REGULATIONS

TO BE OBSERVED AT THE QUEEN'S DRAWING ROOMS.

By Her Majesty's Command,

The Ladies who propose to attend Her Majesty's Drawing Rooms are requested to bring with them to the Drawing Room two large cards, with their names *clearly written* thereon, one to be left with The Queen's Page in Attendance, and the other to be delivered to the Lord Chamberlain, who will announce the name to The Queen.

PRESENTATIONS.

The privilege of making presentations to The Queen at a Drawing Room is restricted to those Ladies who have themselves been previously presented to Her Majesty, and who are themselves present at the Drawing Room.

Under such circumstances a Lady has the privilege of presenting one Lady only at a Drawing Room in addition to her Daughters or Daughters-in-law.

This restriction does not apply to Ladies who, from official position or other circumstances, are specially privileged to make presentations to Her Majesty.

The Lady who proposes to present another must send in writing the name of such Lady to the Lord Chamberlain's Office, not later than *two days* previous to the Drawing Room, in order that the Lord Chamberlain may submit the name to Her Majesty, when, if it be approved, presentation cards will be forwarded.

Printed Forms for this purpose can be obtained at the Lord Chamberlain's Office.

It is particularly requested that the names of the Lady to be presented be *very distinctly written* on the presentation cards to be delivered

to the Lord Chamberlain at the Drawing Room, in order that there may be no difficulty in announcing them to The Queen.

The number of Presentations is limited to 200 at each Drawing Room.

It is not expected that Gentlemen will present themselves at a Drawing Room, except in attendance on the Ladies of their families.

Any Gentleman who under these circumstances should desire to be presented to The Queen will observe the same regulations as are in force for Her Majesty's Levees.

The State Apartments will be open for the reception of Company coming to Court at two o'clock.

WE, the Commissioners of Her Majesty's Treasury, in pursuance of the Acts relating to Her Majesty's Post Office, and in exercise of all powers enabling us in this behalf, do, by this Warrant, made on the representation of Her Majesty's Postmaster-General (testified by his signing the same), order, direct, and declare as follows:—

1. From and after the date when this Warrant comes into operation, the Warrant of the Commissioners of Her Majesty's Treasury, dated the 21st day of July, 1893, shall be repealed, revoked, and annulled.

Definition.

2. In this Warrant—

(1.) The expression "Parcel" means a Postal Packet which is posted as a Parcel in accordance with the provisions of this Warrant, or any Warrant amending the same;

(2.) The expression "United Kingdom" includes the Channel Islands and the Isle of Man.

Places between which Parcels may be transmitted.

3. From and after the date when this Warrant comes into operation Parcels may, subject to the

provisions of this Warrant, be transmitted by post between the United Kingdom and British Central Africa via Cape Town.

Rates of Postage.

4. On all Parcels transmitted by post under this Warrant between the United Kingdom and British Central Africa, there shall be charged and paid the following rates of postage; that is to say:—

On every Parcel not exceeding one pound in weight one shilling and sixpence.

On every Parcel exceeding one pound and not exceeding seven pounds in weight, for the first pound one shilling and sixpence, and for every additional pound or fraction of a pound in weight one shilling and sixpence.

Maximum Dimensions and Weight.

5. Except by permission of the Postmaster-General, there shall not be conveyed or tendered for conveyance by post under this Warrant any Parcel the dimensions of which shall exceed in length three feet six inches, or in length and girth measured together six feet (such girth being measured round the thickest part of such Parcel), or which shall exceed in weight seven pounds.

Prepayment.

6. The postage chargeable as hereinbefore mentioned shall in all cases (except as otherwise provided in this Warrant) be prepaid at the time of posting, and such prepayment shall in the United Kingdom be effected by means of adhesive postage stamps, or at such Post Offices, within such hours, and under and subject to such regulations as the Postmaster-General shall from time to time prescribe, in money.

Times of Posting.

7. Parcels intended to be transmitted by post may, in the United Kingdom, be posted on any day of the week except Sunday, but shall not be posted on Sundays, or in England or Ireland on Christmas Day or Good Friday, and in Scotland on either of the two Sacramental Fast Days, except in the cases next hereinafter mentioned, that is to say:—

Irregular Posting of Parcels.

