Whitehall, February 21, 1896.

THE following Addresses and Resolutions of Condolence, on the occasion of the Death of His Royal Highness Prince Henry of Battenberg, K.G., have been transmitted to the Right Honourable Sir Matthew White Ridley, Bart., Her Majesty's Principal Secretary of State for the Home Department, for presentation to The Queen, and have accordingly been presented by him to Her Majesty, who has been pleased to receive the same very graciously:—

To the QUEEN's Most Excellent Majesty.

May it please Your Majesty,

WE, the Mayor, Aldermen, and Citizens of the City of Manchester, desire to record our deep and sincere sympathy in the loss which Your Majesty has sustained by the grievous and unexpected death of His Royal Highness Prince Henry of Battenberg.

The circumstances attending the departure of His Royal Highness with Your Majesty's Forces for Africa, and the sense of public duty then evinced, are fresh in the recollection of the Nation, and, we feel assured, will afford consolation to Your Majesty and the Widowed Princess.

We call to mind Your Majesty's recent visit to Manchester accompanied by His Royal Highness, and we are thus enabled to realize to some extent the loss occasioned by his lamented death whilst in the prime of life.

We take this opportunity of again assuring Your Majesty of our continued attachment to Your Majesty's Throne and Person.

Given under our Common Seal, this 30th day January, 1896.

Abraham E. Lloyd,
Lord Mayor.
Wm. Henry Talbot,
Town Clerk.

L. S.

We beg to assure Your Majesty that in no part of Your Majesty's dominions has the unexpected and almost sudden death of His Royal Highness been more deeply and universally felt than in this Island.

In venturing thus to tender our sincere condolence and sympathy, we beg to assure Your

Majesty that it is our earnest hope and prayer that it may please Almighty God to strengthen and support Your Majesty under this heavy affliction, and to preserve Your Majesty to reign for many years to come over a loyal and devoted people.

GÉNÉRAL ORDER of the Local Government Board: Altering General Consolidated Order. Out-door Labour Test:—

Saint Alban's Union.

To the Guardians of the Poor of the Saint Alban's Union;—

To the Overseers of the Poor of the several Parishes comprised in the said Union;—

And to all others whom it may concern.

WE, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, hereby Order, with respect to the relief of the Poor in the said Saint Alban's Union, as follows:—

ARTICLE 1. Subject to the provisions of the General Order of the Poor Law Commissioners dated the twenty-first day of December, one thousand eight hundred and forty-four, in force in the Union, every able-bodied male pauper who receives relief within the Union, and is relieved out of the Workhouse, shall be relieved in the following manner; that is to say:—

Half at least of the relief given to such pauper shall be given in food, clothing, and other articles of necessity.

No such pauper shall receive relief from the Guardians, or any of their officers, or any Overseer of any Parish in the Union, while he is employed for wages or other hire or remuneration by any person; but every such pauper so relieved shall be set to work by the Guardians.

ARTICLE 2. The Guardians shall, within fourteen days after the day when this Order comes into force and from time to time afterwards as the Local Government Board may require, report to the Local Government Board the place or places at which able-bodied male paupers shall be so set to work in the Union, the sort or sorts of work

in which they or any of them shall be employed, the times and mode of work, and all such other matters relating to the employment of such able-bodied paupers as the said Guardians shall deem material to be communicated to the Local Government Board, or as the Local Government Board shall require.

ARTICLE 3. If the Guardians shall depart, in any particular instance, from any of the regulations hereinbefore contained, and shall, within fifteen days after such departure, report the same and the grounds thereof to the Local Government Board, and if the Local Government Board shall approve of such departure, then the relief granted in such particular instance shall, if otherwise lawful, not be deemed to be unlawful, or be subject to be disallowed.

And whereas provision is made in a General Order of the Poor Law Commissioners, bearing date the twenty-fourth day of July, one thousand eight hundred and forty-seven, in force in the said Union, for the appointment of an officer, to be termed a Superintendent of Out-door Labour, and for the continuance in office of such officer, and it is expedient that further provision should be made as hereinafter mentioned;

We therefore further Order, that if at any time the number of able-bodied male paupers requiring relief shall be so small as to render the services of a Superintendent of Out-door Labour unnecessary, the Guardians may dispense with the services of such an officer.

