PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act of Parliament passed in a session of Parliament holden in the seventh and eighth years of Her Majesty's reign intituled "An Act to amend the Law respecting the office of County Coroner" it is (amongst other things) enacted that when and as often as it shall seem expedient to the justices of any county that such county should be divided into two or more districts for the purposes of that

Act, or that any alterations should be made of any division theretofore made under that Act it should be lawful for the said justices in general or quarter sessions assembled to resolve that a petition should be presented to Her Majesty, praying that such division or alteration be made and thereupon to adjourn the further consideration of such petition until notice thereof should be given to the Coroner or Coroners of such county as thereafter provided and that the Clerk of the Peace should give notice of any such resolution to every Coroner for such county and of the time when the petition would be taken by the said justices into consideration and that the justices should confer with every such Coroner who should attend the meeting of the justices for that purpose touching such petition having due regard to the size and nature of each proposed district the number of the inhabitants the nature of their employment and such other circumstances as should appear to the justices fit to be considered in carrying into execution the provisions of that Act and that such petition with a description of the several proposed districts and of the boundaries thereof with the reasons upon which the petition is founded should be certified to Her Majesty under the hands and seals of two or more of the justices present when such petition shall be agreed to and the Clerk of the Peace for such county should forthwith give or send a true copy of such petition certified under his hand to every Coroner for such county, and that it should be lawful for Her Majesty if She should think fit with the advice of Her Privy Council after taking into consideration any such petition and also any petition which might be presented to Her by any Coroner of the same county concerning such proposed division or alteration or whenever it should seem fit to Her Majesty to direct the issue of a Writ de Coronatore Eligendo for the purpose of authorizing the election of an additional Coroner above the number of those who had been theretofore customarily elected in such county to order that such county should be divided into such and so many districts for the purposes of that Act as to Her Majesty with the advice aforesaid should seem expedient and to give a name to each of such districts and that every such Order should be published in the *London Gazette*.

And whereas under and by virtue of "The Local Government Act 1888" the business of the Justices of the county of Suffolk in General or Quarter Sessions assembled in respect of the matters aforesaid has been transferred to and is to be exercised in the county of Suffolk by the Joint Committee of the respective County Councils of East Suffolk and West Suffolk appointed under the provisions of the said last-mentioned Act.

And whereas a petition dated the seventeenth day of July one thousand eight hundred and ninety-three has been presented to Her Majesty by the said Joint Committee of the said County Councils praying that the whole county of Suffolk be divided into the divisions or districts heretofore subsisting except that the said borough of Sudbury including Ballingdon-cum-Brundon be constituted an additional Coroner's District and designated "The Sudbury District" and that the said parish of Newmarket All Saints the said part of the parish of Woodditton formerly in the county of Cambridge and the said parish of Haverhill Hamlet be constituted an additional Coroner's District and designated "The Newmarket and Haverhill District."

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

WHEREAS by an Act passed in the Session of Parliament held in the second and third years of Her Majesty's reign intituled "An Act for regulating the Police Courts of the Metropolis," it was amongst other things enacted "that it should be lawful for Her Majesty, with the advice of Her Privy Council to alter the number of the Police Courts and to alter the number of Magistrates appointed to any of the said Courts, and to order such changes to be made of the places in which they should be holden within the Metropolitan Police District as should be found expedient and every such Court should thenceforth be holden in the place in or to which it should be so ordered to be established or removed."

And whereas by an Order in Council dated the eleventh day of March, one thousand eight hundred and forty-two, Her Majesty by and with the advice of Her said Council was pleased to order and direct that the parishes of Wandsworth, Putney, Battersea, Tooting-Graveney (sometimes called Tooting), Merton, Wimbledon, Barnes and Clapham, and the hamlet of Roehampton all in the county of Surrey and within the Metropolitan Police District together with as much of Streatham as comprises Upper Tooting and Balham Hill in the same county and district should thenceforth constitute a Police Court Division and that a Police Court should be established for such division to be holden at Wandsworth in the said parish of Wandsworth.

