THE Board of Trade have received, through the Secretary of State for the Colonies, the following Quarantine Notice issued by the Governor of Malta, viz.:—

Government Notice.

His Excellency the Governor, having heard the opinion of the Board of Health, has been pleased to modify Government Notice, No. 147, of 30th July, 1897, and to direct that the following regulations be observed, viz.:—

1. Any shipment of cattle, any part of which is found to be suffering or to be suspected of suffering from an infectious or contagious disease at the time of arrival or after a period of inspection, is to be detained in quarantine.

2. Should the existence of cattle plague be verified before landing, the cargo will not be allowed to land.

3. The importation of cattle, except horses, mules, and asses, from Egypt, the Province of Naples, Calabria, Sicily, and Salonica, is prohibited, and the introduction into these Islands of wool, hides, skins, horns, bones, and hoofs from the above places and from countries where epidemic diseases are prevailing is likewise prohibited.

4. Cattle intended for importation into these Islands must be accompanied by a certificate stating the place of their origin and the fact that cattle disease has not prevailed in that place (with as far as can be ascertained the route followed from any inland station to the port of embarkation), during the three months previous to the date of embarkation. Such certificate shall be given by the British Consular Authority at the places of origin and embarkation, or if there be no such British Consular Authority, by the local Government Authority of the places of origin and embarkation.

5. Vessels arriving in this Island, having on board more than 150 head of cattle (bovine), are to go into the quarantine harbour, and the cattle are to be inspected in the cattle enclosures of the lazaretto.

6. The importation of cattle from the Black Sea, Sea of Azov, Syria (including Alexandretta), Roumelia, and Algeria, not otherwise prohibited, and the importation of horses, mules, and asses from the ports mentioned in Article 3, may be permitted subject to the undermentioned conditions; provided that, in the opinion of the Chief Government Medical Officer, such cattle are not affected with disease so that they may be admitted in the lazaretto without detriment to cattle already in the Island.

a. Cattle from the Black Sea, Sea of Azov, Roumelia, and Syria (including Alexandretta), shall only be admitted to the enclosures which may be assigned or approved for that purpose at the lazaretto, and they shall be subjected to isolation and observation for three months, and those from Algeria for 15 days.

b. Application must be made for leave to import, and permission is to be obtained in writing from Government in each case before shipment, stating the approximate number of the animals intended to be shipped. No cattle shall be allowed to be landed unless the consignee has obtained such leave from Government and agreed to abide by any regulations which may be established.

c. The application referred to in the preceding Article shall imply that the applicant has consented to pay the usual fees for entrance into the

lazaretto, and for guards and extraordinary expenses on each head of cattle, besides 2s. 6d. on each head of cattle per month, or part thereof, in cases in which it is found necessary to keep cattle in the lazaretto for a longer period than 15 days.

d. That such cattle, if slaughtered at the lazaretto, will be subject to the regulations which may from time to time be made by the Port Authorities.

e. The owners of cattle in the lazaretto shall be subjected to such regulations as to slaughtering of cattle, disposal of offal, blood, &c., as may from time to time be made by the Port Authorities.

NOTICE is hereby given, that the Mayor, Aldermen, and Burgesses of the County Borough of Huddersfield, in the West Riding of the County of York (hereinafter called "the Corporation"), intend to apply to the Board of Trade for a Provisional Order, to be confirmed by Parliament in the ensuing Session, for the following, or some of the following, among other purposes (that is to say):—

1. To enable the Corporation to make, lay down, form, and maintain wholly in the said County Borough, all or some of the Tramways hereinafter described, with all necessary and proper rails, plates, sleepers, channels (including in that word where used in this Notice, channels, passages, and tubes for ropes, cables, wires, and electric lines), junctions, turntables, turnouts, crossings, and passing places, stables, carriage, engine, boiler, and dynamo houses, waiting rooms, sheds, buildings, motor cars, carriages, horses, harness, tramway plant, engines, dynamos, works, machinery, and conveniences connected therewith respectively, and where in the description of any of the proposed Tramways, any distance is given with reference to any street which intersects or joins the streets in which the Tramway is to be laid, the distance is to be taken as measured from the point at which lines drawn along the centres of the two streets and continued would intersect each other, and a point described as being opposite a street is to be taken (unless otherwise stated) as opposite the centre of the street.