Given under the Seal of Office of the Local Government Board, this eighteenth day of February, in the year one thousand eight hundred and ninety-six.

London County Council.

To the Vestry of the parish of St. Mary, Islington;

And all whom it may concern.

WHEREAS by section 15 of the London County Council (General Powers) Act, 1893, as amended by the London County Council (General Powers) Act, 1895, section 42, it is enacted that the London County Council may from time to time for the purpose of Elections of Vestrymen, upon the application in writing of the Vestry, or of not less than five hundred rated householders of a parish mentioned in Schedules A and B to the Metropolis Management Act, 1855, by order under their seal, re-arrange the wards in such parish, and determine the number, extent, limits, and boundary lines of the new wards, but so nevertheless that no ward shall contain less than five hundred rated householders, and the Council shall, in making any such re-arrangement apportion among the several wards the number of Vestrymen to be elected for such parish, and shall in assigning the number of Vestrymen to each ward have regard so far as practicable as well to the number of persons rated to the relief of the poor in each ward as to the aggregate amount of the sums at which all such persons are rated, and the number of Vestrymen assigned to each ward shall be a number divisible by three; and it is also by the said London County Council (General Powers) Act, 1893, enacted that any such Order may contain such provisions with reference to the election, rotation and retirement of Vestrymen (whether elected prior or subsequently to the date of the Order) as the Council may think necessary for the purpose of carrying out the provisions of the Order.

And whereas the parish of St. Mary, Islington, is a parish mentioned in Part I of Schedule A to the Metropolis Management Act, 1855; and pursuant to the provisions of the said Act, the said parish was divided into eight wards.

And whereas the vestry of the said parish hath applied to the London County Council to re-

arrange the wards of the said parish pursuant to the provisions of the said 15th section of the London County Council (General Powers) Act, 1893, as amended by section 42 of the London County Council (General Powers) Act, 1895.

And whereas it appears from the rate books of the said parish prepared in the month of February, one thousand eight hundred and ninety-one, that the said parish contains forty-one thousand five hundred and sixty-eight rated householders, and that the ratable annual value of property, exclusive of the public companies, in the said parish is one million four hundred and eighty-six thousand one hundred and sixty-five pounds.

Now the London County Council having considered the said application, and having taken into consideration the number of persons rated to the relief of the poor in each proposed new ward of the said parish, and the aggregate amount of the sums at which all such persons are rated, and all the circumstances connected with such application, doth hereby order that the wards of the said parish of St. Mary, Islington, be, and the same are hereby re-arranged in manner following, that is to say, that the said parish be divided into eleven wards instead of eight wards, that the eleven wards be distinguished by the numbers and names mentioned in the first column of the first Schedule hereunder written, that the extent, limits and boundary lines of such wards be those described in the second column of the said Schedule, and that the number of Vestrymen to be elected for each of the said wards be the number mentioned in the third column of the said Schedule.

And whereas the London County Council

thinks it necessary that this Order should, for the purpose of carrying out the foregoing provisions, contain the following provisions with reference to the election, rotation and retirement of Vestrymen.

Now the said London County Council doth hereby further order as follows, that is to say—

(1) That at the time appointed for the annual election of Vestrymen, the number of Vestrymen retiring, the number to be elected, and the number of years for which they shall respectively be elected, shall be as follows, that is to say—

In the year 1896 the numbers stated opposite the names of the several wards in the column headed "1896" in the Second Schedule hereunder written.

In the year 1897 those similarly stated in the column headed "1897."

In the year 1898 those similarly stated in the column headed "1898."

In the year 1899 those similarly stated in the column headed "1899."

(2.) That the Vestrymen who are respectively to be elected in the years 1896, 1897 and 1898, for less than three years shall be determined according to their place on the poll at the election, those Vestrymen who were lowest on the poll going out of office first. If at any election there shall have been no poll or a question shall arise in consequence of an equality of votes between two or more Vestrymen, the Vestry shall at some meeting before the time of the next annual election, determine by lot which of the Vestrymen elected at such election shall be the ones to go out of office at the end of two years and one year respectively.
