

the nineteenth and twentieth years of Her Majesty, chapter one hundred and four, duly prepared and laid before Her Majesty in Council a scheme bearing date the sixteenth day of November, in the year one thousand eight hundred and ninety-three, in the words following, that is to say:—

“We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of Your Majesty chapter thirty-seven and of the Act of the nineteenth and twentieth years of Your Majesty chapter one hundred and four, have prepared and now humbly lay before Your Majesty in Council the following scheme for compensating a spiritual person to wit the Reverend George Depledge Clerk in Holy Orders the vicar or incumbent of the vicarage of the new parish of Attercliffe, in the diocese of York whose emoluments as such incumbent have been diminished by reason of proceedings under one or both of the said Acts.

“Whereas in the year one thousand eight hundred and seventy-four the district of Saint Bartholomew Carbrook was constituted under the New Parishes Acts or some or one of them partly out of the said new parish of Attercliffe and partly out of the new parish of Darnall in the said diocese of York and the same district of Saint Bartholomew Carbrook became a new parish on the twenty-sixth day of November in the year one thousand eight hundred and ninety-one.

“And whereas it has been made to appear to us that the fees dues or other emoluments of the said George Depledge as such vicar or incumbent as aforesaid have been diminished by reason of the constitution of the said district and new parish of Saint Bartholomew Carbrook and that the payment to the said George Depledge of the annual sum of sixteen pounds would provide a just and reasonable compensation for such diminution.

“Now therefore we the said Ecclesiastical Commissioners humbly recommend and propose that in respect of and in compensation for the diminution aforesaid there shall be paid by us to the said George Depledge so long as he shall continue to be the vicar or incumbent of the said vicarage of the new parish of Attercliffe as aforesaid and no longer the annual sum of sixteen pounds payment of such annual sum being made (except as to the back payments hereinafter mentioned) in equal half-yearly portions upon the first day of May and the first day of November in each year but with the right also to a proportionate payment in respect of any period being less than half-a-year which may elapse between the first day of May or the first day of November (as the case may be) in any year and the avoidance from whatever cause by the said George Depledge of the vicarage or incumbency of the said new parish of Attercliffe.

“And we further recommend and propose that the right of the said George Depledge to receive the said annual sum of sixteen pounds shall be held to have accrued and that payment thereof shall accordingly be made as from the said twenty-sixth day of November in the year one thousand eight hundred and ninety-one that being the day upon which the cure in respect of the constitution of which such compensation is made became a new parish as aforesaid and upon which therefore the incumbent of such new parish became empowered to perform in the church thereof those offices and became entitled to retain for his own benefit those fees in consideration of the loss of which to the said George Depledge the

amount of the compensation grant in this scheme recommended and proposed has been fixed by us.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of York.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

And whereas the Right Honourable Herbert Henry Asquith, one of Her Majesty's Principal Secretaries of State, after ten days' previous notice of his intention to make such representation had been duly given to the churchwardens of the parish of Saint John, Clerkenwell, has made a representation, stating that he is of opinion that for the purpose of preventing the vaults and places of burial under and adjacent to the church of Saint John, Clerkenwell, from becoming or continuing dangerous or injurious to the public health, an Order in Council should be made for the adoption of the measures hereinafter set forth:

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased to order, and it is hereby ordered, that the said churchwardens or such other person or persons as may have the care of the vaults and places of burial under and adjacent to the said church, do adopt, or cause to be adopted, the following measures, viz. :—
