THE following General Order, dated 15th October, 1897, together with a Despatch from Major-General A. G. Yeatman-Biggs, C.B., regarding the action at the Ublan Pass on the 27th August, 1897, has been received from the Government of India:—

GENERAL ORDERS.

MILITARY DEPARTMENT.

Simla, the 15th October, 1897.

No. 1141.—THE Right Honourable the Viceroy and Governor-General in Council directs the publication of the subjoined letter from the Adjutant-General in India, submitting under the orders of the Commander-in-Chief a despatch from Major-General A. G. Yeatman-Biggs, C.B., commanding Kohat and Kurram Valley, of the action at the Ublan Pass on 27th August, 1897.

2. The Governor-General in Council entirely concurs with His Excellency the Commander-in-Chief in his approbation of the conduct of the troops during the operation.

No. 845-F., Disturbances, dated Simla, the 20th September, 1897, from Major-General G. de C. Morton, C.B., Adjutant-General in India, to the Secretary to the Government of India, Military Department.

I HAVE the honour, by direction of the Commander-in-Chief, to forward herewith a report* from Major-General A. G. Yeatman-

* Forwarded with letter No. 362-K., dated 1st September, 1897, from the Lieutenant-General Commanding the Forces, Punjab.

Biggs, commanding Kohat and Kurram Valley, giving details of the action of the Ublan Pass on the 27th August, 1897, and to request that Government may be pleased to treat the same as a despatch.

2. In submitting this report, His Excellency wishes to express his approbation of the manner in which Major-General Yeatman-Biggs conducted the operations, and of the gallant behaviour and endurance of the troops under his command.

No. 362-K., Field Operations—Kohat, dated Murree, the 1st September, 1897, from Lieutenant-General Sir G. B. Wolseley, K.C.B., Commanding the Forces, Punjab, to the Adjutant-General in India.

I HAVE the honour to forward, for the information of His Excellency the Commander-in-Chief in India, the accompanying report by Major-General Yeatman-Biggs, C.B., on the operations at the Ublan Pass on the 27th August, 1897.

2. These operations seem to have been skillfully conducted, and reflect credit on the General Officer Commanding and the troops under his orders.

3. The gallant behaviour of Subadar Akbar Khan, 2nd Punjab Infantry, is specially noticeable, and I recommend that he be admitted to the 3rd class of the Order of Merit.

4. With reference to Private No. 4196, Philip Crain, 1st Battalion, Royal Scots Fusiliers, reported missing, the recovery of his body has since been reported in telegram No. 96-A, Daily, of 30th August, 1897, from General Officer Commanding Kohat, to Deputy Adjutant-General, Punjab Command, which was repeated to you.

No. Operations—Ublan Pass, dated Kohat, the 28th August, 1897, from Major-General A. G. Yeatman-Biggs, C.B., Commanding Kohat and Kurram Valley, to the Deputy Adjutant-General, Punjab Command.

I HAVE the honour to submit the following report of yesterday's operations at the Ublan Pass, a brief report of which was wired to you.

2. At 7 P.M. on the 26th August, I received warning that the Firoz Khels, Utman Khels, and Bizotis intended to attack in the Kohat direction.

3. At 8 P.M. I reinforced the Muhammadzai Fort with one company, 2nd Punjab Infantry, under Captain L. E. Cooper.

4. The enemy attacked about 9 o'clock, capturing the Police Post and killing one man, Border Police, and wounding one Jemadar and two others.

5. On receiving this information, I determined to follow up and, if possible, to punish the raiders, I therefore ordered No. 9 Field Battery, Royal Artillery, 2 Companies Royal Scots Fusiliers, 2nd Punjab Infantry and one squadron, 3rd Punjab Cavalry, to march off at 4 o'clock on the morning of the 27th instant, so as to be at the entrance to the pass at dawn.

6. Soon after daylight I followed up the enemy and found they were occupying the Kotal of the Ublan Pass about three miles from the Muhammadzai Post.

7. I brought up the battery at about 7 A.M. It came into action at 2,100 yards and opened a slow and careful fire with shrapnel, searching the Kotal from end to end, and especially shelling the main Sangar.

8. When the enemy appeared to be driven off the Kotal, the 2nd Punjab Infantry were sent forward to attack at about 7:30 A.M.

9. Two companies of the 2nd Punjab Infantry moved along the heights on the right of the valley. The hills on the left were inaccessible to our troops.

10. Two companies Royal Scots Fusiliers followed in support of the 2nd Punjab Infantry.

11. The advance was comparatively unopposed from the front, as the Artillery had cleared the Kotal, and from the right, as the flanking party drove the enemy off the hill. From the left flank, however, there was a certain amount of fire from sharpshooters, well posted among inaccessible crags.

12. Volleys were fired at them, and occasional shrapnel, without much effect. The fire of these sharpshooters was exceedingly accurate, and to it may be attributed nearly the whole of the casualties. The enemy retreated north across the Bara River. I did not think it wise to follow them further, as the men were very much exhausted by the very severe climb and the heat of the sun.

