

Health of the Bristol Port Sanitary Authority if the ship be within the Port of Bristol, or the Medical Officer of Health of the Gloucester Port Sanitary Authority if the ship be within the Port of Gloucester, may, if in his opinion it is desirable with a view to checking the introduction or spread of Cholera, Yellow Fever, or Plague, give a certificate in duplicate in the following form, or to the like effect, and shall deliver one to the Master, and retain the other or transmit it to the Bristol Port Sanitary Authority or to the Gloucester Port Sanitary Authority, as the case may be:—

CERTIFICATE.

day of _____, 189 .

PORT SANITARY AUTHORITY.

I hereby certify that I have examined the ship _____, from _____,

now in the port of _____, and that such ship has passengers on board in a filthy or otherwise unwholesome condition [or has come from an infected place], and that, in my opinion, it is desirable with a view to checking the introduction or spread of Cholera, Yellow Fever, or Plague, that the persons on board such ship should not be allowed to land unless they satisfy me as to their names, places of destination, and addresses at such places.

Signed _____,

Medical Officer of Health (or Medical Practitioner appointed or employed by the Port Sanitary Authority).

ARTICLE X. When such certificate has been given, no person on board the ship shall leave or be allowed to leave the same unless he satisfy the Medical Officer of Health of the Bristol Port Sanitary Authority or of the Gloucester Port Sanitary Authority, as the case may be, as to his name, intended place of destination, and intended address at such place; and such name, intended place of destination, and address shall forthwith be given by the Medical Officer of Health of the Bristol Port Sanitary Authority, or of the Gloucester Port Sanitary Authority, as the case may be, to the Clerk to the Bristol Port Sanitary Authority, or to the Gloucester Port Sanitary Authority, as the case may be, and such Clerk shall thereupon transmit the same to the Local Authority of the District in which such intended place of destination is situate. Every such person who, within forty-eight hours after landing, shall arrive at any place of destination or address other than such place or address as aforesaid shall, forthwith upon such arrival, notify in writing his place of destination and address to the Medical Officer of Health of the Bristol Port Sanitary Authority, or of the Gloucester Port Sanitary Authority, as the case may be, or to the Local Authority of the District in which such place is situate.

ARTICLE XI. If, as regards ships bound to the Port of Gloucester, the Medical Officer of Health of the Bristol Port Sanitary Authority or the Medical Officer of Health of the Gloucester Port Sanitary Authority, as the case may be, have reason to believe that any such ship coming or being within the jurisdiction of the Bristol Port Sanitary Authority or of the Gloucester Port Sanitary Authority, as the case may be, is infected, or has come from an infected place, he may direct all bilge water and water ballast to be pumped out in some suitable place before such ship enters any dock or basin:

Provided that, in every case where there may be reasonable cause to apprehend that the ship may be endangered by the removal of the water ballast, the Medical Officer of Health of the Bristol Port Sanitary Authority or of the

Gloucester Port Sanitary Authority, as the case may be, may cause any tank or other receptacle containing the water ballast to be sealed, and thenceforward, so long as the ship remains within the jurisdiction of the Bristol Port Sanitary Authority or the Gloucester Port Sanitary Authority, no person shall without the permission of the Medical Officer of Health break or remove such seal, or discharge or remove from such tank or receptacle any part of the water ballast.

On the Bristol Port Sanitary Authority or the Gloucester Port Sanitary Authority providing a proper supply of water for drinking and cooking purposes for persons on board any such ship, the Medical Officer of Health of the Bristol Port Sanitary Authority or the Medical Officer of Health of the Gloucester Port Sanitary Authority may direct all casks or tanks on board the ship containing water for the use of such persons to be emptied and cleansed, and the Master shall cause the said direction to be carried into effect.

ARTICLE XII. As regards ships bound to the Port of Gloucester, the Master of any such ship, or any other person, shall answer truly all such questions put to him by and give all such information to any Officer of Customs or Medical Officer of Health as may be necessary for any purpose of this Order; and no person who is required in pursuance of this Order to give to a Medical Officer of Health or to notify to any Local Authority the name, and intended place of destination and address of such person shall knowingly give or notify a false or fictitious name, place of destination or address, or refuse or neglect to give or notify as aforesaid the true name, intended place of destination and address of such person.

ARTICLE XIII. The Gloucester Port Sanitary Authority may appoint one or more legally qualified medical practitioners to act in the execution of this Order, either in place of or as an assistant or assistants to the Medical Officer of Health, and may pay such practitioner or practitioners reasonable remuneration for his or their services.

ARTICLE XIV. The Bristol Port Sanitary Authority shall, until We by Order otherwise direct, defray such costs as may reasonably be incurred by them as regards ships bound to the Port of Gloucester, in connection with the visitation, examination, and disinfection of such ships, the towage of such ships, the removal to, and the maintenance in the hospital provided by such Port Sanitary Authority of persons affected with Cholera, Yellow Fever, or Plague, and removed thereto from such ships, the disposal as provided by subdivision (8) of Article VIII of the bodies of persons dying from Cholera, Yellow Fever, or Plague, on board such ships and of persons removed therefrom to the said hospital, and such other incidental expenses as may be incurred by them in carrying out the provisions of this Order (including the remuneration of any person employed by them in respect of services rendered under the provisions of this Order as regards such ships), and shall from time to time render to the said Gloucester Port Sanitary Authority particulars respecting any such costs incurred as aforesaid.

ARTICLE XV. The Gloucester Port Sanitary Authority shall repay from time to time to the Bristol Port Sanitary Authority the expenses incurred by them under the provisions of Article XIV, and any such expenses shall be deemed to be a debt due from the Gloucester Port Sanitary Authority to the Bristol Port Sanitary Authority, and may be recovered accordingly.

ARTICLE XVI. The Accounts of the Bristol Port Sanitary Authority relating to such expendi-
