_____ Port Sanitary Authority.

I hereby certify that I have examined the ship _____, of _____, now lying in the Port of _____ [or detained at _____], and that I find that such ship is infected with [Cholera, or Yellow Fever, or Plague].

_____ Medical Officer of Health [or Medical Practitioner appointed or employed by the Port Sanitary Authority.]

ARTICLE VII. The Master of any ship certified in accordance with the provisions of subdivision (7) of Article III or of Article V by the

Medical Officer of Health of the Gloucester Port Sanitary Authority to be infected shall carry out the directions of the said Medical Officer of Health (not relating to matters of seamanship) as to the removal of the ship to and its mooring or anchoring at the Bristol Mooring Station, and any other directions which such Medical Officer of Health may deem necessary to be given for the purpose of carrying into effect the provisions of subdivision (7) of Article III and Article V.

ARTICLE VIII. The following provisions shall apply to all ships certified as aforesaid by the Medical Officer of Health of the Bristol Port Sanitary Authority, or by the Medical Officer of Health of the Gloucester Port Sanitary Authority, to be infected:—

(1.) The Master of any ship so certified to be infected shall thereupon moor or anchor such ship at the Bristol Mooring Station, and such ship shall remain there, until the requirements of this Order have been duly fulfilled.

(2.) No person (other than an Officer of Customs or a person acting in the execution of this Order) shall leave any such ship until the examination hereinafter mentioned shall have been made.

(3.) The Medical Officer of Health of the Bristol Port Sanitary Authority shall, as soon as possible after any such ship has been certified to be infected, examine every person on board the same, and in the case of any person suffering from Cholera, Yellow Fever, or Plague, or from any illness which the Medical Officer suspects may prove to be Cholera, Yellow Fever, or Plague, shall certify accordingly.

(4.) Every person certified by the Medical Officer of Health of the Bristol Port Sanitary Authority to be suffering from Cholera, Yellow Fever, or Plague shall be removed, if his condition admit of it, to some hospital or other suitable place appointed for that purpose by the Bristol Port Sanitary Authority; and no person so removed shall leave such hospital or place until the Medical Officer of Health shall have certified that such person is free from the said disease.

If any person so certified to be suffering from Cholera, Yellow Fever, or Plague cannot be removed, the ship shall remain subject, for the purposes of this Order, to the control of the Medical Officer of Health of the Bristol Port Sanitary Authority; and such person shall not be removed from or leave the ship, except with the consent in writing of such Medical Officer of Health.

(5.) Any person certified by the Medical Officer of Health of the Bristol Port Sanitary Authority to be suffering from any illness which such Officer suspects may prove to be Cholera, Yellow Fever, or Plague, may either be detained on board the ship for any period not exceeding two days, or be taken to some hospital or other suitable place appointed for that purpose by the Bristol Port Sanitary Authority, and detained there, for a like period, in order that it may be ascertained whether the illness is or is not Cholera, Yellow Fever, or Plague.

If any such person, while so detained, shall be certified by the Medical Officer of Health to be suffering from Cholera, Yellow Fever, or Plague the provisions of subdivision (4) of this Article shall apply.

(6.) No person on board such a ship as is mentioned in subdivision (3) of this Article

who has not been certified as required by that subdivision shall be permitted to land unless he satisfy the Medical Officer of Health of the Bristol Port Sanitary Authority as to his name, intended place of destination, and intended address at such place.

Such name, intended place of destination, and address shall forthwith be given by such Medical Officer of Health to the Clerk to the Bristol Port Sanitary Authority, and such Clerk shall thereupon transmit the same to the Local Authority of the District in which such intended place of destination is situate.

Every such person who, within forty-eight hours after landing, shall arrive at any place of destination or address other than such place or address as aforesaid, shall forthwith upon such arrival notify in writing his place of destination and address to the Medical Officer of Health of the Bristol Port Sanitary Authority, or to the Local Authority of the District in which such place is situate.

(7.) The Medical Officer of Health of the Bristol Port Sanitary Authority shall, in the case of every ship certified to be infected, give directions, and take such steps as may appear to him to be necessary, for preventing the spread of infection, and the Master of the said ship shall forthwith carry into execution such directions as shall be so given to him.

