Prepayment.

5. The postage chargeable as hereinbefore mentioned shall in all cases (except as otherwise provided in this Warrant) be prepaid at the time of posting, and such prepayment shall be effected by means of adhesive postage stamps, or at such Post Offices, within such hours, and under and subject to such regulations as the Postmaster-General shall from time to time prescribe, in money.

Return and Disposal of Undelivered Parcels.

11. With regard to—

- (a.) Parcels which are addressed to a Post Office in the United Kingdom to be called for, or to a place in the United Kingdom beyond the limits of the free postal delivery of any town or district, or to a ship at any port in the United Kingdom, and which are not called for or delivered within such reasonable times as the Postmaster-General may from time to time prescribe; and
- (b.) Parcels which cannot be delivered in the United Kingdom for want of a true direction, or by reason that the addressee is dead, or cannot be found, or has refused the same, or has refused to pay any charges thereon, or for any other sufficient reason;

the following provisions shall (subject to the provisions of the Warrant of the said Commissioners of the 12th day of December, 1888, relating to Foreign and Colonial Parcels) apply; (that is to say):—

- (1.) The Parcel shall, as the Postmaster-General may from time to time direct, be retained at or forthwith forwarded to such place as the Postmaster-General may from time to time appoint, and may, if necessary, be there opened and examined.
- (2.) Where the name and address of the sender can be ascertained from the Parcel or the declaration accompanying the same, notice shall be given by post to the sender through the Post Office of the country in which the Parcel was posted that the Parcel will, in default of any claim on the part of the addressee, be given up to the sender or his agent upon personal application at such place as aforesaid, or at the request of the sender will be forwarded to a corrected address or returned to him by post

in either case upon the conditions hereinafter mentioned.

- (3.) Where the name and address of the sender cannot be ascertained from the Parcel, notice shall be publicly given (by affixing the same at such place or places, or in such other manner as the Postmaster-General may direct), and notice shall also be given to the Post Office of the country in which the Parcel was posted that the Parcel will, in default of any claim on the part of the addressee, and upon payment of such charges as are hereinafter mentioned, be given up upon the personal application of the sender or his agent, or be returned to the sender by post.
- (4.) In any case the notice shall state that, in default of the receipt by the Postmaster-General of an application for the Parcel during a period to be specified in such notice from some person who, in the Postmaster-General's judgment, is entitled to receive the Parcel, it will be disposed of in such a manner as the Postmaster-General may direct.
- (5.) The Postmaster-General may, in his discretion, specify in any such notice, or otherwise, the periods during which Parcels may be returned to the senders thereof, and in so doing may have regard to the nature and contents of Parcels.
- (6.) Where in the case of a Parcel which cannot be delivered for want of a true direction, the sender corrects the address of the Parcel, the Parcel shall be forwarded to the corrected address, subject to the following conditions:—
 - (a.) Where the corrected address of the Parcel is within the same free delivery as the original address, and the Parcel is not at the time of such correction lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.
 - (b.) Where the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel at the time of such correction is lying at a Returned Letter Office, there shall be paid a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.
- (7.) A Parcel shall not be given up or returned by post to the sender except upon payment by him of any charge for re-direction or other charge to which the Parcel has become liable under the provisions of this Warrant, or of any such Regulations as are referred to in section 14 of "The Post Office (Parcels) Act, 1882."
- (8.) Where the sender requests a Parcel to be returned to him by post, such Parcel shall not be returned to the sender except upon payment by him of a new and distinct rate of postage, according to the rate fixed by this Warrant, and in such case the said rate of postage and all other charges to which the Parcel has become liable, if not prepaid by the sender, shall be collected on the delivery of the Parcel to him.
- (9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.
- (10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the

Parcel, or refuses or fails to pay the charges to which the Parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

Re-direction to places within United Kingdom.

13. Any Parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland parcel.
