**ORDER OF LONDON COUNTY COUNCIL  
RE-ARRANGING THE WARDS OF THE  
PARISH OF GREENWICH, APPROVED  
BY THE SECRETARY OF STATE.**

To the Vestry of the Parish of Greenwich, and all whom it may concern.

WHEREAS by Section 15 of the London County Council (General Powers) Act, 1893, it is enacted that the London County Council may from time to time for the purpose of elections of vestrymen, upon the application in writing of the Vestry, or of not less than five hundred rated householders of a parish mentioned in Schedules A and B to the Metropolis Management Act, 1855, by order under their seal, re-arrange the wards in such parish, and determine the number, extent, limits, and boundary lines of the new wards, but so, nevertheless, that no ward shall contain less than five hundred rated householders, and that the whole number of wards shall not exceed eight, and the Council shall, in making any such re-arrangement apportion among the several wards the number of vestrymen to be elected for such parish, and shall in assigning the number of vestrymen to each ward have regard, so far as practicable, as well to the number of persons rated to the relief of the poor in each ward as to the aggregate amount of the sums at which all such persons are rated, and the number of vestrymen assigned to each ward shall be a number divisible by three; and it is also by the said Act enacted that any such Order may contain such provisions with reference to the election, rotation, and retirement of vestrymen (whether elected prior or subsequently to the date of the Order) as the Council may think necessary for the purpose of carrying out the provisions of the Order.

And whereas the parish of Greenwich is a parish mentioned in Part I of Schedule B to the Metropolis Management Act, 1855, and pur-

suant to the provisions of the said Act, the said parish was divided into four wards.

And whereas application has been made to the London County Council by more than five hundred rated householders of the said parish to re-arrange the wards of the said parish pursuant to the provisions of the said 15th Section of the London County Council (General Powers) Act, 1893.

And whereas it appears from the rate books of the said parish prepared in the month of April, one thousand eight hundred and ninety-three, that the said parish contains nine thousand six hundred and ninety rated householders, and that the ratable annual value of property in the said parish is two hundred and seventy-eight thousand nine hundred and forty-nine pounds.

Now the London County Council having considered the said application, and having taken into consideration the number of persons rated to the relief of the poor in each ward of the said parish, and the aggregate amount of the sums at which all such persons are rated, and all the circumstances connected with such application, doth hereby order that the wards of the said parish of Greenwich be re-arranged in manner following, that is to say, that the said parish be divided into six instead of four wards, and that the six wards be distinguished by the names mentioned in the first column of the Schedule hereunder written, that the extent, limits, and boundary lines of such wards shall be those described in the second column of the said Schedule, and that the number of vestrymen to be elected for each of the said wards shall be the number mentioned in the third column of the said Schedule.

And the London County Council doth further order that this Order shall come into force for the purpose of the first election of vestrymen under the Local Government Act, 1894, and such election shall be subject to the provisions of the said Act.
