Scottish Office, Whitehall, June 16, 1897.

THE following Addresses and Resolutions of Congratulation to the Queen on the occasion of Her Majesty attaining the Sixtieth Year of Her Reign, having been transmitted to the Right Honourable Lord Balfour of Burleigh, Her Majesty's Secretary for Scotland, have been laid before Her Majesty, who has been pleased to receive the same very graciously:—

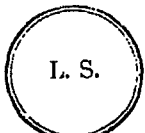

Unto the QUEEN's Most Excellent Majesty.

The Humble Address of the County Council and Commissioners of Supply of the County of Perth.

Most Gracious Sovereign,

WE, the County Council and Commissioners of Supply of the County of Perth, representing all classes in the county, beg leave to approach Your Majesty to offer our tribute of sincere congratulation on the approaching completion of the Sixtieth Year of Your Majesty's illustrious and beneficent Reign. We rejoice not only because Your Majesty's Reign has been so prolonged, but also because it has been commensurate with the real progress and well-being of the people in a degree and to an extent unequalled in history. We therefore earnestly pray that Your Majesty may still be spared many years to fill the Throne of th's great Empire, and remain a gracious influence to many millions of loyal and loving subjects spread over the whole world.

Signed in name and by authority of said County Council and Commissioners of Supply by

H. S. Home Drummond,
Convener of County Council.
Jas. Small, Convener of Commissioners of Supply.

Perth, 4th June, 1897.

Unto Her Most Excellent Majesty the QUEEN.

The Humble Address of the Lord Provost, Magistrates, and Town Council of Dundee.

May it please Your Majesty,

THE Lord Provost, Magistrates, and Council of Dundee, in name and on behalf of the citizens of Dundee, heartily congratulate Your Majesty on having attained a longer Reign than was ever enjoyed by any other British Sovereign, and to assure Your Majesty of the continued loyalty and devotion of the citizens of Dundee to Your Majesty's Person and Government.

The Lord Provost, Magistrates, and Council rejoice that during Your Majesty's Reign the

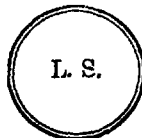

British Empire has been greatly enlarged, the boundaries of civilization widened, the friendly intercourse of nations increased, and the welfare of Your Majesty's subjects of every race and tongue advanced. In Europe, in Asia, in Africa, and America the ardent loyalty of many a dominion and the peace and happiness of countless homes testify to the blessings of Your Majesty's Rule, and to the virtue of a Constitutional Government which unites in a harmonious whole the freedom of the People with the Might of the Throne.

The Lord Provost, Magistrates, and Council pray that the evening of Your Majesty's precious life may be radiant with the love of a grateful people, and illumined by an inward sunshine springing from the consciousness of work well done in the sight of Him whose reward eye hath not seen nor ear heard, neither hath it entered into the heart of man to conceive.

To many a generation yet unborn Your Majesty's name will be transmitted as a fragrant inheritance ever fresh and fair; whilst in our own northern land, the future mothers of our race as following the example of their progenitors, they learn their children to lisp the name of Your Great Ancestor the Bruce, will also teach them to cherish the image of a Queen who by Her words, Her works, the purity of Her Court, and the beauty of Her life recalls to the conscience of the world the grand eulogium of Holy Writ, "And she did that which was right in the sight of the Lord."

That Your Majesty may yet be long spared to rule over a free and loving people is the devout prayer of the Lord Provost, Magistrates, and Council of Dundee and of all its citizens.

Scaled with the Common Seal of the City and Royal Burgh of Dundee and signed in name and on behalf of the Lord Provost, Magistrates, and Council, and by their authority.

H. McGrady,
Lord Provost.
Thos. Thornton,
Town Clerk.

To the QUEEN's Most Excellent Majesty.

May it please Your Majesty,

WE, Your Majesty's dutiful and loyal subjects, the Keeper, Deputy Keeper, Commissioners and other Members of the Society of Writers to Your Majesty's Signet in Scotland, humbly approach
