

- (6.) A reservoir, or tank, and pumping station (to be called the Holywell Reservoir), wholly situate in the parish of Eastbourne, in the field numbered 365 on the  $\frac{1}{2500}$  Ordnance Map of the said parish.
- (7.) An aqueduct, conduit, or lines of pipes (to be called Aqueduct No. 2), commencing in the parish of Friston, at or in the intended Warren Reservoir, and terminating in the parish of Eastbourne, at or in the intended Holywell Reservoir, which intended Aqueduct No. 2 will be situate in the parishes of Friston, Eastdean, and Eastbourne.
- (8.) An aqueduct, conduit, or lines of pipes (to be called Aqueduct No. 3), wholly situate in the parish of Eastbourne, commencing at or in the intended Holywell Reservoir and terminating in the parish of Eastbourne by a junction with the existing water main of the Company at the junction of Meads-road with Meads-street.
- (9.) A new road, situate in the parishes of Westdean and Friston, commencing in the parish of Westdean by a junction with the road passing through Westdean, at the western corner of the enclosure of Westlean House, numbered 90 on the  $\frac{1}{2500}$  Ordnance Map of the said parish, and terminating in the parish of Friston at the Company's authorised Friston pumping station.

All which intended works will be wholly situate in the county of Sussex.

To empower the Corporation to deviate in the construction of the intended works, laterally and vertically, to the extent to be shown on the plans to be deposited as hereinafter mentioned, or to be defined or indicated in the intended Act.

To empower the Corporation to purchase and take by compulsion or agreement, all that piece of land situate in the parish of Eastbourne, and numbered 373 on the  $\frac{1}{2500}$  Ordnance Map of that parish, together with the springs known as Holywell issuing or arising in or from such land; and the wells, headings, pumps, machinery, and works connected with such springs belonging to, or used by the Company together with the mains constructed by the Company therefrom to their existing reservoirs.

To empower the Corporation temporarily to discharge water from the intended wells and works, and also from the existing or authorised wells and works of the Company, into any available stream or watercourse, and in other respects to make provision for the discharge of water.

To empower the Corporation to take or divert into the said intended wells, pumping stations, tunnels, reservoirs, aqueducts, and other works, and to take, use, and appropriate for the purposes of their undertaking all such underground springs and waters as can be collected by the proposed works, or any of them, or as may be found in or under any of the lands to be acquired under the powers of the intended Act.

To authorise the Corporation within the parishes and county aforesaid, and for the purposes of the intended Act, to lay down, maintain, alter, and renew mains, pipes, culverts, and other waterworks in, through, along, under, across, and over, public highways, streets, roads, streams, paths, and railways, and to break up, cross, alter, divert, stop up (either temporarily or permanently), and interfere with any roads, streets, highways, footways, bridges, canals, towing paths, railways, sewers, drains,

streams, watercourses, culverts, pipes, and telegraph posts, wires, and pipes within the parishes and county aforesaid, and to appropriate the soil and surface of the streets, highways, roads, and footpaths stopped up or disused.

To empower the Corporation for the purposes of the proposed works, and other the purposes of the intended Act, to purchase or acquire by compulsion or agreement, or to take on lease and hold any lands, houses, or buildings in the parishes and county aforesaid, and to acquire by compulsion or agreement, rights or easements in, under, over; or connected with any lands, houses, or buildings in the parishes and county aforesaid.

To authorise the Corporation to hold any lands which they may acquire under the authority of the intended Act free from the provisions of the Lands Clauses Consolidation Act, 1845, with respect to superfluous lands, and to acquire by compulsion or agreement any mines or minerals under any lands proposed to be taken, notwithstanding the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

To authorise regulations and bye-laws for the prevention of waste, undue consumption, and contamination of water supplied by the Corporation, to provide for the testing and stamping of fittings, the entry of premises supplied with water, and the execution of works for the prevention of waste or undue consumption of water, to provide for the supply of water by meter, to authorise the gratuitous supply of water to public fountains and troughs, the payment of water rates and charges by owners of small houses, the application of the revenue arising from the water undertaking, and dealing with and providing for any surplus thereof or deficiency therein, the formation and application of a reserve fund, and in other respects to make provision with regard to the domestic and trade supply of water, and the making and recovery of rates, rents, and charges therefor.

To empower the Corporation to borrow or raise money for all or any of the purposes of the intended Act, to charge the same on the borough fund and rate, the district fund, and general district rate, or other local rates, and the estates, undertakings, rents, and other property of the Corporation, or on any of such securities, and to authorise the granting and issue of mortgages, stock, debentures, debenture stock, and annuities in respect thereof, and to authorise the Corporation to apply any of their funds to the purposes of the intended Act.

To vary, repeal, or extinguish all existing rights, powers, and privileges which would in any manner interfere with or prevent the carrying into effect of any of the objects of the intended Act, and to confer other rights, powers, and privileges.

To alter, amend, extend, enlarge, or repeal, or re-enact with or without amendment all or some of the powers and provisions, of the following local Acts:—The Eastbourne Improvement Act, 1879, the Eastbourne Improvement Act, 1885, and all other Acts relating to the Corporation and the borough; the Eastbourne Waterworks Act, 1859; the Eastbourne Waterworks Act, 1875; the Eastbourne Waterworks Act, 1881; the Eastbourne Waterworks Act, 1889; the Eastbourne Waterworks Act, 1896, and all other Acts relating to the Company, the Hailsham Water Act, 1896.

To incorporate and apply, with or without modification, or render inapplicable, all or some
