Of these four two at least shall be Official Students. If a vacancy occur in the Board by resignation or otherwise, it shall be competent for the Governing Body at an Ordinary Meeting to elect a person to fill the vacant place for the remainder of the year.

STATUTE XVI.

8. Official Students shall, except as hereinafter provided, be chosen from those who have held for at least three years Non-Official Studentships and are unmarried.

These Students shall be appointed by the Governing Body at a Stated Meeting.

10. The emoluments of the Official Students, as such, shall be the same with those of Non-Official Students already provided for; but, in addition thereto, each such Student shall receive, in respect of the educational or other work to be done by him (subject to the provisions hereinafter contained), a stipend consisting of £100 per annum out of the general revenues of the House, together with a variable sum, to be paid out of the Tuition Fund, which shall depend partly on the length of service and partly on the amount of work required from each Student. Such variable sum shall be determined from time to time by the Salaries Board hereinbefore mentioned.

11. Every person appointed to an Official Studentship shall be entitled to hold his Studentship, (subject to the provisions for vacating Studentships otherwise than by lapse of time and for deprivation of Students in these Statutes contained) for a period of fifteen years (except as hereinafter provided); but any Official Student may, at any time within two years before the expiration of the period for which he shall have been originally appointed or last previously re-appointed, be re-appointed for any period not exceeding ten years from the expiration of the period for which he was originally appointed, or last previously re-appointed as the case may be, each re-appointment being made by the Governing Body at a Stated Meeting.

13. Every Official Student, who at the time of his appointment shall not be married, shall vacate his Studentship by marriage, if such marriage shall take place within seven years from the day of his appointment. The Censors hereinafter named shall be elected annually by the Governing Body out of the Official Students, and shall reside in College. Such leave may be granted upon such conditions as the Governing Body shall think fit to require; and on breach of any such condition he shall be liable to be deprived of his Studentship. The Salaries Board shall determine what change shall be made in his Stipend; which Stipend, in the case of a Student relieved altogether from Educational work, shall not exceed £300 a year, including the emoluments of his Studentship.

17. In case any Official Student shall desire by reason of ill-health, or for the purpose of study, or for other sufficient cause approved by the Governing Body, to absent himself or to suspend teaching for a limited period, it shall be lawful for the Governing Body to grant him leave for such purpose, with such reduction of stipend as to the Salaries Board shall seem fit.

18. In case any Official Student shall, in the judgment of the Governing Body, be incapacitated from performing the duties assigned to him, or conduct himself negligently or improperly therein, the Governing Body shall have power to declare his place vacant, and the same shall thereupon become vacant accordingly. The Governing Body shall have power, if they think fit, to grant to any such Student so removed by them from his place on the ground of his having become incapacitated without culpable negligence or other improper conduct, and also to any such Student who, on the expiration of the original or any subsequent term for which he may have been appointed, shall not be re-appointed, a pension of such amount and for such period of time as the Governing Body shall think fit; but no such pension shall in any case exceed in amount that which he might have received had he retired voluntarily in consequence of ill-health, or otherwise, in the year of such compulsory retirement.

19. Any Student who, having served the House for a period of fifteen years as an Official Student shall be compelled to retire by reason of ill-health, may, by a vote of the Governing Body, receive a pension not exceeding for the fifteen years £200 a year, which may be increased by a sum not exceeding £15 a year for each additional year's service in this class.

22. The Governing Body may, by a vote of a majority of those present and voting at a Meeting specially summoned for the purpose appoint to an Official Studentship, (for a period not exceeding fifteen years,) any person who may be deemed eminently fitted for the educational requirements of the House. (Such person, if unmarried, shall be under such restriction (if any) as regards celibacy as the Governing Body shall determine at the time of his appointment, provided only that such restriction shall not exceed that imposed by Clause 13.) He shall, as far as seniority is concerned, be placed in the same position as he would have held had he been appointed from the Non-Official Students, unless the Governing Body at the time of his appointment shall think fit to confer upon him any other rank, which they shall have power to do; but so as to entitle him to no other than honorary privileges.

STATUTE XVII.

5. The tenure of a Reader's office, the mode of his election or appointment, the duties to be per-

| Spraggs, James ... | 7, Midland Coal Depôt, West Kensington, and 30, Musgrave-crescent, both in Middlesex | Coal Merchant ... | High Court of Justice in Bankruptcy | 660 of 1892 | Jan. 30, 1894 | Discharge suspended for ten years. Bankrupt to be discharged as from 30th January, 1904. The Court for special reasons, viz.:—That the bankrupt was ordered to be imprisoned in Her Majesty's Prison, Pentonville, for three months, as a first class misdemeanant, only determined that his Discharge shall not on that ground be absolutely refused | Bankrupt's assets are not of a value equal to 10s. in the pound on the amount of his unsecured liabilities; that he had omitted to keep such books of account as are usual and proper in the business carried on by him, and as sufficiently disclose his business transactions and financial position within the three years immediately preceding his bankruptcy; had continued to trade after knowing himself to be insolvent; had within three months preceding the date of the Receiving Order, when unable to pay his debts as they became due, given an undue preference to one of his creditors; and the bankrupt had committed the following misdemeanours, viz.: he unlawfully did make and cause to be made a transfer of a certain part of his property, to wit, the sum of £100 in money to Charles Morgan with intent to defraud his creditors; also for that he did make the said transfer to the said Charles Morgan with intent to defraud the Governor and Company of the Bank of Scotland, being creditors of the said James Spraggs; also for that he having been duly adjudged a bankrupt unlawfully did make and was privy to the making of a certain false entry of the said Charles Morgan, being a partly secured creditor, in a document relating to his affairs, with intent to conceal the state of his affairs; and for that he did fraudulently make an omission from a certain document relating to his affairs, to wit, a cash account; and the said bankrupt was tried and convicted of the said offences and was ordered to be imprisoned in Her Majesty's Prison, Pentonville, for three calendar months, as first class misdemeanant. And it has been proved that the bankrupt has also committed the following misdemeanour: the bankrupt after the presentation of a Bankruptcy Petition by him has attempted to account for part of his property by fictitious losses or expenses |