The following are the tramways:—

Tramway No. 1 (1 mile 2 furlongs 2·39 chains in length, whereof 1 mile 1 furlong 6·39 chains is single line, and 6 chains is double line), partly in the township of Longwood, and partly in the township of Lindley-cum-Quarmby, in the parish of Huddersfield, commencing in the said township of Longwood, in New Hey-road, about 28 yards south-west of the south-west corner of the Globe Inn, passing thence along or over the said New Hey-road, and there terminating in the said township of Lindley-cum-Quarmby by a junction with the existing Corporation Tramway about 42 yards north-west of Raw Nook-road.

Tramway No. 1 will be laid as a single line, except in the following cases, that is to say, between two points respectively 20 yards and 86 yards north-east of its said commencement, and between two points respectively 129 yards and 63 yards north-west of Raw Nook-road, where it will be laid as a double line.

Tramway No. 2 (5 furlongs 4·63 chains in length, whereof 3 chains is double line, and 5 furlongs 1·63 chains is single line), partly in the said township of Longwood, and partly in the said township of Lindley-cum-Quarmby, commencing in Vicarage-road in the said township of Longwood at a point about 23 yards south-east of the junction of that road with Thornhill-road, passing thence along or over Vicarage-road, Longwood-road, and Quarmby-road, and terminating in Quarmby-road, in the said township of Lindley-cum-Quarmby, by a junction with the existing Corporation Tramway at the junction of Lowergate and Quarmby-road.

Tramway No. 2 will not be laid until Vicarage-road and Longwood-road respectively have been widened under the powers in that behalf contained in Section 15 of the Huddersfield Corporation Act, 1897, and when laid, it

will be laid as a single line, except between two points respectively 15 yards and 81 yards south-east of its said commencement, where it will be laid as a double line.

It is proposed to lay Tramway No. 2 so that for a distance of 30 feet or upwards a less space than 10 feet 6 inches will intervene between the outside of the footpath on either side of the road and the nearest rail of the Tramway at the points hereinafter mentioned, namely:—

On the north-east side of Vicarage-road between two points respectively 20 yards and 75 yards south-east of its commencement; in Quarmby-road, on the north side thereof, from a point 125 yards west of its termination, and thence proceeding in an easterly direction for a distance of 51 yards; and from a point 36 yards west of its termination to the said termination.

Tramway No. 3 (5 furlongs 3·11 chains in length, whereof 3 chains is double line and 5 furlongs 1·11 chains is single line), wholly in the township of Lockwood, in the parish of Almondbury, commencing at the boundary of the County Borough of Huddersfield, in Marsden-road, passing thence along or over that road and terminating in Thornton-road by a junction with the existing Corporation Tramway about 7 yards west of the Lancashire and Yorkshire Railway Viaduct.

Tramway No. 3 will be laid as a single line except in the following case, that is to say, between two points respectively 20 yards and 86 yards east of its said commencement where it will be laid as a double line.

The several Tramways will consist of rails of the gauge of 4 feet 8½ inches, and it is intended to run thereon carriages or trucks adapted for use on railways.

The motive power to be used on the intended Tramways is animal, steam, compressed air, gas, or oil, and haulage by means of wire or rope cables placed underground and worked by stationary engines, and electric energy applied by means of accumulators and motors in the engines or carriages, or trucks, or generated at stations and communicated by means of electric lines, either in or under the ground or overhead, and it is intended to apply for power to use the said motive power on all or some of the existing and authorised Tramways of the Corporation.

To empower the Corporation to make from time to time such crossings, passing places, sidings, loops, junctions, and other works in addition to those specified herein, as may be necessary or convenient to the efficient working of the said Tramways, or any of them, or for affording access to the stables, carriage, engine, boiler, and dynamo houses, stations, buildings, sheds, sanitary depôts, and works of the Corporation.

6. To authorise the Corporation and their lessees, or other the person or persons working the said Tramways, to levy tolls, rates, and charges for the use of the said Tramways by carriages passing along the same, and for the conveyance of passengers, goods, minerals, animals, merchandise, and other traffic upon the same, and to confer exemptions from tolls, rates, and charges.

7. To authorise the Corporation, and any corporation, person, company, or body, from time to time to enter into and fulfil contracts and agreements for and in relation to the working, lease, sale, and purchase of the whole or any part of the said Tramways in consideration of such gross sum or sums; rent or rents, and generally upon such terms and conditions as may be agreed on between the contracting or agreeing parties, or as the Order may define, or as Parliament may prescribe.
