THE French Government has given notice that, on 10th July, 1898, the following alterations will be made in the south-west channel, entrance to Havre:—

1. The light (fixed green) on the Grand Quai will be moved N. 75° E., 175 yards from its present position to a new place on the quay of the island, and there exhibited from a metal mast at the same elevation and character as before. This light, in line with the red flashing light on the south pier, leads through the south-west channel.

Also, that a gas buoy, painted black and exhibiting a red fixed light, visible about 3 miles, will be moored to the northward of the entrance of the south-west channel, and that the buoy (black, conical, with ball) now moored to the south-eastward of La Grand Placard will be withdrawn on the same date.