Her Majesty is pleased with the advice of Her Privy Council to order and it is hereby ordered accordingly that the extent of the said South-Western Police Court Division be altered and that the said parishes of Wimbledon, Merton and Barnes be not included in such division.

And whereas it was found expedient to make some alteration in the said questions with reference to vessels more particularly steam-packets arriving from ports and places where yellow fever occasionally prevails; and on the twelfth day of May, one thousand eight hundred and fifty-three, certain questions were substituted for the questions set forth in the said Order in Council of the nineteenth day of July, one thousand eight hundred and twenty-five; with the view of their being put to the Masters and Surgeons of vessels more particularly of steam-packets arriving from the Brazils and the West Indies.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by "The Merchant Shipping Act Amendment Act, 1862," it is enacted that whenever it is made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships for the time being in force under the Merchant Shipping Act, 1854, therein called the principal Act, have been adopted by the Government of any foreign country, and are in force in that country, it shall be lawful for Her Majesty by Order in Council to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificates of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be re-measured in any port or place in Her Majesty's dominions, but such ships shall be deemed to be of the tonnage denoted on their certificates of registry or other papers in the same manner, to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificates of registry of British ships is to be deemed the tonnage of such ships:

And whereas Her Majesty, by Order in Council, dated the thirtieth day of September, one thousand eight hundred and seventy-three, was pleased to direct that merchant, sailing, and steam ships, belonging to the Kingdom of Italy, the measurement whereof had, after the first day of July one thousand eight hundred and seventy-three, been ascertained and denoted in the registers and other national papers of such ships testified by the dates thereof, should be deemed to be of the tonnage denoted in their registers or other national papers, in the same manner, and to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificates of registry of British ships is deemed to be the tonnage of such ships; provided nevertheless, that if the owner or master of any Italian steamship should desire the deduction for engine-room in such ship to be estimated under the rules for engine-room measurement and deduction applicable to British ships instead of under the Italian rule, the engine room should be measured and the deduction calculated according to the British rules:

And whereas Her Majesty by Order in Council dated the fourteenth day of February one thousand eight hundred and eighty-three, was pleased to declare that (the rules for engine room measurement and deduction applicable to the steamships of Italy, having been modified by Royal Decree of His Majesty the King of Italy, dated the thirtieth day of July one thousand eight hundred and eighty-two), the steamships of Italy,

the certificates of Italian nationality and registry of which were dated on or after the twenty-first day of September one thousand eight hundred and eighty-two, should be deemed to be of the tonnage denoted in the said certificates of Italian nationality and registry.

And whereas it has been made to appear to Her Majesty that it is expedient that certain additions should be made to the provisions of the said last recited Order in Council in regard to the mode of estimating the net registered tonnage of Italian ships.

Now, therefore, Her Majesty in virtue of the powers vested in Her by the said recited Acts, and by and with the advice of Her Privy Council, is further pleased to direct as follows, viz., that in the event of the net registered tonnage of Italian ships, estimated under the British rules, being denoted on their certificates of registry or other national papers, the same shall be deemed to be of the tonnage so denoted therein. *C. PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by section twenty-six of "The Pluralities Act 1838" after reciting that "Whereas in some instances tithings, hamlets, chapelries, and other places or districts may be separated from the parishes or mother churches to which they belong, with great advantage, and places altogether extra-parochial may in some instances with advantage be annexed to parishes or districts to which they are contiguous, or be constituted separate parishes for ecclesiastical purposes," it is, amongst other things, enacted "That when with respect to his own diocese it shall appear to the Archbishop of the Province, or when the Bishop of any diocese shall represent to the said Archbishop that any such tithing, hamlet, chapelry, place, or district within the diocese of such Archbishop, or the diocese of such Bishop, as the case may be, may be advantageously separated from any parish or mother church and either be constituted a separate benefice by itself or be united to any other parish to which it may be more conveniently annexed, or to any other adjoining tithing, hamlet, chapelry, place, or district, parochial or extra-parochial, so as to form a separate parish or benefice, or that any extra-parochial place may with advantage be annexed to any parish to which it is contiguous, or be constituted a separate parish for ecclesiastical purposes; and the said Archbishop or Bishop shall draw up a scheme in writing (the scheme of such Bishop to be transmitted to the said Archbishop for his consideration) describing the mode in which it appears to him that the alteration may best be effected, and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent-charges, and other ecclesiastical dues, rates, and payments, and in respect to patronage and rights to pews, may be made with justice to all parties interested; and if the patron or patrons of the benefice or benefices to be affected by such alteration shall consent in writing under his or their hands to such scheme, or to such modification thereof as the said Archbishop may approve, and the said Archbishop shall, on full consideration and enquiry, be satisfied with any such scheme, or modification thereof, and shall certify the same and such consent as aforesaid, by his report to Her Majesty in Council, it shall be lawful for Her Majesty in Council to make an Order for carrying such scheme, or modification thereof, as the case may be, into effect."

