*Board of Trade (Fisheries Department),
London, March 12, 1897.*

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Representative at Berlin, enclosing the following communication respecting quarantine, viz. :—

(Translation.)

Berlin, February 25, 1897.

The undersigned has the honour to transmit to Sir Frank Lascelles, in reply to His Excellency's note of the 22nd instant, the accompanying copy of a note addressed by the Imperial Chancellor on the 13th instant to the Governments of the Confederate States, based on paragraph 3 of the Imperial Decree of the 8th instant, respecting restrictions on importations from Asia.

By this note the Imperial Chancellor approves the unimpeded admission into the territory of the Empire of all products derived from India, where it can be proved that they left the port of embarkation before the 12th instant. Those goods which come from the plague-stricken ports of Bombay and Karachi, or which give rise to suspicion on other grounds, are excepted from this favourable treatment. As regards the exceptional admission of products of this description, the Imperial Chancellor has reserved to himself the right of deciding on each individual case.

No Regulations have been issued by the Imperial Government respecting the mode in which the process of proving that the goods in question left the port of embarkation before the 12th instant, should be conducted.

Nothing is as yet known here regarding the special provisions which have been enacted by the Governments of the Confederate States, on the basis of the accompanying note. The necessary information was however requested on the occasion of the enquiry addressed by His Excellency the Ambassador.

While reserving to himself the honour of making a further communication on this point, the undersigned avails, &c.

ROTENHAN.

His Excellency Sir F. Lascelles,

&c., &c., &c.

(Translation.)

Berlin, February 18, 1897.

The measure prohibiting importation, as a protection from the danger of plague, which was enacted by means of an Imperial Decree of the 8th instant, came into force on the day of its publication, and is therefore applicable to all consignments of goods which arrived subsequent to that date, i.e., to the 9th instant. It appears, however, desirable on grounds of justice, to permit the importation of all goods shipped to Germany before the prohibitive measure came to be universally known, so far as sanitary considerations allow. On the basis, therefore, of paragraph 3 of the Decree above-mentioned, I hereby approve the unimpeded admission on exceptional grounds into the territory of the Empire of all products of the nature specified in paragraph 1 of the said Decree, where it can be proved that they left the port of embarkation before the 12th instant.

Such goods as are derived from the plague-stricken ports of Bombay, Karachi, Hongkong, Canton, Swatau, Amoy, Macao, and the Island of Formosa, or which give cause for suspicion in other respects, are exempted from this favourable treatment. As regards the exceptional admission of goods of the latter description, I reserve to myself the right to decide in each individual case. In such cases, the question whether a thoroughly effective process of disinfection has previously taken place will be the chief point to be considered. I respectfully request that in cases of this kind the applications addressed to me for permission to allow the importation may be accompanied by a statement of opinion as to the measures of precaution held to be necessary in each separate instance.

For the Imperial Chancellor,

V. BOWTICHER.

THE Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Representative at Antwerp enclosing the following Memorandum from the Governor of the Province of Antwerp respecting quarantine, viz. :—

Gouvernement provincial D'Anvers

Greffa.

Objet : Mesures Sanitaires.

Anvers, le 25 Février 1897.

Monsieur,

J'ai l'honneur de porter à votre connaissance que par arrêté ministériel en date du 23 de ce mois, la Perse et la partie de l'empire Chinois située au sud du 30e degré de latitude, ont été déclarés contaminés par la peste bubonique.

En conséquence, les provenances de ces régions seront soumises aux mêmes mesures que celles appliquées aux navires venant de l'Inde.

La commission sanitaire de l'Escaut, dans sa dernière séance, a aussi apporté quelques modifications à la liste des marchandises prohibées ; en outre, il a paru utile pour vous faciliter l'accomplissement de mesures imposées, de préciser davantage les conditions dans lesquelles les navires pourront être dispensés de l'arrêt à la station sanitaire de Doel.

Vous trouverez les indications ci-incluses, ainsi que la nomenclature complète des marchandises dont l'entrée est interdite, soit en consommation soit en transit.

