*Board of Trade (Harbour Department),
London, July 7, 1894.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of the following Despatch, from Her Majesty's Consul-General at Antwerp:—

*British Consulate-General,
Antwerp, June 28, 1894.*

No. 7.—Commercial.

My Lord,

I have the honour to inform your Lordship that the report circulated that cases of Asiatic cholera have appeared in this city is entirely without foundation. The public health of Antwerp and neighbourhood is excellent, and the death rate is said to be far below the average of other years at this season.

A few cases of cholera or cholera appeared in the district of Liège some weeks back; but I learn that the disease, whatever it may have been, was stamped out through the energetic measures taken by the Belgian authorities.

If the contents of this letter could be made public I feel sure that the Antwerp authorities and Exhibition Committee would be very grateful to your Lordship.

I have, &c.,

(Signed) G. R. DE COURCY PERRY.
The Earl of Kimberley, K.G.,
&c., &c., &c.

Agreements between Local Authorities of Districts within an Infected Area respecting Movement of Swine.

9.—(1.) With respect to the movement of swine under this Order from a place in the District of one Local Authority (such place being within an Infected Area) into or through the District or part of the District of another Local Authority (such District or part being also within the same Infected Area), those Local Authorities may, if they think fit, notwithstanding anything in this Order, agree that movement to a specified slaughter-house, or movement in any other case specified in the agreement, or movement in all cases under this Order, may be made without a Movement Licence of the secondly-mentioned Local Authority.

(2.) Every agreement under this Article shall be expressed to be, and shall be deemed to constitute, a Licence for movement in each case to which it relates.

(3.) Every such agreement shall provide that a copy of every Licence granted by one Local Authority for movement into or through the District of another Local Authority shall be sent by the first-mentioned Local Authority to such other Local Authority.

(4.) Every such agreement shall be in writing signed by the respective clerks of the Local Authorities, by special direction of the respective Local Authorities, and may be at any time revoked

(6.) Notice of the revocation or determination of any such agreement shall be given to every such railway company, and also to the Secretary of the Railway Clearing House; and every agreement of which a copy is so sent shall, as regards each railway company, be treated as in force until notice of the revocation or determination thereof is given to that railway company.

(v.) If the place of destination is in the District of another Local Authority or the swine are to be moved through the District of another

Local Authority then (subject to the provisions of this Order as to agreements respecting movement between Local Authorities of Districts within the Infected Area) there must also be a further Movement Licence of that other Local Authority.

(vi.) Where an agreement has been entered into between the Local Authorities concerned under the provisions of this Order, so as to render the second Licence referred to in the preceding paragraph unnecessary, a copy of the agreement, or a copy of an extract of the agreement, shall be posted or placarded at some conspicuous place near to the entrance to the sale.

(3.) The Licence for a sale under this Article or a copy of such Licence shall be posted and kept posted during the holding of such sale by the person licensed to hold or holding the same at or near the gate or other entrance of the market, sale-yard, or other place where such sale is held.

(4.) A Local Authority shall not grant a Licence for a sale under this Article unless they are satisfied that the place where the sale is to be held is capable of being cleansed and disinfected in accordance with the next following Article.

(5.) A Local Authority shall forthwith send to the Board a copy of every Licence granted by them for the holding of a sale under this Article.

(6.) If the Board are of opinion, with respect to any Licence of a Local Authority for a sale under this Article, that the holding of the sale thereby licensed is inexpedient, or that the Licence is objectionable in any particular, and direct the revocation thereof, the same shall thereupon cease to operate.

Cleansing and Disinfection of Markets in Infected Area.

12. Every market, fair-ground, and sale-yard in which a public sale of fat swine is held under the

last preceding Article, shall as soon as practicable after the sale, and in any case before it is again used for swine, be cleansed and disinfected as follows:

THE MARKETS AND FAIRS (SWINE-FEVER) ORDER OF 1894.

By the Board of Agriculture.

THE Board of Agriculture, by virtue and in exercise of the powers in them vested under the Board of Agriculture Act, 1889, and the Contagious Diseases (Animals) Acts, 1878 to 1893, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Extent.

1. This Order shall (except as otherwise expressed) extend and apply to the Districts and parts of Districts of Local Authorities defined for that purpose by any Order of the Board.

2. Notwithstanding any Regulation made by a Local Authority under any Order of the Board, no sale or exhibition of swine, fat or store, shall be held otherwise than in accordance with the provisions of this Order.

Public Sale of Fat Swine by Licence of Local Authority.

3.—(1.) A public sale of fat swine may be held with a Licence of the Local Authority on the following conditions (namely):

(i.) All swine exposed at the public sale so licensed shall forthwith after their arrival thereat be marked by and at the expense of

the owner by the painting with an indelible composition of red colour of a broad line down the back and another broad line across the loins of each of the swine thus +, each line being not less than nine inches long.

(ii.) Every pig that is exposed at the public sale so licensed, whether it is sold thereat or not, shall be slaughtered within four days after and exclusive of the day on which the sale is held.

(iii.) Swine exposed at the public sale so licensed shall not afterwards be exposed at any other sale in England or Wales or Scotland, whether such other sale is held in any District to which this Order extends or not, and such swine shall not be moved from the place of sale otherwise than in accordance with the following provisions of this Article.