And whereas by section eight of "The Church Building Act, 1839," it is amongst other things, further enacted, "That when by any Order of Her Majesty in Council, as aforesaid, a separate parish for ecclesiastical purposes is consti-

"tuted, the same shall, on registration thereof, and with the consent in writing of the incumbent or incumbents of the benefice or benefices to be thereby affected, become a perpetual curacy and benefice, and the minister thereof, duly nominated and licensed thereto, and his successors, shall be a body politic and corporate, with perpetual succession, and may receive and take to himself and his successors all such lands, tenements, tithes, rent-charges, and hereditaments as shall be granted unto him or them, and such perpetual curate shall thenceforth have within the limits of the district parish formed under the Church Building Acts, for the church of such perpetual curacy, sole and exclusive cure of souls, and shall not in anywise be subject to the control or interference of the incumbent or incumbents of the benefice or benefices to be affected by such Order, if he or they shall have consented to such Order as aforesaid."

And whereas the Right Reverend John James Stewart, Lord Bishop of Worcester, hath represented in a writing dated the twenty-third day of September one thousand eight hundred and ninety-three to the Right Honourable and Most Reverend Edward White, Lord Archbishop of Canterbury, as follows:—

"To the Right Honourable and Most Reverend Edward White, Lord Archbishop of Canterbury.

"I John James Stewart, Bishop of Worcester do hereby represent to Your Grace.

"That to the rectory and parish church of Berkeswell in the county of Warwick and my diocese of Worcester belongs the chapelry of Barston the limits and boundaries whereof are well known and defined.

"That according to the last census the population of the parish of Berkeswell exclusive of the said chapelry of Barston is one thousand three hundred and seventy-four and the population of the said chapelry of Barston amounts according to the same census to three hundred and forty-five.

"That there is in the said chapelry of Barston a church long since erected and dedicated to Saint Swithin distant from the parish church of Berkeswell about two miles wherein Divine service is performed by the rector of Berkeswell or his resident curate and which church or chapel affords sufficient accommodation for the inhabitants of the said chapelry of Barston.

"That the said chapelry of Barston is a separate and distinct parish for all civil purposes and baptisms, marriages, churchings, and burials, have been for a very long period and are now solemnized and performed in the said church and the burial ground thereto belonging.

"That the gross annual value of the rectory of Berkeswell with the said chapelry of Barston calculated on the average of the last seven years is nine hundred and eighty pounds or thereabouts whereof about one hundred and forty-three pounds arises from tithe rent charge and about ninety-two pounds from glebe land within the limits of the chapelry of Barston and the remainder, namely, about six hundred and fifty pounds and seventy-five pounds arises from tithe and glebe land in the parish of Berkeswell and twenty-pounds from surplice fees in the two parishes taken together.

"That the rates and taxes on the income of the said benefice of Berkeswell with Barston are about seventy-four pounds per annum, namely, about sixty pounds in respect of Berkeswell, and about fourteen pounds in respect of Barston.