La présente communication annule celles faites par mes lettres des 6 et 17 de ce mois.

Agréez, Monsieur, l'assurance de ma parfaite considération.

Le Gouverneur de la province,
Président de la Commission sanitaire de l'Escaut,
BN OSY de ZEGWAART.
Provenances Directes.

Mesures auxquelles sont soumis à la station sanitaire de Doel, tous les navires, même indemnes, venant d'une région contaminée, avec ou sans escales.

1°. Désinfection des latrines et lieux d'aisance et de toutes les parties suspectes du navire.

2°. Evacuation des eaux de câle et renouvellement de la provision d'eau potable.

3°. Inspection de la liste des passagers et du rôle d'équipage et visite de toutes les personnes se trouvant à bord.

S'il est constaté que toutes les personnes qui ont quitté le port d'origine, ne se trouvent plus à bord du navire, il devra être justifié qu'aucune d'elles n'a été débarquée à la suite d'une atteinte de maladie contagieuse ou épidémique.

4°. Remise du manifeste à l'agent sanitaire, pour qu'il puisse s'assurer qu'il n'y a pas à bord des marchandises suspectes ou prohibées.

En vue de faciliter l'exécution de ces mesures, les navires pourront être retenus à la station sanitaire pendant une marée.

Pourront être dispensés de tout arrêt, les navires n'ayant pas à bord des marchandises suspectes ou prohibées, et dont une copie, dûment signée, du manifeste (1) aura été remise par les destinataires au Président de la commission sanitaire (2), au moins cinq jours avant leur arrivée, s'ils peuvent en outre produire un certificat en double de l'autorité sanitaire d'un port d'escale, indemne de toute maladie contagieuse, constatant :

(a) que des mesures de désinfection analogues à celles prescrites sub. nis 1 et 2, y ont été appliquées ;

(b) que le personnel a été indemne pendant tout le voyage, si la durée de celui-ci a été au moins de 12 jours entre le dernier port contaminé et celui où le certificat a été délivré.

Dans ce cas, le capitaine ralentira la marche du navire pour permettre l'accostage facile de la chaloupe de la quarantaine.

L'un des doubles du certificat sera remis à l'agent sanitaire et l'autre sera daté et visé par lui et remis par le capitaine à l'administration de la douane à l'arrivée du navire dans le port.

Provenances Indirectes.

La plupart des pays ayant soumis les provenances de l'Inde, contaminée par la peste bubonique, au régime de la patente brute, les navires venant d'un port indemne ne sont soumis à aucune mesure spéciale à la station sanitaire.

Toutefois, les marchandises suspectes ou prohibées, venant d'un port indemne, seront soumises à des justifications de provenance à la satisfaction de l'administration de la douane.

(1) A défaut d'indications dans le manifeste, les destinataires devront faire connaître si les marchandises pour lesquelles un emballage spécial est imposé, se trouvent dans les conditions prescrites.

(2) Le Gouverneur de la province.

Marchandises.

A.—Marchandises dont l'entrée est interdite, même en transit :

1° Cuir vert, salé ou saumuré, peaux fraîches et tous cuirs non tannés, débris frais d'animaux, onglons et sabots.

(Exception est faite pour les cuirs verts salés et en même temps arseniqués, qui sont admis en consommation).

2° Linges de corps, hardes, vêtements (effets à

usage), et objets de literie ayant servi ou n'ayant pas servi.

3° Tapis vieux et neufs, objets de laine vieux et neufs, soieries.

4° Tous les petits objets transportés en détail et susceptibles de communiquer le germe de la peste. (*)

5° Les flacons de liquer et d'odeur transportés en détail. (*)

6° Toute marchandise consistant en drilles et chiffons, non expédiée en ballots comprimés mécaniquement et cerclés.

7° Tous les produits textiles ou autres similaires, de provenance animale ou végétale, tels que la laine, le coton, le jute, les fibres de ces produits, les fibres de coco etc., non expédiés en ballots comprimés mécaniquement et cerclés.

8° Les cheveux humains, les poils et soies bruts, non expédiés en ballots comprimés mécaniquement et cerclés.

