A Local Authority, on being satisfied by an inquiry under the preceding Article of the existence of sheep-scab, shall forthwith take such steps as may be practicable to secure the isolation of any sheep affected with, or suspected of, sheep-scab or which have been in the same flock or in the same field, yard, shed, or other like place, with sheep affected with, or suspected of, sheep-scab, and for that purpose an Inspector of a Local Authority may serve a Notice in writing (in the Form A set forth in the First Schedule to this Order or to the like effect) on the owner or person in charge of any sheep requiring that such sheep be detained on or in any farm, field, yard, shed, or other place specified in the Notice, and after the service of such Notice it shall not be lawful for any person, while such Notice is in force,—

(e.) to remove from or out of such place any carcass of a sheep, or any skin, fleece, or wool, separate from the carcass of a sheep, or any dung, fodder, litter, or other thing that has been in contact with sheep to which the Notice applies, without the written permission of an Inspector of the Local Authority.

(2.) An Inspector of the Local Authority, if satisfied that the movement of any sheep to which a Notice applies to some other place of detention is expedient for purposes of isolation or feeding or other necessary purpose, may serve a further similar Notice on the owner or person in charge of the sheep requiring that the sheep be detained on or in such other place, and thereupon such sheep may be moved, subject to the directions of the Inspector, by the nearest available route and without unnecessary delay, to such place of detention, and, when so moved, shall be there detained and isolated in accordance with such further Notice.

(3.) A Notice under this Article shall remain in force until it is withdrawn by a further Notice in writing (in the Form B set forth in the First Schedule to this Order or to the like effect) signed by an Inspector of the Local Authority.

(4.) Before a Notice is so withdrawn the Local Authority shall satisfy themselves, with the assistance and advice of a Veterinary Inspector, or of a veterinary practitioner qualified as above mentioned, that all the sheep remaining in the place of detention specified in such Notice are free from sheep-scab.

(5.) An Inspector shall with all practicable speed send copies of any Notice served by him under this Article to the Local Authority, and to the police officer in charge of the nearest police station of the District, and also to the Board.

*Treatment of Sheep detained under preceding Article.*

5.—(1.) Where a Notice under the preceding Article has been served, the owner or person in charge of the sheep to which the Notice applies shall from time to time, if so required in writing by an Inspector of the Local Authority, cause all such sheep to be treated in the presence, and to the satisfaction, of an Inspector of the Local Authority with some dressing or dipping or other remedy for sheep-scab.

Provided that sheep which have been so treated under and in accordance with this Article shall not be again required to be treated until after the expiration of 14 days.

(b.) The floor of the place and all other parts thereof with which such sheep has come in contact shall be thoroughly washed, or scrubbed, or scoured with water: then

(c.) The same parts of the place shall be washed over with lime-wash or some other disinfectant approved by an Inspector of the Local Authority.

(d.) In the case of a field, yard, or other place which is not capable of being so cleansed and disinfected, it shall be sufficient if such field, yard, or place be, where practicable, cleansed and disinfected to the satisfaction of an Inspector of the Local Authority.

(e.) Every utensil, pen, hurdle, or other thing used for or about such sheep, shall, so soon as practicable after being so used and before being used for other sheep, be cleansed and disinfected to the satisfaction of an Inspector of the Local Authority, by being thoroughly washed, or scrubbed, or scoured with water, and, where practicable, washed over with lime-wash prepared from freshly burnt lime or some other disinfectant approved by the Inspector.

(2.) If the owner or occupier of any such place fail to cleanse and disinfect in accordance with this Article, it shall be lawful for the Local Authority, without prejudice to the recovery of any penalty for such default, to cause such place and things to be cleansed and disinfected, and to recover summarily the expenses of such cleansing and disinfection from such owner or occupier.

(3.) Where the power of causing any place or thing to be cleansed and disinfected under this Article is exercised by a Local Authority, the owner and occupier and person in charge of the place or thing shall give all reasonable facilities for that purpose, and any person failing to give such facilities shall be deemed guilty of an offence against the Act of 1894.