"That there is a good and sufficient house of

residence at Berkeswell belonging to the said rectory.

"That there is a good and sufficient glebe house at Barston close adjoining to the church, but this has not for many years been inhabited by the resident curate at Barston but by the person farming the glebe land.

"That it does not appear that any of the inhabitants or landowners of Berkeswell possess any legal right by faculty or otherwise to the exclusive use of any pews or sittings in the church of the said chapelry of Barston or that any of the inhabitants or landowners of the said chapelry of Barston possess any such legal right by faculty or otherwise to the exclusive use of any pews or sittings in the parish church of Berkeswell.

"That the patronage and right of presentation of and to the said rectory and parish church of Berkeswell with the said chapelry of Barston is vested in Joshua Hirst Wheatley Esquire of the Hall, Berkeswell, and that the Reverend Henry William Watson is the present incumbent of the said rectory and parish church of Berkeswell with Barston.

"That in the event of the separation of the chapelry of Barston from the parish of Berkeswell for ecclesiastical purposes it is intended that out of the income arising from tithe rent-charge and land within the said chapelry there shall be reserved and payable by the incumbent of the parish of Barston to the said Henry William Watson so long as he shall continue to be rector of Berkeswell the annual sum of fifty pounds but that in the event of any augmentation of the income of the said rectory of Berkeswell by way of endowment the said Henry William Watson will relinquish his claim to so much of the said annual sum of fifty pounds as will be equal in amount to the income accruing from such augmentation.

"That it appears to me that under the provisions of the Acts of Parliament passed in the session holden in the first and second years of the reign of Her present Majesty chapter one hundred and six and in the second and third years of the same reign chapter forty-nine the said chapelry of Barston may be advantageously separated from the rectory and parish church of Berkeswell and be constituted a separate parish for ecclesiastical purposes.

"That pursuant to the directions contained in the twenty-sixth section of the first-mentioned Act I have prepared the following scheme which with the consent thereto of the said Joshua Hirst Wheatley as patron and of the said Henry William Watson as incumbent of the said rectory with the said chapelry of Barston I do submit to Your Grace to the intent that Your Grace may if upon full consideration and enquiry you shall be satisfied with such scheme certify the same and such consents as aforesaid by your report to Her Majesty in Council.

"Given under my hand this twenty-third day of September one thousand eight hundred and ninety-three.

"J. J. S. Worcester."

And whereas the said scheme drawn up by the said Bishop and the consents referred to in the said representation are as follows:—

"SCHEME.

"That the said chapelry of Barston shall be separated from the said rectory and parish church of Berkeswell and be constituted a separate parish for ecclesiastical purposes and a perpetual curacy and benefice of which the church within the said parish shall be the parish church.

"That such proposed separate parish a benefice shall be subject to the same ecclesiastical jurisdiction as the said parish of Berkeswell and that the incumbent for the time being of such separate parish and benefice shall have exclusive cure of souls within the limits of the same.

"That two churchwardens shall be annually chosen for the said separate parish and benefice in the customary manner and at the time when churchwardens are usually appointed and every person so chosen shall be duly admitted and shall do all things pertaining to the office of churchwarden as to ecclesiastical matters within the said separate parish and benefice.

"That the rent-charge in lieu of tithes belonging to the said benefice of Berkeswell-with-Barston and arising or accruing within the chapelry of Barston amounting on the whole to one hundred and eighty pounds and all the glebe land situate in the said chapelry of Barston containing sixty-six acres or thereabouts producing a gross rent of about sixty-six pounds a year shall henceforth belong and be attached to the said separate parish and benefice of Barston and be held received and enjoyed by the incumbent thereof for the time being for ever. Excepting and reserving thereout to the Reverend Henry William Watson the present rector of Berkeswell so long as he shall continue to be such rector the sum of fifty pounds per annum which sum shall be paid to him by the incumbent of the said parish of Barston. Provided always that in the event of any augmentation of the income of the said rectory of Berkeswell by way of endowment the liability of the incumbent of Barston for the payment to the said Henry William Watson of so much of the said annual sum as will be equal in amount to the income arising from such augmentation shall thereupon cease and determine.