Les marchandises reprises sub nis 2, 3, 4, 6, 7 et 8, peuvent entrer librement après avoir été désinfectées par l'étuve à la station sanitaire de Doel.

B.—Marchandises admises en transit mais non en consommation :

1° Cuir vert, salé ou saumuré, peaux fraîches et tous cuirs non tannés, emballés de manière à permettre leur manipulation sans que les ouvriers viennent en contact direct avec la marchandise.

2° Laines brutes transportées en ballots comprimés mécaniquement et cerclés.

3° Toute marchandise consistant en drilles et chiffons transportée en ballots comprimés mécaniquement cerclés.

L'autorité sanitaire pourra toutefois ordonner qu'avant leur déchargement les ballots soient lavés à la surface avec une solution désinfectante.

(*) Ces objets sont habituellement achetés par les hommes de l'équipage ou des passagers dans le pays de production, transportés avec leurs bagages et colportés par eux à l'arrivée du navire dans un port européen.

GENERAL ORDER of the Local Government Board: Altering General Consolidated Order: Out-door Labour Test :—
Farrington Union.

To the Guardians of the Poor of the Farrington Union ;—

To the Overseers of the Poor of the several Parishes and Townships comprised in the said Union ;—

And to all others whom it may concern.

WE, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, hereby Order with respect to the relief of the Poor in the said Farrington Union, as follows :—

ARTICLE 1.—Subject to the provisions of the General Order of the Poor Law Commissioners dated the twenty-first day of December, one thousand eight hundred and forty-four, in force in the Union, every able-bodied male pauper who receives relief within the Union, and is relieved out of the Workhouse, shall be relieved in the following manner ; that is to say,—

Half at least of the relief given to such pauper shall be given in food, clothing, and other articles of necessity.

No such pauper shall receive relief from the Guardians, or any of their officers, or any Overseer, while he is employed for wages or other hire or remuneration by any person ; but every such pauper so relieved shall be set to work by the Guardians.

ARTICLE 2.—The Guardians shall, within fourteen days after the day when this Order comes into force, and from time to time afterwards as the Local Government Board may require, report to the Local Government Board the place or places at which able-bodied male paupers shall be so set to work in the Union, the sort or sorts of work in which they or any of them shall be employed, the times and mode of work, and all such other matters relating to the employment of such able-bodied paupers as the said Guardians shall deem material to be communicated to the Local Government Board, or as the Local Government Board shall require.

ARTICLE 3.—If the Guardians shall depart, in any particular instance, from any of the regulations hereinbefore contained, and shall, within fifteen days after such departure, report the same and the grounds thereof to the Local Government Board, and if the Local Government Board shall approve of such departure, then the relief granted in such particular instance shall, if otherwise lawful, not be deemed to be unlawful, or be subject to be disallowed.

And whereas provision is made in a General Order of the Poor Law Commissioners, bearing date the twenty-fourth day of July, one thousand eight hundred and forty-seven, in force in the said Union, for the appointment of an officer, to be termed a Superintendent of Out-door Labour, and for the continuance in office of such officer, and it is expedient that further provision should be made as hereinafter mentioned ;

We therefore further Order, that if at any time the number of able-bodied male paupers requiring relief shall be so small as to render the services of a Superintendent of Out-door Labour unnecessary, the Guardians may dispense with the services of such an officer.

Particulars of Bank North-Eastward of Serranilla Bank.

WITH reference to Notice to Mariners No. 441 of 1894, on the existence of a bank, with depths of 7 to 10 fathoms on it, in lat. 15° 50' N., long. 79° 25' W., reported by the master of the British schooner "Alice"; and found by Her Majesty's ship "Magicienne," about 15 miles northward of that position:—

An examination of the locality has recently been made by Commander G. E. Richards, Her Majesty's surveying vessel "Rambler," with the undermentioned result:—

This bank, now named Alice bank, is circular in shape, included between lats. 16° 0' N., and 16° 10' N., and longs. 79° 17' W. and 79° 29' W., with depths less than 20 fathoms over its entire extent, deepening suddenly at its edge to upwards of 100 fathoms.

