board of Trade, on or before the 21st day of December next, for a Provisional Order (hereinafter referred to as "the Order") under the Electric Lighting Acts, 1882-1890, for all or some of the following, amongst other purposes (that is to say):—

1. To authorize the Local Board to produce, store, supply, and distribute electricity for public and private purposes, as defined by the said Acts, within the district of the Local Board, and so much of the district of the West Ward Rural Sanitary Authority as is comprised in certain portions of the parish of Brougham and the township of Yanwath and Eamont Bridge, in the parish of Barton, in the county of Westmorland (all which is herein referred to as "the area of supply").

2. To enable the Local Board to acquire, take on lease, and hold lands, or interests, or easements in or over lands, or to appropriate for the purposes of the Order, any lands belonging to or held by them, and to erect, maintain, work, and use upon such lands all necessary or proper engines, dynamos, batteries, machinery, apparatus, works and appliances for generating, producing, storing, supplying, and distributing electricity, or for other the purposes of the undertaking.

3. To authorize the Local Board to use for the purposes aforesaid any water or other power which they may now possess, or have rights over, and any machinery, pumping or other engines,

and works, which may now belong to the Local Board; and to connect such machinery and works with the proposed system of supply.

4. To authorize the Local Board to open, break up, and interfere with all streets, roads, and public places, ways, footpaths, railways, tramways, rivers, towing-paths, bridges, culverts, sewers, and gas and water mains and pipes, and telegraph or telephone wires within the area of supply; and to lay down, erect, maintain, renew, and remove, either above or under ground, or otherwise, mains, pipes, tubes, wires, posts, distributing boxes, apparatus, or other works or things required for the purpose of enabling the Local Board to supply, produce, store, convey, transmit, or distribute electricity within the area of supply; and to confer all such other powers upon the Local Board as may be necessary for effecting the objects of the proposed undertaking.

5. To authorize the Local Board to break up the following streets, roads, footways, thoroughfares, and places not repairable by the Local Board, that is to say:—

Main Roads.

Carleton-road, Edenhall-road, Eamont-road, Keswick-road, Newton-road, Carlisle-road, Salkeld-road, Wigton-road, Greystoke-road (from head of Castlegate), Pooley-road, Clifton-road, Appleby-road, road from Brougham Bridge to Clifton-road.

6. To authorize the Local Board to manufacture, purchase, hire, sell, and let all necessary lamps, accumulators, meters, fittings, plant, engines, dynamos, machinery, and other matters or things required for the purposes of the Order; and to acquire, work, and use patent rights for the producing, storing, controlling, distributing, and measuring, or otherwise, relating to the supply of electricity.

7. To authorize the Local Board to take, collect, recover rates, rents, and charges for the supply of electricity, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

8. To prescribe or limit the area within which electricity shall at first be supplied, and to provide for the ultimate extension over the whole area of supply.

9. The following are the names of the streets within which the Local Board propose to lay electric lines within a period prescribed by the Order:—King-street, Crown-square, Devonshire-street, Market-square, Churchyard, Middlegate, Corney-square, Portland-place, Wilson-row, Duke-street, Brunswick-road, Cromwell road, Station-road, Castlegate.

10. To exempt the Local Board from the obligation to supply electricity within such part or parts of the area of supply, or under such circumstances as shall be specified in the Order.

11. To authorize the Local Board to break up, pass over, across, along, or under the railways of the London and North-Western Railway Company, Cockermouth, Keswick, and Penrith Railway Company; so far as such railways lie within the area of supply.

12. To make provision for the inspecting and testing of mains, conductors, and other works; and for the appointment and remuneration of electric inspectors; and for the supply, use, and inspection, testing, and certifying of meters, fittings, and instruments.

13. To authorize the Local Board to enter upon any houses, buildings, or lands supplied, or pro-