"That all ecclesiastical offices shall as heretofore be performed in the church of the said separate parish and benefice of Barston and the burial-ground thereto belonging and that all the fees and payments for such offices and all such other ecclesiastical dues offerings and emoluments usually payable to the incumbent of a parish or benefice as shall arise within the said separate parish and benefice of Barston shall henceforth belong to and be received by the incumbent thereof for the time being.

"J. J. S. Worcester."

"I Joshua Hirst Wheatley, of the Hall, Berkeswell, in the county of Warwick, the patron or person entitled to present to the rectory of Berkeswell with the chapelry of Barston in the

county of Warwick and diocese of Worcester in case the same were now vacant and I Henry William Watson, Clerk, D.Sc., Rector of the said rectory do hereby respectively signify to Your Grace our consent to the scheme above proposed and to all matters and things therein mentioned.

C. L. Peel.

AT the Court at Windsor, the 23rd day of November, 1893.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her Majesty chapter thirty-seven, and of the Act of

the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme bearing date the sixteenth day of November, in the year one thousand eight hundred and ninety-three, in the words following, that is to say:—

“We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of Your Majesty chapter thirty-seven and of the Act of the nineteenth and twentieth years of Your Majesty chapter one hundred and four, have prepared and now humbly lay before Your Majesty in Council the following scheme for compensating a spiritual person to wit the Reverend George Depledge Clerk in Holy Orders the vicar or incumbent of the vicarage of the new parish of Attercliffe, in the diocese of York whose emoluments as such incumbent have been diminished by reason of proceedings under one or both of the said Acts.

“Whereas in the year one thousand eight hundred and seventy-four the district of Saint Bartholomew Carbrook was constituted under the New Parishes Acts or some or one of them partly out of the said new parish of Attercliffe and partly out of the new parish of Darnall in the said diocese of York and the same district of Saint Bartholomew Carbrook became a new parish on the twenty-sixth day of November in the year one thousand eight hundred and ninety-one.

“And whereas it has been made to appear to us that the fees dues or other emoluments of the said George Depledge as such vicar or incumbent as aforesaid have been diminished by reason of the constitution of the said district and new parish of Saint Bartholomew Carbrook and that the payment to the said George Depledge of the annual sum of sixteen pounds would provide a just and reasonable compensation for such diminution.

“Now therefore we the said Ecclesiastical Commissioners humbly recommend and propose that in respect of and in compensation for the diminution aforesaid there shall be paid by us to the said George Depledge so long as he shall continue to be the vicar or incumbent of the said vicarage of the new parish of Attercliffe as aforesaid and no longer the annual sum of sixteen pounds payment of such annual sum being made (except as to the back payments hereinafter mentioned) in equal half-yearly portions upon the first day of May and the first day of November in each year but with the right also to a proportionate payment in respect of any period being less than half-a-year which may elapse between the first day of May or the first day of November (as the case may be) in any year and the avoidance from whatever cause by the said George Depledge of the vicarage or incumbency of the said new parish of Attercliffe.

“And we further recommend and propose that the right of the said George Depledge to receive the said annual sum of sixteen pounds shall be held to have accrued and that payment thereof shall accordingly be made as from the said twenty-sixth day of November in the year one thousand eight hundred and ninety-one that being the day upon which the cure in respect of the constitution of which such compensation is made became a new parish as aforesaid and upon which therefore the incumbent of such new parish became empowered to perform in the church thereof those offices and became entitled to retain for his own benefit those fees in consideration of the loss of which to the said George Depledge the

amount of the compensation grant in this scheme recommended and proposed has been fixed by us.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of York.

