**SPAIN.—CERTIFICATES OF ORIGIN.**

**T**HE Secretary of State for Foreign Affairs has received the following Despatches from Her Majesty's Ambassador at Madrid:—

No. 1.

Sir H. Drummond Wolff to the Earl of Rosebery.

(Received December 17.)

MY LORD, *Madrid, December 14, 1892.*

I HAVE the honour to transmit to Your Lordship translation of a Royal Order on the subject of certificates of origin.

I have, &c.,

(Signed) H. DRUMMOND WOLFF.

Inclosure in No. 1.

EXTRACT from the Madrid Official Gazette of December 14, 1892.

Ministry of Finance.

ROYAL ORDER.

(Translation.)

IN view of the representations made to this Ministry by the Spanish Chamber of Commerce in London, requesting that—

1. The said Corporation alone, or their representatives in British ports, shall alone be authorized to legalize certificates of origin on British goods intended to be conveyed to the Peninsula;

2. That they be authorized to charge a duty of 1 peseta 20 centimes for each certificate of origin which they issue;

And considering that by Article A, Case 5, Rule 12 of the Tariff, the Chambers of Commerce and Navigation are able to legalize certificates of origin;

The Queen-Regent, in the King's name, &c., has been pleased to order as follows:—

1. That the Spanish Chamber of Commerce in London, as well as such others as have been established by the Government, may, if they think it expedient, allow certificates of origin to be drawn up in the same form as are used by foreign Chambers of Commerce, in conformity with the Regulation A, Case 5 of Rule 12 of the Tariff, provided that it be stated thereon that the person who signs the certificate is the producer or manufacturer of the articles mentioned in the document, or that he is a person authorized by the same to do so.

2. That this authority, which was asked for by the Chamber of Commerce, is not granted for the purpose of enabling them to impose a charge for legalizing the certificates of origin, as the existing law does not sanction such an impost.

I bring this Royal Order to your notice, in order that it may be put into force.

(Signed) CONCHA.

SIR,

IN reply to your note of the 5th instant, I have the honour to inform your Excellency that the sense or interpretation of the Royal Order, promulgated on the 18th October, 1892, by the Ministry of Finance, is that of authorizing the Spanish Chambers of Commerce established abroad, and therefore those established in England, to authorize in their turn the certificates of origin of merchandize destined for Spain, which the Custom-houses will accept in the same form as those visé by the authorities or Chambers of Commerce of the country of origin.

I have, &c.

#### *Movement of Fat Swine out of Infected Area for Slaughter.*

3. Fat swine may be moved from a place in an Infected Area but not in a Swine-Fever Infected Place to premises not within that Infected Area with a Movement Licence (in the Form A set forth in the Schedule to this Order or to the like effect) of the Local Authority of the District in which the place from which the swine are to be moved is situate for the purpose of being slaughtered in manner and under the conditions following—

If the swine are to be moved into or through the District of another Local Authority then (subject to the provisions of this Order as to agreements between Local Authorities respecting movement) there must also be a further Movement Licence of that other Local Authority indorsed on or referring to the first-mentioned Licence, which second Licence must be granted before the swine are moved into or through the District of that other Local Authority.

(iv.) The swine moved under this Article shall be slaughtered within four days after their arrival at the premises specified in the Licence; and the Local Authority of the District in or into which the swine are moved shall take such steps as are necessary to insure that the swine are moved to the specified premises and are slaughtered there within such four days.

(2.) The Declaration shall be to the effect—

(c.) that the swine are not affected with swine-fever, and have not during the period of twenty-eight days as aforesaid been in any way exposed to the infection of swine-fever.

(3.) If the swine are to be moved into or through the District of another Local Authority then (subject to the provisions of this Order as to agreements between Local Authorities respecting movement) there must also be a further Movement Licence of that other Local Authority indorsed on or referring to the first-mentioned Licence, which second Licence must be granted before the swine are moved into or through the District of that other Local Authority.

(4.) The swine shall be moved to the specified place by a route to be prescribed in the Licence. The swine after they are received at the specified place shall be kept for twenty-eight days under the supervision of the Local Authority and shall not be moved from that place until after the expiration of that period.

*Movement of Swine within Infected Area.*

5.—(1.) Movement of swine within an Infected Area is subject to any Regulation made under this Article by the Local Authority.

(3.) No Regulation of a Local Authority prohibiting or regulating movement of swine other

than a Regulation made under this Article shall apply to any part of an Infected Area.

(6.) The power to make Regulations under this Article shall be exercised only by a Local Authority or their Executive Committee, and shall not be deputed to any other Committee nor to a Sub-Committee.

*As to Movement of Swine by Railway through Infected Area or a District of a Local Authority without untrucking.*

6. For the purposes of this Order or of any Regulation of a Local Authority thereunder, swine shall not be deemed to be moved out of or within an Infected Area or into or through the District of a Local Authority where they are moved through such Area or District by railway from a place outside such Area or District to another place outside such Area or District without unnecessary delay and without the swine being untrucked or re-booked within such Area or District.

(b.) The swine shall be kept at the said railway-station until trucked, and shall then be moved by railway to the place of destination without untrucking.