The least depth obtained was 6 fathoms, situated about half a mile within its extreme eastern edge; soundings less than 10 fathoms being found for 1 $\frac{1}{2}$ miles north-northward, nearly 2 miles westward, and 2 miles southward of the 6 fathoms. This shallow and eastern part of the bank is composed of coral, while in other parts, where the depth is generally 15 to 16 fathoms, the bottom is fine white sand. The edge of the bank is distinctly marked by rippings.

Approximate position, 6 fathoms, latitude 16° 5' 20" N., longitude 79° 17' 50" W.

During the two nights the "Rambler" was anchored near the eastern edge of the bank the current set between N.E. and E. by N., at a maximum rate of one knot per hour, the direction of the wind being E.S.E., force 2 to 3.

No. 139.—EASTERN ARCHIPELAGO.
Positions of Certain Islands Northward of New Guinea.

THE undermentioned information, relating to the St. David or Freewill Islands, Stephens Islands, and Five Fathom Bank, is partly from information received from the Netherlands Government, and partly from the records in the Hydrographic Office of the Admiralty:—

1. St. David or Freewill Islands:—From recent observations of the Netherlands Government steam-vessel "Zeemeew," which observations confirm to a great extent those formerly made in the East India Company's vessels early in the present century, the St. David or Freewill Islands are situated between the parallels of $0^{\circ} 45'$ and $0^{\circ} 55'$ north latitude; and the meridians of $134^{\circ} 15\frac{1}{2}'$ and $134^{\circ} 19\frac{1}{2}'$ E. longitude; and not as shown on Admiralty Chart No. 942b.

The islands, three in number, are surrounded by coral reefs; the southern island being named according to Carteret, Pegun; and the two northern, Onello and Onatu. The native name for the group is Mapia.

2. Stephens Islands, marked on Admiralty Chart No. 942b as situated in lat. $0^{\circ} 2'$ S., long. $137^{\circ} 55'$ E., were originally reported by Captain Carteret, His Majesty's ship "Swallow," in 1767, and were sighted by him the day before he saw the Freewill Islands. There is no record of the Stephens Islands having been sighted by anyone since they were originally reported.

As Captain Carteret's position of the Freewill Islands was 3° of longitude eastward of the present accepted position, it seems clear that Stephens Islands cannot at any rate be in the position assigned.

The position of the "Swallow" on the day the Stephens Islands were discovered, calculated back from the present accepted position of the Freewill Islands, was $0^{\circ} 5'$ north latitude, and about $136^{\circ} 5'$ east longitude, and from this position the islands bore S. 2° W. (true) and S. 4° E. (true).

It is therefore not impossible that Carteret may have mistaken the high peaks of the Schouten Islands (1,600 feet high) for two islands.

Stephens Islands are placed, for the present, on the Admiralty Charts, in lat. $0^{\circ} 22'$ S., long. $136^{\circ} 10'$ E., with the letters E. D. against them; the latitude assigned being that originally given them by Captain Carteret.

Five Fathom Bank.—The Five Fathom Bank, shown on Chart No. 942b, as on the equator and in longitude $136^{\circ} 15'$ E., should be in longitude $135^{\circ} 43'$ E.

From it the high peak (1,600 feet) of Supiori bears south.

Gironde River—Alterations in Leading Lights for Passe De Sud.

WITH reference to Notice to Mariners No. 748 of 1896:—

The French Government has given further notice that, on 1st March, 1897, a light would be exhibited from the Old Chay Tower, to form with St. Pierre Light, Royan (fixed red), as a rear light, a front leading light for the Passe de Sud:—

Old Chay Tower Light is a dioptric, fixed red light, visible from about N. 51° E. to N. 65° E., a distance of 15 miles in clear weather; and is in line with St. Pierre Light when bearing N. 58° E.

It is elevated 98 feet above high water, 47 feet above the ground, with an illuminating power of 200 becs Carcel (2,000 candles).

Old Chay Tower is cylindrical in shape, constructed of masonry.

