### QUARANTINE IN BRAZIL.

**THE** Secretary of State for Foreign Affairs has received the following Despatch from Her Majesty's Minister at Rio de Janeiro:—

**MY LORD,**

*Rio, June 1, 1895.*

**WITH** reference to the proceedings of the recent Conference in this capital on the subject of the execution of the Quarantine Regulations in Brazil, I have the honour to state that a series of instructions addressed by the Minister of the Interior to the Inspector of Health of the Ports are published in the *Jornal do Commercio* of this morning.

In a notification dated the 15th of May the inspector's attention is especially called to questions arising out of Articles 44, 45, 50, and 52 of the Sanitary Regulations, it being declared that a statement of his opinions is awaited in view of those Articles being submitted to modification.

These refer to the definitions of suspected and infected ports, vessels, and goods; to the privileges to be accorded to certain vessels in consequence of compliance with certain regulations; to the possibility of quarantine being performed on board without disembarkation of passengers and to the means of facilitating trade at intermediate ports.

Positive instructions or notifications are issued as to the following points:—

1. For the facilitation of telegraphic communication with ships in quarantine at the various lazarettos and for reporting the movement of navigation at such stations to persons interested.

To the Minister of Public Works for the construction of a telegraphic cable devoted to the exclusive use of the lazaretto at Ilha Grande.

2. To ensure freedom of coaling and the taking in of provisions and water in quarantine, subject only to the necessary sanitary restrictions.

3. To prevent any delay in the landing of mails and official correspondence from all ships, whatever their sanitary condition.

4. To ensure the immediate landing of cattle from ships coming from the River Plate.

5. To order the establishment of a provisional quarantine station at Tamandaré near Pernambuco by the 1st of October next.

6. To ascertain from the Governor of Pará the expenditure necessary to establish a quarantine station in that State.

7. To ensure the immediate presentation of

the plans for the construction of the projected lazaretto on the Island of Tinharé near Bahia.

8. To transform the existing isolation hospital at Rio Grande do Sul into a small quarantine station.

9. To the Minister of Finance and to the Prefect of the Federal District in order to ensure the construction of a pier for the disembarkation of cattle at Itacarrusu, a point on the coast near Ilha Grande, so as to obviate the difficulties now incident to the proper execution of the service.

The plans for the construction of the extensive permanent quarantine station at Tamandaré (to be completed within six years) were courteously submitted to my inspection and to that of the German Minister by the Minister for Foreign Affairs, and his Excellency informed me that the requisite funds for all these improvements in the quarantine system of Brazil, in order (to quote the words of his Excellency's invitation to the Foreign Representatives at the Conference) "to conciliate the exigencies of public health with the requirements of maritime commerce by all possible mitigation of the irritation and interruptions incidental to sanitary measures," are at the disposal of the Government.

In order that the labours of the Conference should be fully attended by practical benefit to foreign commerce, the modification of the various Articles of the sanitary regulations referred to above must be awaited. But as the opinions expressed by the Minister for Foreign Affairs, as well as by the technical specialist in such questions, the Inspector of Health of the Ports, are in favour of such modifications, I trust to be able at an early date to inform your Lordship that they have been carried into effect.

Besides the important measures above referred to, explanations have, however, during the course of the Conference, been afforded by the Representatives of the Brazilian Government as to various important points in which the execution of the existing Sanitary Regulations had not appeared to be in accordance with their spirit and letter. Measures have been taken to obviate the recurrence of the unfortunate delays to which various British ships carrying cattle from the River Plate were subjected, and the necessary hospital accommodation has been provided at the lazaretto at Ilha Grande for persons suffering from contagious maladies.

I feel that the recognition of Her Majesty's Government is due to their Excellencies the Ministers for Foreign Affairs and of the Interior, for the courtesy which they showed in calling together the representatives of Foreign Powers to discuss matters of such vital importance to both Brazilian and foreign trade, and for the promptitude with which steps have been adopted to remedy the abuses and deficiencies which had appeared to affect commercial interests.

