1. To extend the boundary of the municipal borough of Grimsby, so as to include therein (in addition to the existing borough) so much of the township of Cleethorpes and the district of the Local Board of Health for the district of Cleethorpes-with-Thrunscoc, in the parish of Clé, in the parts of Lindsey, in the county of Lincoln, as situate immediately to the east of the existing borough and comprised within the limits of the area hereinafter described, viz.:—That portion of the township of Cleethorpes and the district of the Local Board of Health for the district of Cleethorpes which is bounded on the west by the present borough boundary, and by a line drawn from the extreme south-east point where such boundary abuts upon the fence on the north-west side of Weelsby-road leading from Clee Village to Cleethorpes, thence north-eastwards along the said fence, and a line in continuance thereof in a north-easterly direction to a point at low water mark of ordinary tides in the River Humber, and thence westward or north-westward along the line of low water mark until it joins the extreme north-east point of the present borough boundary; or such other limits as may be defined in the Bill, either within or beyond the limits hereinbefore described. The said area proposed to be added to the borough is in this Notice referred to as "the added area," and the present and proposed extended boundaries of the borough will be shown on a map to be deposited for public inspection with the Town Clerk of the borough as hereinafter mentioned.

2. To alter, if need be, the boundaries and names of the wards into which the existing borough is divided, and re-divide the borough as proposed to be extended (hereinafter referred to as "the extended borough") into wards, or to constitute the added area a new ward or wards, or to add the said area to the existing Humber Ward of the borough, and to determine the boundaries and names of the altered, re-divided, or new wards, and to alter the number of all-men and councillors, and to apportion them to their respective wards, and to provide for their nomination, election, going out of office and rotation, and to make provision in the Bill for the determining of all or any of the aforesaid matters.

3. To detach the added area from the jurisdiction of every Urban or Rural Sanitary Authority, Local Board, School Board, Highway and other Local Authority, having jurisdiction therein, and to rescind and annul all Resolutions and Provisional Orders whereby the Public Health, Local Government, Education, or Sanitary Acts, or any of them, have been put in force within the added area, or any part or parts thereof, and to repeal, so far as they relate thereto, or as may be deemed necessary or expedient, all Acts confirming such Orders, or putting in force such Acts or Act, and to transfer to the Corporation all or some of the lands, buildings, and property of, and of the estates, rights, powers, duties, and privileges, and liabilities vested in, or imposed on, the said Boards, Sanitary, and other Local Authorities respectively, and to provide for the satisfaction or apportionment of their respective debts, liabilities, and obligations, the apportionment of current rates, and for the making of compensation to any officer wholly or partially displaced by reason of the extension of the borough.

4.
