INCOME TAX.

WHEREAS by the Taxes Management Act, 1880 (43 and 44 Vict., ch. 19), power is given for increasing in certain cases the number of persons appointed, under the provisions made by the Income Tax Act of 1842, Commissioners for the general purposes of the Income Tax, and persons to supply vacancies amongst such Commissioners in each district or division in Great Britain; and it appearing to the Board of Inland Revenue that the number of persons so appointed for the division of Fareham, in the county of Southampton, is insufficient for the proper discharge of the business therein arising under the Tax Acts, the said Board hereby authorize the increase in the number of the Commissioners for the said division to any number not exceeding fourteen, and of persons to supply vacancies amongst such Commissioners to any number not exceeding fourteen; and we, the undersigned, two members of the said Board, do hereby convene a meeting of the persons appointed for putting in execution within the said county an Act passed in the 38th year of the reign of King George the Third, intituled "An Act for granting an aid to His Majesty by a Land Tax to be raised in Great Britain for the service of the year 1798," being respectively qualified to act as Commissioners in the execution of the last-mentioned Act, to be holden at the office of the Clerk to the Commissioners of Taxes, in Fareham, on Thursday, the 21st day of December, 1893, at half-past eleven o'clock in the forenoon, for the purpose of choosing and appointing, according to the regulations of the said Income Tax Act of 1842, such number of fit and proper persons to be Commissioners for general purposes for the said division of Fareham, and of persons to supply vacancies amongst such Commissioners, as may be sufficient to increase the number of such Commissioners to any number not exceeding

fourteen, and of persons to supply vacancies amongst such Commissioners to any number not exceeding fourteen.

Board of Trade—Session 1894.

Collier Marr Moss Side Electric Lighting
(Provisional Order).

(Power to the Collier Marr Telephone and Electrical Manufacturing Company, Limited, to Supply Electricity in Moss Side Sanitary District; Breaking up of Streets, &c.; Purchase, &c., of Lands; Rates, &c.; Agreements with Local Authorities; Incorporation of Acts, &c., &c.)

NOTICE is hereby given, that application is intended to be made to the Board of Trade by the Collier Marr Telephone and Electrical Manufacturing Company, Limited, whose address is Derby-street, Oxford-road, Manchester (in this Notice called "the Undertakers"), for a Provisional Order (hereinafter called "the Order"), to be confirmed by Parliament in the ensuing Session, under and subject to the provisions of the Electric Lighting Acts, 1882 and 1888, for effecting all or some of the following objects (that is to say):—

1. To authorise the Undertakers to produce, store, and supply electricity, as defined by the said Acts, for public and private purposes within the area hereinafter mentioned, and for those purposes to open, break up, and interfere with all streets, roads, and public places, ways, foot-paths, railways, tramways, rivers, bridges, culverts, sewers, drains, mains, pipes, telegraph and pneumatic tubes, and pipes or wires and apparatus, and to lay down, set up, maintain, renew, and remove, either above or underground, or otherwise, pipes, tubes, wires, posts, apparatus, or other works or things, and to confer all such other powers upon the Undertakers as may be necessary for effecting the objects of the proposed Undertaking.

2. To authorise the Undertakers to manufacture, purchase, hire, sell, and let all necessary machines, lamps, and accumulators, meters, fittings, plant, machinery, and other matters or things required for the purposes of the said Undertaking, and to acquire, work, and use patents for the producing, storing, controlling, distributing, and measuring, or otherwise relating to the supply of electricity.

3. To enable the Undertakers to purchase, hold, acquire, or take on lease any lands, or interests, or easements, in or over any lands, or to appropriate for the purposes of the Order, any lands from time to time belonging to, or held by them, and to erect, maintain, work, and use upon such lands all necessary stations, storehouses, buildings, dynamos, engines, batteries, machinery, apparatus, works, and appliances, for the production, storage, and distribution of electricity, or other the purposes of the Order.

4. To authorise the Undertakers to take, collect, and recover rates, rents, and charges for the supply of electricity, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

5. To authorise the Undertakers to enter into and fulfil contracts and agreements with local authorities, companies, or persons for the execution and maintenance of works, machinery, and apparatus; and the supply of electricity.

6. To make provision for the inspection and testing of mains, conductors, and works, for the