(8.) In the event of any death from Cholera, Yellow Fever, or Plague taking place on board such ship while detained under subdivision (1) of this Article, the Master shall, as directed by the Bristol Port Sanitary Authority or the Medical Officer of Health of the Bristol Port Sanitary Authority, either cause the dead body to be taken out to sea, and committed to the deep, properly loaded to prevent its rising, or shall deliver it into the charge of the said Authority, who shall thereupon cause the same to be otherwise lawfully and properly disposed of.

(9.) The Master shall cause the clothing and bedding and other articles of personal use likely to retain infection which have been used by any person who may have suffered from Cholera, Yellow Fever, or Plague on board such ship, or who, having left such ship, shall have suffered from Cholera, Yellow Fever, or Plague during the stay of such ship in any Port, to be disinfected or destroyed; and if the Master shall have neglected to do so before the ship arrives in port, he shall forthwith, upon the direction of the Bristol Port Sanitary Authority or the Medical Officer of Health of the Bristol Port Sanitary Authority, cause the same to be disinfected or destroyed, as the case may require; and if the said Master neglect to comply with such direction within a reasonable time, the Bristol Port Sanitary Authority shall cause the same to be carried into execution.

(10.) The Master shall cause the ship to be disinfected, and every article therein, other than those last described, which may probably be infected, to be disinfected or destroyed, according to the directions of the Medical Officer of Health of the Bristol Port Sanitary Authority.

ARTICLE IX. Where a ship bound to the Port of Gloucester is not ascertained or certified to be infected, but has passengers on board who are in a filthy or otherwise unwholesome condition, or has come from a place infected with Cholera, Yellow Fever, or Plague, the Medical Officer of

Health of the Bristol Port Sanitary Authority if the ship be within the Port of Bristol, or the Medical Officer of Health of the Gloucester Port Sanitary Authority if the ship be within the Port of Gloucester, may, if in his opinion it is desirable with a view to checking the introduction or spread of Cholera, Yellow Fever, or Plague, give a certificate in duplicate in the following form, or to the like effect, and shall deliver one to the Master, and retain the other or transmit it to the Bristol Port Sanitary Authority or to the Gloucester Port Sanitary Authority, as the case may be:—

CERTIFICATE.

PORT SANITARY AUTHORITY.

I hereby certify that I have examined the ship _____, from _____,

now in the port of _____, and that such ship has passengers on board in a filthy or otherwise unwholesome condition [or has come from an infected place], and that, in my opinion, it is desirable with a view to checking the introduction or spread of Cholera, Yellow Fever, or Plague, that the persons on board such ship should not be allowed to land unless they satisfy me as to their names, places of destination, and addresses at such places.

Signed _____,

Medical Officer of Health (or Medical Practitioner appointed or employed by the Port Sanitary Authority).

ARTICLE X. When such certificate has been given, no person on board the ship shall leave or be allowed to leave the same unless he satisfy the Medical Officer of Health of the Bristol Port Sanitary Authority or of the Gloucester Port Sanitary Authority, as the case may be, as to his name, intended place of destination, and intended address at such place; and such name, intended place of destination, and address shall forthwith be given by the Medical Officer of Health of the Bristol Port Sanitary Authority, or of the Gloucester Port Sanitary Authority, as the case may be, to the Clerk to the Bristol Port Sanitary Authority, or to the Gloucester Port Sanitary Authority, as the case may be, and such Clerk shall thereupon transmit the same to the Local Authority of the District in which such intended place of destination is situate. Every such person who, within forty-eight hours after landing, shall arrive at any place of destination or address other than such place or address as aforesaid shall, forthwith upon such arrival, notify in writing his place of destination and address to the Medical Officer of Health of the Bristol Port Sanitary Authority, or of the Gloucester Port Sanitary Authority, as the case may be, or to the Local Authority of the District in which such place is situate.

