1.—(1.) Every person having or having had in his possession or under his charge a head of cattle affected with or suspected of pleuro-pneumonia shall with all practicable speed give notice of the fact of the head of cattle being so affected or suspected to a constable of the police force for the police area wherein the head of cattle so affected or suspected is or was.

19. Where in England or Wales a head of cattle is slaughtered on account of pleuro-pneumonia by order of the Board under the provisions of the Act of 1894, the value of the head of cattle for compensation shall be ascertained as follows:

(i.) If within fourteen days after the receipt of notice in writing from an Inspector or officer of the Board of the valuation of the head of cattle the owner of the animal or his agent does not give a counter-notice in writing stating in effect that he disputes the valuation made on behalf of the Board, the compensation shall be paid on that valuation.

(ii.) If the owner or his agent gives such a counter-notice, then the question of the value of the head of cattle shall by virtue of this Order stand referred to the arbitration of a single arbitrator, and the provisions of the Arbitration Act, 1889 shall apply to the reference and arbitration, as if the same were pursuant to a submission, except in so far as that Act is inconsistent with the provisions of this Article.

(iii.) An arbitrator may be appointed by an agreement in writing signed by an Inspector or

officer of the Board and by the owner of the animal or his agent.

(iv.) In case no such agreement is entered into within seven days after the service of the counter-notice by the owner or his agent, either party may, having given notice to the other party of the place and time of his intended application, apply to a court of summary jurisdiction to appoint an arbitrator, and such court may accordingly appoint an arbitrator, as if such court were a court or judge within the meaning of the Arbitration Act, 1889.

The arbitrator may tax or settle the amount of costs to be paid or deducted by the Board under this Article.

#### *Ascertainment of Value for Compensation in Scotland.*

(i.) If within fourteen days after the receipt of notice in writing from an Inspector or officer of the Board of the valuation of the head of cattle the owner of the animal or his agent does not give a counter-notice in writing stating in effect that he disputes the valuation made on behalf of the Board, the compensation shall be paid on that valuation.

(ii.) If the owner or his agent gives such a counter-notice, then the question of the value of the head of cattle shall be determined by a valuer who shall be appointed as follows:

(iii.) Such valuer may be appointed by an agreement in writing signed by an Inspector or officer of the Board and by the owner of the animal or his agent.

(iv.) In case no such agreement is entered into within seven days after the service of the counter-notice by the owner or his agent, either party may, having given notice to the other party of the place and time of his intended application, apply to the sheriff-substitute to appoint a valuer, and the sheriff-substitute may accordingly appoint a valuer for the purpose of determining the value of the animal.

(v.) The valuer shall make his valuation in writing ready for delivery within seven days after the date of his appointment and his valuation shall be final and binding on the Board and the owner.

(vi.) If a higher valuation is determined by the valuer than the valuation specified in the notice given by the Inspector or officer of the Board, then the Board shall pay the costs and expenses of the valuation and all costs incurred by the owner with respect to the valuation, but otherwise the costs and expenses of the valuation and all costs incurred by the Board in relation thereto may be deducted by the Board from the sum payable to the owner as compensation in accordance with the valuation of the valuer, who may

tax or settle the amount of costs to be paid or deducted by the Board under this Article.

(vi.) If a higher valuation is determined by the valuer than the valuation specified in the notice given by the Local Authority, then the Local Authority shall pay the costs and expenses of the valuation and all costs incurred by the owner with respect to the valuation, but otherwise the costs and expenses of the valuation and all costs incurred by the Local Authority in relation thereto may be deducted by the Local Authority from the sum payable to the owner as compensation in accordance with the valuation of the valuer, who may tax or settle the amount of costs to be paid or deducted by the Local Authority under this Article.