And whereas the Right Honourable Herbert Henry Asquith, one of Her Majesty's Principal Secretaries of State, after ten days' previous notice of his intention to make such representation had been duly given to the churchwardens of the parish of Saint John, Clerkenwell, has made a representation, stating that he is of opinion that for the purpose of preventing the vaults and places of burial under and adjacent to the church of Saint John, Clerkenwell, from becoming or continuing dangerous or injurious to the public health, an Order in Council should be made for the adoption of the measures herein-after set forth:

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act passed in the Session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intituled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," it is enacted that, in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval, or (as the case may require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances may require; provided always, that notice of such representation, and of

And whereas the Right Honourable Herbert Henry Asquith, one of Her Majesty's Principal Secretaries of State, after giving to the Incumbent and the churchwardens of the parish herein-after mentioned ten days' previous notice of his intention to make such representation, has made a representation stating that he is of opinion that the Order of Her Majesty in Council of the first day of May, one thousand eight hundred and fifty-four, in so far as it affects burials in the churchyard of the parish of Saint Andrew, Plymouth, should be varied, and that the following directions should be substituted for those contained in the said Order with respect to burials in the said churchyard, viz.:—

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette, and that copies thereof be affixed on the doors of the churches or chapels of, or on some conspicuous places within, the parish affected by such representation, one month before the said eighth day of January.

MEMORANDUM.

HER Majesty's Minister at Buenos Ayres has

forwarded to the Secretary of State for Foreign Affairs the text of new Regulations in regard to quarantine recently issued by the Argentine Sanitary Authorities, in consequence of the Sanitary Convention concluded in 1888 between Brazil, Uruguay, and the Argentine Republic having terminated on the 3rd of August last.

The salient features of the new Regulations are as follows:—

Buenos Ayres shall be the only port of entry for arrivals from infected or suspected places. A port is regarded as infected in which any cases have occurred of cholera, yellow fever, plague, or any other exotic malady of an epidemic character. A port is considered "sospechoso," or suspected, which may be in easy or frequent communication with any infected place, or where insufficient precautions are taken with regard to arrivals from infected ports.

The Sanitary Board do not make any difference in the treatment of vessels coming from "infected" or "suspected" ports, and they are now equally liable to the same length of quarantine, viz., two days for the plague, ten for yellow fever, and eight for cholera, although in accordance with the former International Convention a vessel coming from a "suspected" port, and no case of sickness having occurred on board during the voyage, &c., was subjected on arrival only to twenty-four or forty-eight hours' observation.

Special advantages have, however, been granted to vessels taking on board an Argentine Medical Inspector appointed by the Sanitary Authorities, and a vessel arriving having on board a Sanitary Inspector as a passenger, and no case of sickness occurring during the voyage, and the vessel provided with disinfecting appliances laid down in the sanitary regulations, the vessel will be given free pratique on its arrival in the port after the sanitary visit.

A vessels arriving, not carrying more than 100 (one hundred) third class passengers, and possessed of all the conditions laid down in the Sanitary Regulations, taking on board a Sanitary Inspector at Bahia, or in accordance with a new Decree just issued at Rio, and no case of sickness having occurred during the voyage to the port, and a period in excess of that required for the quarantine having elapsed since the embarking of the Medical Inspector, the vessel will be given free pratique after twenty-four hours' observation, the ship being subjected during that time to a final disinfection.

All other ships, to whatever class they may belong, not having taken on board a Sanitary Inspector as a passenger, are subjected to sanitary treatment on their arrival in Buenos Ayres, and must undergo the required quarantine to commence from the termination of the disinfection of the ship.

MERSEY CONSERVANCY ACT.

Mersey Conservancy,

5, King-Street, Westminster,

November 27, 1893.

THE Commissioners for the Conservancy of the River Mersey hereby give notice, pursuant to the 9th section of the Act 5 and 6 Victoria, cap. 110, intituled "An Act for better preserving the Navigation of the River Mersey," that they have received from Messrs. Layton and Springmann, of 9, Fenwick-street, Liverpool, a notice, given pursuant to the provisions of the above-mentioned Act, of the intention, of Mr. John Roberts, of 1, Crosshall-street, Liverpool, to construct a River Wall or Embankment and Landing Stage, at Tranmere Pool, in the River Mersey, in accordance with plans lodged in this office. A copy of the Notice is subjoined.