ARTICLE XI. If, as regards ships bound to the Port of Gloucester, the Medical Officer of Health of the Bristol Port Sanitary Authority or the Medical Officer of Health of the Gloucester Port Sanitary Authority, as the case may be, have reason to believe that any such ship coming or being within the jurisdiction of the Bristol Port Sanitary Authority or of the Gloucester Port Sanitary Authority, as the case may be, is infected, or has come from an infected place, he may direct all bilge water and water ballast to be pumped out in some suitable place before such ship enters any dock or basin:

Provided that, in every case where there may be reasonable cause to apprehend that the ship may be endangered by the removal of the water ballast, the Medical Officer of Health of the Bristol Port Sanitary Authority or of the

Gloucester Port Sanitary Authority, as the case may be, may cause any tank or other receptacle containing the water ballast to be sealed, and thenceforward, so long as the ship remains within the jurisdiction of the Bristol Port Sanitary Authority or the Gloucester Port Sanitary Authority, no person shall without the permission of the Medical Officer of Health break or remove such seal, or discharge or remove from such tank or receptacle any part of the water ballast.

On the Bristol Port Sanitary Authority or the Gloucester Port Sanitary Authority providing a proper supply of water for drinking and cooking purposes for persons on board any such ship, the Medical Officer of Health of the Bristol Port Sanitary Authority or the Medical Officer of Health of the Gloucester Port Sanitary Authority may direct all casks or tanks on board the ship containing water for the use of such persons to be emptied and cleansed, and the Master shall cause the said direction to be carried into effect.

ARTICLE XII. As regards ships bound to the Port of Gloucester, the Master of any such ship, or any other person, shall answer truly all such questions put to him by and give all such information to any Officer of Customs or Medical Officer of Health as may be necessary for any purpose of this Order; and no person who is required in pursuance of this Order to give to a Medical Officer of Health or to notify to any Local Authority the name, and intended place of destination and address of such person shall knowingly give or notify a false or fictitious name, place of destination or address, or refuse or neglect to give or notify as aforesaid the true name, intended place of destination and address of such person.

ARTICLE XIII. The Gloucester Port Sanitary Authority may appoint one or more legally qualified medical practitioners to act in the execution of this Order, either in place of or as an assistant or assistants to the Medical Officer of Health, and may pay such practitioner or practitioners reasonable remuneration for his or their services.

ARTICLE XIV. The Bristol Port Sanitary Authority shall, until We by Order otherwise direct, defray such costs as may reasonably be incurred by them as regards ships bound to the Port of Gloucester, in connection with the visitation, examination, and disinfection of such ships, the towage of such ships, the removal to, and the maintenance in the hospital provided by such Port Sanitary Authority of persons affected with Cholera, Yellow Fever, or Plague, and removed thereto from such ships, the disposal as provided by subdivision (8) of Article VIII of the bodies of persons dying from Cholera, Yellow Fever, or Plague, on board such ships and of persons removed therefrom to the said hospital, and such other incidental expenses as may be incurred by them in carrying out the provisions of this Order (including the remuneration of any person employed by them in respect of services rendered under the provisions of this Order as regards such ships), and shall from time to time render to the said Gloucester Port Sanitary Authority particulars respecting any such costs incurred as aforesaid.

ARTICLE XV. The Gloucester Port Sanitary Authority shall repay from time to time to the Bristol Port Sanitary Authority the expenses incurred by them under the provisions of Article XIV, and any such expenses shall be deemed to be a debt due from the Gloucester Port Sanitary Authority to the Bristol Port Sanitary Authority, and may be recovered accordingly.

ARTICLE XVI. The Accounts of the Bristol Port Sanitary Authority relating to such expendi-

ture shall be open at all reasonable times, without payment, to inspection and transcription by any officer of the Gloucester Port Sanitary Authority authorized by them for that purpose.

ARTICLE XVII. If at any time any difference arises between the Bristol Port Sanitary Authority and the Gloucester Port Sanitary Authority respecting any matter arising out of the provisions of this Order, the same shall be referred to and be settled by Us.