13. I gave the order to retire at 10.30 A.M. This was well and carefully carried out, the Royal Scots Fusiliers covering the first portion of the retirement.

14. The advanced companies of the 2nd Punjab Infantry in the main attack were led by Captain L. E. Cooper and Lieutenant Elsmie, the flanking companies being commanded by Captain Eales and the regiment itself by Colonel Sturt, who brings to my special notice the gallant and efficient leading of Captain Cooper and Lieutenant Elsmie. Colonel Sturt led his regiment to the attack in a very effective manner.

15. The fire of the battery under Major Wedderburn was kept up on the crest line of the Kotal, and on the Sangar over the heads of the advancing Infantry as long as possible without danger to them. The fire was very accurate, and the result good.

16. I attach Army Form B 103, and regret that amongst the small list of casualties so large a proportion of officers should have been included. I especially wish to bring to notice the admirable manner in which Surgeon-Captains W. G. Beyts, Army Medical Service, and H. Bamfield, Indian Medical Service, attended to the wounded under fire during both the advance and retirement.

17. The path down being too precipitous for any dhoolie, Surgeon-Captain Beyts carried Lieutenant North of the Scots Fusiliers for a considerable distance down the hill on his back. Subadar Akbar Khan of the 2nd Punjab Infantry was severely wounded in the arm on the way up, yet notwithstanding this, he continued to lead his company to the crest of the Kotal, and remained with them until the end of the retirement. Such fine soldier-like conduct is, in my opinion, deserving of some special recognition.

War Office, December 18, 1897.

THE Queen has been graciously pleased to give orders for the following appointment to the Most Honourable Order of the Bath:

To be an Additional Member of the Civil Division of the Third Class, or Companions, of the said Most Honourable Order, viz. :—
Surgeon-Lieutenant-Colonel and Commandant Arthur Trehern Norton, Volunteer Medical Staff Corps, the London Companies.

War Office, December 18, 1897.

THE Queen has been graciously pleased, under Clause 3 of Her Majesty's Warrant, dated 11th December, 1897, to confer the Decoration of the Royal Red Cross upon—

Her Majesty the Queen of Greece.

Her Royal Highness Princess Sophie, Crown Princess of Greece, Duchess of Sparta.

Admiralty, December 17, 1897.

HER Majesty the Queen has been graciously pleased to confer the Decoration of the Albert Medal of the First Class on—

EDWARD LYNCH, Stoker of Her Majesty's ship "Thrasher."

The following is the account of the services in respect of which the Decoration has been conferred :—

At 3 A.M., on the 29th September, 1897, the torpedo destroyer "Thrasher," with the "Lynx" and "Sunfish" in company, left St. Ives on passage to Falmouth.

In the thick and foggy weather which was subsequently met, the "Thrasher," followed by the "Lynx," grounded at Dodman's Point, causing serious injury to the boilers, and the bursting of the main feed pipe.

A falling tide caused the "Thrasher" to heel quickly over to about 60°. The ship's company was therefore landed on the rocks, a few men being kept on board, with boats ready to land them.

There were six Petty Officers and men in the stokehold. Of these the Chief Stoker happened to be coming on deck by the starboard hatchway at the moment of striking, and escaped.

This hatchway became distorted by the doubling up of the deck, preventing further egress.

Stokers EDWARD LYNCH and James H. Paul were compelled to escape by the port hatchway close to a break in the steam pipe.

The hatchway through which they passed was partially closed up, and Paul was unable to follow LYNCH, who then kneeling or lying on the deck, reached down into the escaping steam and drew James Paul, who was on the ladder, up on to the upper deck.

LYNCH was shortly after observed to be badly scalded about the head, arms, and upper portion of the body in this rescue, the skin hanging off his hands and arms. Oil and wool were applied to alleviate the pain, but LYNCH called attention to Paul, whom he wished attended to first, saying that he himself was not much hurt, but Paul was very bad.

Neither man had said anything or called any attention to his injuries until this time, although quite five minutes had elapsed since the accident.

The surgeon who attended LYNCH and Paul reports that the former, though very badly scalded and in great pain, would not allow his assistant or himself, for a considerable time, to do anything for him, saying, "I am all right; look after my cum."

The manly conduct of LYNCH induced the surgeon to make inquiries concerning the rescue of Paul from the stokehold, and he found that

LYNCH with difficulty released himself from the hatchway (much narrowed by the accident), lay down and leaning into scalding steam, caught Paul and dragged him up through the hatch, and in this way received his own wounds, which are such as to show that, in rescuing his comrade, he must have plunged the forepart of his own body into what was practically a boiling cauldron.

It transpired also that LYNCH in a most heroic manner had previously sacrificed his own opportunity of quitting the stokehold, in order to aid his comrade Paul in escaping.

Paul subsequently succumbed to his injuries, and LYNCH, for a long time, was not expected to recover.