Geo. Henry Richards, Admiral,

Acting Conservator.

On behalf of John Roberts, of 1, Crosshall-street, in the city of Liverpool, and of Bryngwenallt, Abergele, in the county of Denbigh, a member of the firm of David Roberts, Son, and Co., of 1, Crosshall-street aforesaid, Merchants, we hereby give you notice, that on and subsequent to the 20th day of January, 1894, the said John Roberts intends to commence and to proceed with the construction, erection, and carrying out of certain works at Tranmere Pool, in the River Mersey, in accordance with plans and sections deposited by or on behalf of the said John Roberts in the office of the Commissioners for the Conservancy of the River Mersey.

The following are the particulars of the proposed works, that is to say:—

A river wall or embankment commencing at the eastern end of the existing high-level stone pier known as Tranmere Ferry, situated on the Cheshire side of the estuary of the River Mersey at a point 315 yards, measuring in an easterly direction, from the junction of New Chester-road, Green-lane and Tranmere Ferry approach, all in the borough of Birkenhead, in the county of Chester, which point is marked C in the plan which is numbered 1 of the above-mentioned plans. The said river wall or embankment will extend in an easterly direction into the estuary of the said river for a distance of 191 yards to a point marked A in the said plan, and then in a northerly direction for a distance of 150 yards to a point marked B on the said plan, and will then turn nearly at right angles and be continued in a westerly direction for 107 yards, where it will terminate at a point marked D in the said plan.

A floating stage 150 yards in length by 16 yards and 2 feet in width, to be connected with the said intended river wall or embankment by two swing bridges, each 45 yards long by $5\frac{3}{4}$ yards wide (over all), and by mooring chains made fast to the aforesaid river wall or embankment. Such floating landing stage will project into the estuary of the river 58 yards in an easterly direction beyond the said intended river wall or embankment.

The said intended river wall or embankment is proposed to be 14 feet in thickness at its base and for a height of two feet, and then of the thickness of 12 feet for a further height of two feet, and thence continued of the thickness of 10 feet to the height of 1 foot 6 inches above the surface of the present ground level, it will then be carried of the thickness of 7 feet 6 inches upwards for a further distance of 20 feet, and will thence be constructed for a further height of ten feet of the thickness of five feet to the upper surface of the works, as shown on the section No. 3 of the said plans.

The said river wall or embankment is proposed to be constructed of concrete, slag, and masonry, or wholly of one or two of those materials.

The said swing bridges will be constructed of wrought iron box bow girders and wrought iron transverse girders, which will carry a deck constructed of timber, with iron cart runners laid horizontally in two rows down the whole length of each of the said swing bridges. The said swing bridges will be carried on steel rollers bolted to a masonry bed on the said river wall or embankment, and on steel rollers bolted to the pontoons of the said intended floating stage.

The said intended floating stage will be constructed of wrought iron pontoons, and will be laid with a timber deck and will be provided with mooring chains or other approved appliances to prevent drifting.

The land which is at the present time covered with water (except at the times of low water), and which is known as Tranmere Pool, and is in the said borough of Birkenhead, and is coloured red on Plan No. 1 of the said plans, will be filled up to the level of the said intended river wall or embankment.

The objects of the proposed works are to afford increased facilities for the passenger, animal, and goods traffic to and from the port of Liverpool, and to enable passengers, animals, produce, and goods to be landed directly alongside or conveniently adjacent to the carriages and trucks of the London and North-Western and the Great Western Railway Companies at Birkenhead. Also to provide a site for the erection and maintenance of lairages, abattoirs, meat markets, and storage, and other accommodation for the cattle

trade, and warehouse and other accommodation for the local grain, oil, and produce trades respectively, and further to give increased facilities for the passenger ferry traffic between Tranmere (in the borough of Birkenhead), and the city of Liverpool.—Dated this 15th day of November, 1893.

