Board of Trade (Harbour Department), London, December 20, 1893.

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated 12th December, 1893, from Her Majesty's Representative at Sofia, reporting that the Supreme Sanitary Council of Sofia have decided that travellers arriving from Austria-Hungary and Roumania, by way of the Danube, shall be allowed to enter Bulgaria after a medical inspection and disinfection of luggage.

Travellers arriving from the Roumanian Black Sea ports shall be subjected only to twenty-four hours' medical observation and strict disinfection of luggage.

Goods arriving from Austria-Hungary and Roumania shall now be admitted into Bulgaria without quarantine or disinfection. Also goods, hitherto prohibited, shall be admitted free into Bulgaria from Austria-Hungary and Roumania if accompanied by a certificate stating that they come direct from those countries, and not in transit from contaminated countries, such as Turkey and Russia, in which latter case they will not be allowed admission.

These regulations are in force since the 8th instant.