(2.) If any pig landed from Ireland at a port or place in an Infected Area as aforesaid is moved out of the Infected Area in contravention of the foregoing conditions, the owner of the pig, and the person for the time being in charge thereof, and the person causing, directing, or permitting the movement, and the person moving or conveying the pig, and the consignee or other person receiving or keeping it knowing it to have been moved in contravention as aforesaid, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1878.

*Movement of Swine by Licence of Board.*

8. Notwithstanding anything in this Order or in any Regulation of a Local Authority thereunder, swine may be moved in any circumstances with a Licence of an Inspector of the Board or of a person authorized by the Board to grant the

same, which Licence will only be granted where the Board, after inquiry, are satisfied that exceptional circumstances render the movement necessary or expedient.

*Agreements between Local Authorities respecting Movement of Swine.*

9.—(1.) With respect to the movement of swine out of an Infected Area under this Order from a place in the District of one Local Authority into or through the District of another Local Authority, those Local Authorities may, if they think fit, notwithstanding anything in this Order, agree that movement to a specified slaughter-house, or movement in any other case specified in the agreement, or movement in all cases under this Order, may be made without a Movement Licence of the secondly-mentioned Local Authority indorsed on or referring to the Movement Licence of the first-mentioned Local Authority.

(4.) Every such agreement shall be in writing signed by the respective clerks of the Local Authorities, by special direction of the respective Local Authorities, and may be at any time revoked by either of the Local Authorities parties thereto, and every such agreement or revocation shall be published in such manner as the respective Local Authorities consider best fitted to insure publicity for the same.

(6.) Notice of the revocation or determination of any such agreement shall be given to every such railway company, and also to the Secretary of the Railway Clearing House; and every agreement of which a copy is so sent shall, as regards each railway company, be treated as in force until notice of the revocation or determination thereof is given to that railway company.

down the back and another broad line across the loins of each of the swine thus +, each line being not less than nine inches long.

(ii.) Every pig that is exposed at the public sale so licensed, whether it is sold thereat or not, shall be slaughtered within four days after and exclusive of the day on which the sale is held.

(iii.) Any swine exposed at the public sale so licensed may be moved from the place of sale to any other place, whether within the Infected Area or not, with a Movement Licence (in the Form C set forth in the Schedule to this Order or to the like effect) of the Local Authority in whose District the public sale is held, which Licence shall be in force for not more than five days inclusive of the day of issue and shall specify the name and address of the person to whom the Licence is granted and the name or description of the slaughter-house, pig-sty, or other place of destination to which the swine are to be moved.

(iv.) If the place of destination is in the District of another Local Authority outside the Infected Area then (subject to the provisions of this Order as to agreements between Local Authorities respecting movement) there must also be a Movement Licence of that other Local Authority indorsed on or referring to the first-mentioned Licence, which second Licence must be granted before the swine are moved into the District of that other Local Authority.

(v.) Where an agreement has been entered into between the Local Authorities concerned under the provisions of this Order, so as to render the second Licence referred to in the preceding paragraph unnecessary, a copy of the agreement, or a copy of an extract of the agreement shall be posted or placarded at some conspicuous place near to the entrance to the sale.

(vi.) The swine while being moved under this Article shall so far as practicable be kept separate from all other swine.

(vii.) The Local Authority of the District in which the place of destination is situate shall take such steps as are necessary to insure that the swine are moved to the said place and are slaughtered there within four days after and exclusive of the day on which the sale was held.

**Indian Railways.**

(Powers to Indian Railway Companies to pay Interest out of Capital during Construction.)

**N**OTICE is hereby given, that it is intended to apply to Parliament in the next session of Parliament for a public Act for all or some of the following purposes:—

1. To authorize an Indian Railway Company to pay interest on its paid-up share capital out of capital, subject to the conditions that—

(1.) Such interest shall be paid only for such period as shall be determined by the Secretary of State in Council of India (hereinafter called "the Secretary of State"), and such period shall in no case extend beyond the close of the half-year next after the half-year during which the railway, for the purpose of which the Company is formed, shall be actually complete and open for traffic.

(2.) No such payment shall be made by a Company unless authorized by its Memorandum of Association.

(3.) No such payment shall be made without the previous sanction of the Secretary of State.

(4.) The amount so paid shall in no case exceed, together with net earnings, 4 per cent. per annum.

(5.) No payment shall be made until the Company has satisfied the Secretary of State that two-thirds of its share capital in respect of which interest is to be paid has been actually issued and accepted and is held by shareholders who are legally liable for the same.

(6.) No such interest shall accrue in favour of any shareholder for any time during which any call on any of his shares is in arrear.

2. To authorize an Indian Railway Company, who is about to make a railway in addition to or as an extension of its undertaking, and for that purpose issues fresh capital, such Company may

pay interest on such fresh capital out of capital in manner aforesaid, and as if the railway had been the railway for which the Company is formed.

3. To provide for the giving notice in every prospectus, &c., of these powers.

4. The amount and rate of interest to be shown in accounts.

5. And to provide that if a Company has power to borrow money and if such power is limited to an amount bearing any proportion to the capital of the Company, the amount of capital applied or to be applied in payment of interest under the Act shall, for the purposes of ascertaining the extent of such power of borrowing, be deducted from the capital of the Company.