(Signed) LAYTON and SPRINGMANN, 9,
Fenwick-street, Liverpool, Solicitors for
the said John Roberts.

To Admiral Sir G. H. Richards,
K.C.B., F.R.S., &c., &c., &c.,
Acting Conservator of the
River Mersey.

1. To authorise and enable the Trustees to acquire and hold lands, and thereon, or on some part thereof, to make and maintain all or some of the following works (that is to say):—Eight groynes, or thereabouts, situate upon or near the foreshore and land adjoining the foreshore, near the south-east side of the entrance to Poole Harbour, and called the Sandbanks, commencing at a point distant 100 yards, or thereabouts, in an easterly direction from Poole Head-road, and extending in a westerly direction for a distance of 2,000 yards, or thereabouts, to a point 300 yards, or thereabouts, east of the Haven Hotel, and situate along the said foreshore or lands at intervals of 270 yards, or thereabouts, each of the said groynes being 100 yards, or thereabouts, in length, and extending seawards in a south-easterly direction from the said foreshore at varying angles of from 101 to 110 degrees, or thereabouts, with the said shore, which said works or groynes will be situate in the tything

2. To authorise the Trustees to exercise all or some of the following powers, that is to say:— To dredge, scour, cleanse, deepen, and remove any rocks, banks, sand, mud or shingle within or adjoining the said intended groynes and works or the approaches thereto.

3. To deviate, laterally or vertically, from the lines or levels shown on the deposited plans and sections in constructing the said works, and to make and maintain all necessary approaches, roads, jetties, wharves, sheds, cranes, mooring-buoys, lights, works, and conveniences.

4. To cross, stop up, alter or divert, temporarily or permanently, or otherwise interfere with foreshores, roads, passages, sewers, water-courses, and other works where necessary in the construction of the said intended works or any of them.

5. To borrow moneys for the purposes of the existing and intended works and of the proposed Order on the security of their undertaking, including the said intended works, and the lands and property connected therewith, and on the tolls, rates, duties, and charges already authorised by the provisions of the Act relating to Poole Harbour, 29 Geo. II, cap. 10, or by the Pier and Harbour Order Confirmation (No. 3) Act, 1891, or either of them.

6. And powers will be taken by the proposed Order to provide that the said intended works shall, for all purposes of civil and criminal jurisdiction and all other purposes whatsoever, be deemed to form part of and to be within the limits within which the Trustees, their officers, and servants, are authorised by the said several Acts or otherwise to exercise jurisdiction.

7. To provide for the maintenance and management of the said intended works and all matters relating thereto, and to amend and enlarge

certain provisions of the said several existing Acts, and to apply the harbour funds in aid of the execution and maintenance of the said intended works and any other works which may be constructed outside the harbour.

8. The proposed Order will vary and extinguish all rights and privileges which might interfere with its objects, and confer other rights and privileges, and will incorporate with itself such of the provisions as may be deemed necessary of the Lands Clauses Consolidation Acts, 1845, 1860, and 1869, and the Harbours, Docks, and Piers Clauses Acts, 1847, and will alter, amend, extend, incorporate with, re-enact, and in part repeal such of the provisions as may be thought necessary of the Poole Harbour Act, 29 George II, cap. 10, and the Pier and Harbour Order Confirmation (No. 3) Act, 1891, and any other Act relating to Poole Harbour.

And notice is hereby given, that on or before the 30th day of November, 1893, duplicate plans and sections of the proposed works, with a copy of this Notice as published in the London Gazette, will be deposited for public inspection with the Clerk of the Peace for the county of Dorset, at his office at Sherborne, in the said county, and with the Clerk of the Peace for the town and county of Poole, at his office in King-street, Poole, and at the Custom House of the port of Poole, and at the Board of Trade, Whitehall-gardens, London.