Approximate position, latitude $45^{\circ} 37' 20''$ N., longitude $1^{\circ} 2' 20''$ W.

Also, on the same date, the former front leading light at Chay (fixed red), situated westward of Old Chay Tower, was discontinued; and the sector of St. Pierre de Royan Light now illuminates an arc of 30° from N. 73° E. to N. 43° E.

THE United States Government has given notice that the Master of the schooner "Cactus" reports having passed, on 5th February, 1897, in a position S.E. by E. $\frac{3}{4}$ E., distant about 35 miles, from Charleston Lighthouse, or approximately in lat. $32^{\circ} 25'$ N., long. $79^{\circ} 17'$ W., two masts showing about 15 feet above water, apparently attached to a sunken wreck.

**Cadoxton Common.
Commissioner's Award.**

The Barry Urban District Council Act, 1896.
Cadoxton Common, in the parish of Cadoxton, juxta-Barry, in the county of Glamorgan.

Report to the Barry Urban District Council, pursuant to section 7 of the above-mentioned Act.

WHEREAS by the above-mentioned Act (hereinafter called "the Act of 1896") your Council were authorized to purchase, take, hold, and use certain lands therein referred to, being portions of the several common or open lands

known as Cadoxton Common, in the parish of Cadoxton-juxta-Barry, in the county of Glamorgan, and it was provided that any rights of pasture, rights of common, commonable or other rights whatsoever in, over, or affecting the lands so authorized to be purchased and taken, whether directly or indirectly, and whether in right of the said lands themselves or of any adjoining or other lands of the same or different tenure, should equally with the lands so authorized to be purchased and taken be deemed "lands" within the meaning and for the purposes of the Lands Clauses Acts, which, so far as the same were applicable for the purposes and not inconsistent with the provisions of the Act of 1896, were incorporated therewith; and whereas the lands so authorized to be purchased and taken were thereafter in the Act of 1896 included in the expression "the Common;" and whereas an agreement made the first day of May, one thousand eight hundred and ninety-six, between trustees of the will of Robert Francis Lascelles Jenner, deceased, of the first part, Laura Frances Jenner of the second part, and your Council of the third part, as set forth in the second schedule to the Act of 1896, with reference to the conveyance to your Council of all the estate, right, title, and interest of the parties of the first and second part in the Common, was by the Act of 1896 confirmed and made binding on the parties thereto. And whereas by the said agreement it was amongst other things provided that as soon as the Act of 1896 should have become law (which event happened on the fourteenth day of August, one thousand eight hundred and ninety-six), the said trustees and Laura Frances Jenner, should, in consideration of such agreement, and without any money payment, convey to your Council all their estate, right, title, and interest in the Common, including any rights of pasture or commonable rights in or over the Common, and that the Common should, subject to the concurrence of the incumbancers thereon, be vested in your Council in fee freed and discharged from all such rights as aforesaid of the said trustees and Laura Frances Jenner, and of the said incumbancers, but subject only to the rights of the Commoners affecting the Common, until such rights should be extinguished in manner provided by the Act of 1896, and should thenceforth be held by your Council as and for a public park and recreation ground and for matters in connection therewith as in the Act of 1896 provided and for no other purpose whatsoever; and whereas by section 7 of the Act of 1896 I was appointed Commissioner to perform the several duties in that section mentioned, and by that section it was amongst other things provided as follows:—

(a) That I should hold an inquiry within the urban district of Barry, in the county of Glamorgan, for the purposes thereafter mentioned within six months from the said 14th day of August, 1896, and should give notice of the time and place of such inquiry, by advertisement in some newspaper published or circulating within the said district not less than fourteen days before holding the same.

(b) That at such inquiry persons claiming to be commoners should be entitled to put before me such evidence as they might desire, and that your Council should be entitled to appear and give evidence before me.