11. Any Packet transmissible by Parcel Post from the United Kingdom which, from any words or marks thereon, or other external evidence, appears to have been intended for transmission as a Parcel, but which has not been tendered for transmission as a Parcel, but has been posted in a Post Office letter-box, or otherwise than according to the manner hereinbefore prescribed for the posting of Parcels, may, in the discretion of the Postmaster-General, either be detained or returned or given up to the sender, or if the said Packet is fully prepaid with the Letter or Book rate of postage, and otherwise conforms to the Regulations as to the Letter or Book Post, the same may be forwarded as a Letter or Book Packet (as the case may be).

Return and Disposal of Undelivered Parcels.

12. With regard to—

- (a.) Parcels which are addressed to a Post Office in the United Kingdom to be called for, or to a place in the United Kingdom beyond the limits of the free postal delivery of any town or district, or to a ship at any port in the United Kingdom, and which are not called for or delivered within such reasonable times as the Postmaster-General may from time to time prescribe; and
- (b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason;

the following provisions shall (subject to the provisions of the Warrant of the said Commissioners of the 12th day of December, 1888, relating to Foreign and Colonial Parcels) apply; (that is to say):—

- (1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from time to time appoint, and may, if necessary, be there opened and examined.

- (2.) Where the name and address of the sender

can be ascertained from the Parcel or the declaration accompanying the same, notice shall be given by post to the sender through the Post Office of British Central Africa, that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender or his agent upon personal application at such place as aforesaid, or at the request of the sender will be forwarded to a corrected address or returned to him by post in either case upon the conditions hereinafter mentioned.

- (3.) Where the name and address of the sender cannot be ascertained from the Parcel, notice shall be publicly given (by affixing the same at such place or places, or in such other manner as the Postmaster-General may direct), and notice shall also be given to the Post Office of British Central Africa that the Parcel will, in default of any claim on the part of the addressee, and upon payment of such charges as are hereinafter mentioned, be given up upon the personal application of the sender or his agent, or be returned to the sender by post.

- (4.) In any case the notice shall state that, in default of the receipt by the Postmaster-General of an application for the Parcel during a period to be specified in such notice from some person who, in the Postmaster-General's judgment, is entitled to receive the Parcel, it will be disposed of in such a manner as the Postmaster-General may direct.

- (5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.

- (6.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—

(a.) Where the corrected address of the Parcel is within the same free delivery as the original address, and the Parcel is not at the time of such correction lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.

(b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, there shall be paid a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.

- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for re-direction or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."

- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rate fixed by this Warrant, and in such case the said rate of postage and all other charges to which the Parcel has become liable, if not pre-

paid by the sender, shall be collected on the delivery of the Parcel to him.

(9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.

(10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Re-direction to places out of United Kingdom.

13. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom, to any country or place with which a Parcel Post to or from the United Kingdom or British Central Africa is established, and in every case of such re-direction there shall be charged on such Parcel in respect of such re-direction a new and distinct rate of postage according to the rates for the time being payable in respect of the transmission of a like Parcel from the United Kingdom to the country or place to which it may be re-directed, and such postage, if not paid at the time of such re-direction, shall be collected on the delivery of the Parcel to the addressee.

Re-direction to places within United Kingdom.

14. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom, to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an inland parcel.

Remission of Re-direction Rates.

15. The Postmaster-General may wholly remit the rate of postage for re-direction on any Parcel addressed to the United Kingdom which may, on the request of the addressee thereof, be re-directed by an Officer of the Post Office, and again forwarded by post to the same person at any address within the limits of the same free postal delivery as the address from which such Parcel was so re-directed.

Prohibitions.

16. There shall not be posted or conveyed or delivered by post any Parcel—

- (1.) Consisting of or containing any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any indecent or obscene article, whether similar to the above or not; or

18. In any case not in this Warrant expressly provided for, where any Parcel shall be posted or tendered for conveyance by post which in any respect infringes or fails to comply with the regulations in this Warrant contained, or any of them, such Parcel may, at the option of the Postmaster-General, either be dealt with as in this Warrant provided, with reference to Parcels which cannot be delivered, or be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Provision for Safety of Parcels.

19. In any case where any officer of the Post Office may find it necessary or expedient for the safety or protection of Parcels that any Parcel should be forwarded or delivered by some later despatch or delivery than that for which the same was posted or despatched, or intended to be posted or despatched respectively, he may delay the despatch or delivery of such Parcel, or make such other and special arrangements as to the despatch or delivery thereof, not, however, involving a greater delay than 24 hours in the whole, as may be deemed by such officer necessary or expedient in the circumstances of the case.

Parcels not to interfere with Letter Post.