I have, &c.,

E. C. H. PHIPPS.

ORDER of the Local Government Board:  
 District Auditor: Assignment of District and Duties: Supplemental:—

North-Eastern Counties Audit District.

Grantham Burial Joint Committee.

To John Frederick Adams, District Auditor;—

To the Grantham Burial Joint Committee;—

And to all others whom it may concern.

WHEREAS by Section 4 of the District Auditors Act, 1879, it is enacted that the Local Government Board may from time to time assign to District Auditors their Duties, and the Districts in which such Auditors respectively are to act, and may from time to time change wholly or in part such Duties or Districts;

And whereas by certain Orders dated the 30th day of September, 1892, and the 29th day of October, 1894, We, the Local Government Board, certified the appointment of the said John Frederick Adams as a District Auditor, and directed that, unless We should otherwise prescribe, it should be the duty of the said District Auditor to audit the Accounts of the County Councils of the Counties named in paragraph (1) of Article I of the first-mentioned Order, and the other Accounts referred to in that Article so far as the same might relate to a period prior to the 1st day of April, 1895, as well as the Accounts referred to in Article II of the first-mentioned Order; and We further directed that the District in which the said John Frederick Adams should act as Auditor, and which District was thereby assigned to him, should be termed "The North-Eastern Counties Audit District," and should, for the performance of the duties assigned to him by Article I of the said first-mentioned Order, comprise the area for the time being included in the several Administrative Counties named in Schedule A to that Order; and, for the performance of the duties assigned to him by Article II of such Order, comprise the area for the time being included in the several Unions named in Schedule B to such Order, and the Districts mentioned in paragraphs (3) and (4) of the said Article II, and the Districts or areas subject to the jurisdiction of any such Authority as is mentioned in paragraph (6) of the said Article II;

And whereas by an Order dated the 23rd day of March, 1882, We, the Local Government Board, certified the appointment of Robert Azlack White as a District Auditor, and ordered and prescribed that the District in which he should in future act as Auditor, and which was thereby assigned to him, should, until We should otherwise prescribe, comprise the area for the time being included in the several Unions named in the Schedule to that Order, and that such District should be termed "The Lincolnshire Audit District";

And whereas it is prescribed by Article 2 of the said Order dated the 23rd day of March, 1882, that it shall be the duty of the said Robert Azlack White to audit the Accounts of the Guardians and the Overseers specified in Nos. (1) and (2) of that Article, as well as the Accounts of the other Authorities (and of their Officers) referred to in Nos. (3) and (4) in the following terms:—

"(3.) The several other Authorities for the  
 "time being whose Accounts are or may be  
 "by law subject to be audited by a District  
 "Auditor, and whose Districts or the areas  
 "of whose jurisdiction are for the time being  
 "wholly situated within the said Audit  
 "District.

"(4.) Such of the said other Authorities whose  
 "Accounts are or may be by law subject to  
 "be so audited, and whose Districts or the  
 "areas of whose jurisdiction are for the time  
 "being partly situated within the said Audit  
 "District, as We may by Order under Seal  
 "hereafter prescribe."

And whereas the Grantham Burial Joint Committee are such an Authority as is referred to in Article 2 (No. 3) of the said Order dated the 23rd day of March, 1882; and it is expedient that the duty of auditing the Accounts of the said Committee and of their Officers should be assigned to the said John Frederick Adams in lieu of to the said Robert Azlack White:

Now therefore, in pursuance of the powers given

to Us in that behalf, We hereby rescind Article 2 of the said Order dated the twenty-third day of March, one thousand eight hundred and eighty-two, so far as it applies to the said Grantham Burial Joint Committee, and We hereby Order and Prescribe as follows:—

It shall, unless We otherwise prescribe, be the duty of the said John Frederick Adams to audit the Accounts of the said Grantham Burial Joint Committee and of the Officers of such Committee in conformity with the provisions contained in Article III of the said Order dated the thirtieth day of September, one thousand eight hundred and ninety-two; and for the purpose of such Audit the District of the said Committee shall be deemed to be within the said North-Eastern Counties Audit District.