ARTICLE XVIII. With regard to ships which have been moored in or at any of the basins, docks, quays, or wharves within the jurisdiction of the Gloucester Port Sanitary Authority the following provisions shall have effect:—

- (1.) If the Medical Officer of Health of the Gloucester Port Sanitary Authority have reason to believe that any such ship is infected, he shall visit and examine such ship for the purpose of ascertaining whether such ship is infected; and the Master of such ship shall permit the same to be so visited and examined.
- (2.) If on making such examination the Medical Officer of Health of the Gloucester Port Sanitary Authority shall be of opinion that the ship is infected, he shall forthwith give a certificate as required by Article VI, and shall give to Us information as to the case; and subdivisions (2) to (10), both inclusive, of Article VIII shall apply to such ship, and to the Master and the persons on board thereof, and to the Gloucester Port Sanitary Authority and the Medical Officer of Health of the Gloucester Port Sanitary Authority, as if in such subdivisions the words "Medical Officer of Health of the Gloucester Port Sanitary Authority" were substituted for the words "Medical Officer of Health of the Bristol Port Sanitary Authority," and the words "Gloucester Port Sanitary Authority" for the words "Bristol Port Sanitary Authority."
- (3.) The Gloucester Port Sanitary Authority shall provide a proper supply of water for drinking and cooking purposes for persons on board any ship so certified, whereupon the Master of such ship shall cause all casks or tanks on board the ship containing water for the use of such persons to be emptied and cleansed.
- (4.) The Medical Officer of Health of the Gloucester Port Sanitary Authority may, in the case of any ship certified as aforesaid, which shall not have passed beyond the tidal basin situate at Sharpness, and which shall not have commenced to discharge its cargo, give directions for its removal and towage to and its mooring or anchoring at the Bristol Mooring Station, and after he shall have given such directions, he shall inform the Bristol Port Sanitary Authority of the case by the speediest method available, and shall remain on board such ship until the same has been moored or anchored at the Bristol Mooring Station, or until the arrival on board of the Medical Officer of Health of the Bristol Port Sanitary Authority. He shall also give to Us information as to the arrival of the ship, and such other particulars as We may require.

The Master of any ship certified as aforesaid shall carry out the directions of the said Medical Officer of Health of the Gloucester Port Sanitary Authority (not relating to matters of seamanship) as to the removal of the ship to and its mooring or anchoring at the Bristol Mooring Station, and any other directions which such Medical Officer of

ARTICLE XX. Nothing in this Order shall render liable to detention, disinfection, or destruction any article forming part of any mail (other than a parcel mail) conveyed under the authority of the Postmaster-General, or of the postal administration of any Foreign Government, or shall prejudicially affect the delivery in due course of any such mail (other than a parcel mail) to the Post Office in accordance with the provisions of the Post Office Acts.

GENERAL ORDER of the Local Government Board: Celebration of the Sixtieth Anniversary of the Accession of Her Majesty the Queen:—

- To the Guardians of the Poor of the several Poor Law Unions in England and Wales;—
- To the Boards of Management of the several School Districts formed under the Poor Law Amendment Act, 1844, and Acts amending the same;—
- To the Boards of Management of the Metropolitan Asylum District, the Central London Sick Asylum District, and the Poplar and Stepney Sick Asylum District respectively;—
- And to all others whom it may concern.

WHEREAS the twentieth day of June next will be the Sixtieth Anniversary of the Accession of Her Most Gracious Majesty Queen Victoria, and it is proposed that, in celebration thereof, the twenty-second day of June next shall be set apart as a public holiday;

And whereas it is expedient that the regulations prescribed by the Poor Law Commissioners, the Poor Law Board, or the Local Government Board, and now in force in Workhouses, Workhouse Schools, Workhouse Infirmaries, District Schools, and District Asylums, should, so far as may be necessary, be altered so as to empower the Guardians of the Poor of the several Poor Law Unions in England and Wales and the Boards of Management of the several District Schools and Asylums, on the said twenty-second day of June next, to relax the discipline or vary the diet in such Workhouses and other Establishments in such reasonable manner as the Guardians and Boards of Management may determine:

Now therefore We, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, hereby Order that the said Guardians and Boards of Management may, on the twenty-second day of June next, make such reasonable modifications in the regulations in force with regard to the discipline and diet of the poor persons in the said Workhouses and other Establishments as to the said Guardians and Boards of Management may seem suitable for the occasion:

Provided that, in any particular case and for some exceptional reason it should be inconvenient that such modifications should be made on the said twenty-second day of June, the Guardians or Board of Management may for this purpose substitute some other day in lieu thereof.

Given under the Seal of Office of the Local Government Board, this twenty-sixth day of April, in the year one thousand eight hundred and ninety-seven.