(c) That at the said inquiry I should ascertain first who were the persons (if any) entitled to commonable or other rights in, over, or affecting the Common within the meaning of sections 99 to

107 of the Lands Clauses Consolidation Act 1845 in that section called "the Commoners"), secondly the value of the commonable rights, and thirdly the extent and value of each individual commoner's rights to be paid by your Council;

(d) That when and as soon as I should have concluded the said inquiry I should report under my hand to your Council the names of the persons (if any) entitled to commonable or other rights in, over, or affecting the Common, and the nature and extent of such rights in each and every case, and should in such report award the amount of compensation to be paid in respect thereof;

(e) That such report should, as to the contents thereof, be final and conclusive, and should be binding on your Council and upon all other persons.

(f) That the several persons (if any) mentioned in such report, and no others, should be the persons entitled to commonable or other rights in, over, or affecting the Common, and that your Council should pay the amounts awarded to the said persons respectively, and that on payment, or tender of payment of such amount, to such persons respectively, all such commonable or other rights should be, by virtue of the Act of 1896, absolutely extinguished.

(g) That your Council should cause the said Report to be published in the London Gazette and that a copy of the London Gazette containing or purporting to contain such Report should in all Courts and in all proceedings be *prima facie* evidence of the due making of the Report, and of the contents thereof.

(h) That I should allow such costs of successful claimants to common rights as I should think reasonable, and that the same should be paid by your Council.

And whereas I held an inquiry within the said district for the purposes aforesaid on the 17th, 18th, 19th, and 20th days of November, 1896, having given notice of the time and place of such inquiry by advertisement in the Barry Dock News on the 16th and 30th days of October, 1896, and in the Barry Herald on the 30th day of October, 1896, such newspapers being published and circulating within the said district; and whereas at the said inquiry persons claiming to be commoners appeared by their Counsel or Solicitor, or in person, and put before me such evidence as they desired, and your Council appeared by their Counsel and gave evidence before me; and whereas at the said inquiry I ascertained, first, that certain persons were entitled to commonable or other rights in, over, or affecting the Common within the meaning of sections 99 to 107 of the Lands Clauses Consolidation Act, 1845, and who those persons were, secondly, the value of the commonable rights, and thirdly, the extent and value of each individual commoner's rights to be paid by your Council; now I hereby report to your Council that the names which appear in the first column of the schedule in this report are those of the persons who were entitled to commonable or other rights in, over, or affecting the Common, and that the nature and extent of such rights in each and every case were of common, of pasture upon the Common, appurtenant to lands in the said parish of Cadoxton-juxta-Barry owned or occupied by such persons respectively for horses, cattle, sheep, swine, and poultry, levant and couchant upon such lands owned or occupied by such persons respectively, such rights being exercisable by the occupiers for the time being of such lands owned or occupied by such persons respectively (the owners or occupiers of Weston Farm, Old Mill Farm, and Little Coldbrook Farm, all in the same parish, and

forming parts of the real estate of the said Robert Francis Lascelles Jenner, having been immediately before the passing of the Act of 1896 entitled to similar rights); and I hereby award the amount of compensation to be paid in respect of such rights in each and every case as appears in the second column of the schedule in this report

opposite to the respective names appearing in the first column thereof; and I hereby allow the amount of costs of successful claimants to commonable rights in each and every case as appears in the third column of the said schedule in this report opposite to the respective names appearing in the first column thereof.

In awarding compensation in respect of rights appurtenant to lands owned by Major-General Lee, and occupied by Miss Mary John on a weekly tenancy, I have acted upon the suggestion made by General Lee at the inquiry that I should apportion such compensation between him and her as I should think fit, and have apportioned to Miss John a larger share of such compensation than I should, but for such suggestion, have been able to do notwithstanding her long occupation of the premises.

With regard to the claims made at the inquiry by Miss Gertrude Jenner, I regret that I have been unable to find that any commonable or other rights in, over, or affecting the Common were appurtenant to the Rougan Meadow, which is beyond the said parish of Cadoxton-juxta-Barry; and that even assuming her to be an owner of the Wenvoe Castle Estate, and a Lady of the

Manor (if any) of the waste of which the Common formed part, I have been unable to include her name amongst those of persons entitled to any such commonable or other rights in, over, or affecting the Common as I alone have power to deal with.
