A T the Court at Osborne House, Isle of Wight, the 2nd day of February, 1895.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her Majesty, chapter thirty-seven, and of the Act of the twenty-third and twenty-fourth years of Her Majesty, chapter one hundred and twenty-four, duly prepared and laid before Her Majesty in Council a scheme bearing date the tenth day of January, in the year one thousand eight hundred and ninety-five, in the words following, that is to say:—

"We the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen, of the Act of the sixth and seventh years of Your Majesty, chapter thirty-seven and of the Act of the twenty-third and twenty-fourth years of Your Majesty chapter one hundred and twenty-four, have prepared and now humbly lay before Your Majesty in Council the following scheme for constituting a separate district for spiritual purposes to be taken out of the parochial chapelry of Blacktoft, the parish of Howden, and the parish of Eastington all in the county of York and in the diocese of York and also to comprise certain extra-parochial places called or known respectively as Gilberdike Mill, Cheapshides, New Village and Market Weighton Canal, all in the said county and diocese.

"Whereas it has been made to appear to us

that it would promote the interests of religion that the particular portions of the said cures together with the said extra-parochial places which are hereinafter mentioned and described should be constituted a separate district in the manner hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas certain hereditaments and premises situate within the said parochial chapelry of Blacktoft, the said parish of Howden, and the said parish of Eastrington or some or one of them have become vested in us under the provisions of and for the purposes of the herein-mentioned Acts or of some or one of them and we have in respect of such hereditaments and premises agreed to make and pay out of the common fund created by the firstly herein mentioned Act to the minister of the district hereinafter recommended to be constituted, so soon as one shall have been duly licensed in accordance with the provisions of the secondly herein mentioned Act and to his successors, and when the said district shall have become a new parish under the provisions of the last-mentioned Act then to the Incumbent of such new parish and to his successors a grant of one hundred pounds per annum.

"And whereas such grant as aforesaid will be made by an instrument to be executed by us under our common seal in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Your Majesty chapter one hundred and eleven.

"And whereas Thomas Stephen Whitaker of Everthorpe Hall, Brough, in the East Riding of the said county of York has contributed and paid to us the said Ecclesiastical Commissioners a sum of one thousand six hundred and sixty-six pounds thirteen shillings and fourpence towards the endowment of the herein proposed district or new parish.

"And whereas the said sum of one thousand six hundred and sixty-six pounds thirteen shillings and fourpence has been so paid as aforesaid by the said Thomas Stephen Whitaker upon the understanding that (such arrangement appearing to us to be expedient) the whole right of patronage of the said proposed district or new parish and of the nomination of the minister or incumbent thereto should be assigned in the manner hereinafter set forth.

"And whereas we have undertaken to pay in respect of the said sum of one thousand six hundred and sixty-six pounds thirteen shillings and fourpence and so long as it shall remain in our hands by equal half-yearly payments on the first day of May and on the first day of November in each and every year a sum of fifty pounds to the minister or incumbent of the said proposed district or new parish.

"Now therefore with the consent of the Right Honourable and Most Reverend William Dalrymple, Archbishop of York (in testimony whereof he has signed and sealed this scheme) we the said Ecclesiastical Commissioners humbly recommend and propose that all those portions of the said parochial chapelry of Blacktoft, of the said parish of Howden, of the said parish of Eastrington, together with the said extra-parochial places called or known respectively as Gilberdike Mill, Cheap-sides, New Village, and Market Weighton Canal, which are mentioned and described in the Schedule hereunder written and are delineated and set forth upon the map or plan hereunto annexed shall upon

and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme become and be constituted a separate district for spiritual purposes and that the same shall be named 'The District of Saint Stephen Newport.'

"And we further recommend and propose that the whole right of patronage of the said proposed district and so soon as the said district shall have become a new parish then of the said new parish and of the nomination of the minister or incumbent thereto shall without any assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid be assigned to and become and be vested in and shall and may from time to time be exercised by the said Thomas Stephen Whitaker for his life and that after his death the whole right of patronage of the said proposed district or new parish shall be vested in and shall and may be exercised by the said William Dalrymple Archbishop of York and his successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or to any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The District of Saint Stephen, Newport, being:—

Thames Conservancy.

NOTICE is hereby given, that the Conservators of the River Thames having taken into consideration the objections and representations which have been made to them respecting the proposed Bye-laws for the Regulation of Vessels navigating the River Thames through the Tower Bridge, which said proposed Bye-laws were published in the London Gazette of the 30th November, 1894, and in the Times newspaper of the 1st and 8th days of December, 1894, have made alterations in the said Bye-laws, and as so altered the said Bye-laws will stand as follows:—

BYE-LAWS for the regulation of the passage through the Tower Bridge of such vessels as require the raising of the bascules.

The Conservators of the River Thames in exercise of the powers and authority vested in them by the "Thames Conservancy Act, 1894," and of every other authority then hereunto in anywise enabling, do order and direct as follows, that is to say:—

1. The master of every vessel intending to pass up the river through the Tower Bridge and requiring the bascules to be raised, shall, not-

withstanding any previous Bye-law or regulation, and in addition to the ordinary lights to be carried by such vessel when under way, exhibit before arriving at Cherry Garden Pier, and shall continue to exhibit until such vessel shall have passed through the said bridge, the following signals:—

(a.) By day, viz., between sunrise and sunset one black ball not less than two feet in diameter, placed in such a position on such vessel where it can best be seen at a height above the hull of not less than 20 feet.

(b.) By night, viz., between sunset and sunrise, two red lights, in globular lanterns of not less than eight inches each in diameter, placed vertically six feet apart, at a height of not less than 20 feet above the hull, and in such a position where they can best be seen, and so constructed as to show a clear uniform and unbroken light visible all round the horizon at a distance of at least one mile on a dark night with a clear atmosphere.

2. The master of every vessel intending to pass down the river through the said bridge and requiring the bascules to be raised, shall, notwithstanding any previous Bye-law or Regulation and in addition to the ordinary lights to be carried by such vessel, exhibit the signals prescribed by the preceding Bye-law until the vessel has passed through the said bridge.