(iv.) Any swine exposed at the public sale so licensed may be moved from the place of sale to any other place with a Movement Licence (in the Form set forth in the First Schedule to this Order or to the like effect) of the Local Authority in whose District the public sale is held, which Licence shall be in force for not more than five days inclusive of the day of issue and shall specify the name and address of the person to whom the Licence is granted and the name or description of the slaughter-house, pig-sty, or other place of destination to which the swine are to be moved.

(v.) If the place of destination is in the District of another Local Authority or the swine are to be moved through the District of another Local Authority then (subject to the provisions of this Order as to agreements between Local Authorities respecting movement) there must also be a further Movement Licence of that other Local Authority.

(vi.) Where an agreement has been entered into between the Local Authorities concerned under the provisions of this Order, so as to render the second Licence referred to in the preceding paragraph unnecessary, a copy of the agreement, or a copy of an extract of the agreement shall be posted or placarded at some conspicuous place near to the entrance to the sale.

(vii.) The swine moved under this Article shall be accompanied by the Licence or Licences required by this Article.

(viii.) The swine while being moved under this Article and until they are slaughtered shall so far as practicable be kept separate from all swine not marked for slaughter under this Order.

(ix.) The Local Authority of the District in which the place of destination is situate shall take such steps as are necessary to insure that the swine are moved to the said place and are slaughtered there within four days after and exclusive of the day on which the sale was held.

(2.) A Licence of a Local Authority for a sale under this Article shall be signed by the clerk of the Local Authority, by special direction of the Local Authority, and shall give notice of the conditions contained in this Article by specifying the same as conditions on which the Licence is granted, and may impose such further conditions, if any, as the Local Authority think expedient, and shall specify the name and address of the person licensed to hold the sale (as owner of a market, or as an auctioneer, or otherwise), and shall also specify the place where the sale is to be held, and may authorize the holding of periodical sales on stated days for a time limited, not exceeding one month, but the Licence may be renewed from time to time, and shall be published in such manner as the Local Authority consider best fitted to insure publicity for the same, and the Local Authority may at any time revoke any such Licence.

(3.) The Licence for a sale under this Article or a copy of such Licence shall be posted and kept posted during the holding of such sale by the person licensed to hold or holding the same at or near the gate or other entrance of the market, sale-yard, or other place where such sale is held.

(4.) A Local Authority shall not grant a Licence for a sale under this Article unless they are satisfied that the place where the sale is to be held is capable of being cleansed and disinfected in accordance with the next following Article.

(5.) A Local Authority shall forthwith send to the Board a copy of every Licence granted by them for the holding of a sale under this Article.

(6.) If the Board are of opinion, with respect to any Licence of a Local Authority for a sale under this Article, that the holding of the sale thereby licensed is inexpedient, or that the Licence is objectionable in any particular, and direct the revocation thereof, the same shall thereupon cease to operate.

Cleansing and Disinfection of Markets &c.

4. Every market, fair-ground, and sale-yard in which a public sale of fat swine is held under the

last preceding Article, shall as soon as practicable after the sale, and in any case before it is again used for swine, be cleansed and disinfected as follows:

(i.) all parts of the market, fair-ground, or sale-yard that have been used for swine shall be thoroughly swept and scraped, and all dung, sawdust, litter, or other matter effectually removed therefrom; then

(ii.) the same parts shall be thoroughly washed or scrubbed or scoured with water; then

As to Movement of Swine by Railway through a District of a Local Authority.

5. For the purposes of this Order swine shall not be deemed to be moved into or through the District of a Local Authority where they are moved through such District by railway from a place outside such District to another place outside such District without unnecessary delay and without the swine being untrucked or re-booked within such District.

Movement of Swine by Licence of Board.

6. Notwithstanding anything in this Order swine may be moved in any circumstances with a Licence of an Inspector of the Board or of a person authorized by the Board to grant the same, which Licence will only be granted where the Board, after inquiry, are satisfied that exceptional circumstances render the movement necessary or expedient.

Sale of Swine, Fat or Store, with Licence of Local Authority in cases where the Animals have been on Premises for 28 days.

7.—(1.) A public or other sale of swine, fat or store, may be held with a Licence of the Local Authority in any case where the sale is held in accordance with the following conditions (namely):

person licensed to hold or holding the same at or near the gate or other entrance of the farm or premises where such sale is held.

(4.) A Local Authority shall forthwith send to the Board a copy of every Licence granted by them for the holding of a sale under this Article.

(5.) If the Board are of opinion, with respect to any Licence of a Local Authority for a sale under this Article, that the holding of the sale thereby licensed is inexpedient, or that the Licence is objectionable in any particular, and direct the revocation thereof, the same shall thereupon cease to operate.

Sales or Exhibitions of Swine by Licence of Board.

8. Without prejudice to the foregoing provisions and in addition thereto a public or other sale or an exhibition of swine, fat or store, may be held with a Licence of the Board, which Licence will only be granted where the Board after inquiry are satisfied that exceptional circumstances render such sale or exhibition necessary or expedient.

(2.) Every agreement under this Article shall be expressed to be, and shall be deemed to constitute, a Licence for movement in each case to which it relates.

(3.) Every such agreement shall provide that a copy of every Licence granted by one Local Authority for movement into or through the District of another Local Authority shall be sent by the first-mentioned Local Authority to such other Local Authority.

(4.) Every such agreement shall be in writing, signed by the respective clerks of the Local Authorities, by special direction of the respective Local Authorities, and may be at any time revoked by either of the Local Authorities parties thereto, and every such agreement or revocation shall be

published in such manner as the respective Local Authorities consider best fitted to insure publicity for the same.
