3. The importation of cattle, except horses, mules and asses, from Egypt, the Province of Naples, Calabria, Sicily, Syria (including Alexandria) and Salonica, is prohibited, and the introduction into these Islands of wool, hides, skins, horns, bones and hoofs from the above places and from countries where epidemic diseases are prevailing is likewise prohibited.

4. Cattle intended for importation into these Islands must be accompanied by a certificate stating the place of their origin and the fact that cattle disease has not prevailed in that place (with as far as can be ascertained the route followed from any inland station to the port of embarkation), during the three months previous to the date of embarkation. (b.) Application must be made for leave to import and permission is to be obtained in writing from Government in each case before shipment, stating the approximate number of the animals intended to be shipped. (c.) The application referred to in the preceding Article shall imply that the applicant has consented to pay the usual fees for entrance into the Lazaretto, and for guards and extraordinary expenses on each head of cattle, besides 2s. 6d. on each head of cattle, per month or part thereof, in cases in which it is found necessary to keep cattle in the Lazaretto for a longer period than 15 days.
