Board of Trade.—Session 1899.

Bermondsey Electric Lighting.
(Provisional Order.)

(Power for the Vestry of the Parish of Bermondsey to Produce, Store, and Supply Electricity within the said Parish; to Acquire and Appropriate Lands, and to Construct Works; to Break Up or Interfere with Streets, Railways, and Tramways, and to Lay Down or Erect Mains, Pipes, and Wires; to demand and receive Rates and Charges; Power to Enter into Houses and Buildings; Contracts and Transfer of Undertaking; Borrowing of Money, and other Powers.)

NOTICE is hereby given, that the Vestry of the parish of Bermondsey, in the administrative county of London (hereinafter called "the Undertakers"), and whose address is the Town Hall, Spa-road, Bermondsey, S.E., intend to apply to the Board of Trade, on or before the 21st day of December next, for a Provisional Order (hereinafter called "the Order") under the Electric Lighting Acts, 1882 and 1890, for all or some of the following amongst other purposes (that is to say):—

1. To authorize the Undertakers to produce, store, supply, distribute, and let on lease, or sell electricity for all or any of the public and private purposes, as defined by the said Acts, within the parish of Bermondsey (hereinafter called "the area of supply").

2. To enable the Undertakers to acquire, take on lease, and hold lands or interests, or easements in or over lands, or to appropriate for the purposes of the Order any lands belonging to and

held by them, and to erect, maintain, work and use upon such lands all necessary or proper engines, dynamos, batteries, machinery, apparatus, works and appliances for generating, producing, storing, supplying, measuring, regulating and distributing electricity or for other the purposes of the Undertaking.

3. To authorize the Undertakers to open, break up, and interfere with all streets, roads, and public places, ways, footpaths, railways, railway bridges, tramways, culverts, sewers, and gas and water mains and pipes, and telegraph, telephonic and electric apparatus, within the area of supply, and to lay down, erect, maintain, renew, and remove; either above or under ground, or otherwise, mains, pipes, tubes, wires, posts, distributing boxes, apparatus, or other works or things required for the purpose of enabling the Undertakers to supply, produce, store, convey, transmit, or distribute electricity within the area of supply, and to confer upon the Undertakers all such other powers as may be necessary for effecting the objects of the proposed Undertaking.

4. To authorize the Undertakers to open, break up, stop up, or interfere with the following streets, roads, highways, footways, thoroughfares, and places not repairable by the Undertakers (that is to say), Brunswick-court, Joiner's-court, Tulip-place, Llewellyn-grove, Dix's-place, Lynton-mews, Tristan-cottages, Tidal-place (south end), Hamilton-square, Anchor-place, Cusack-place, Hargrave-place, Station-road, Valentine-place, Walker's-court, and Caroline-court.

5. To authorize the Undertakers to manufacture, purchase, hire, sell, and let all necessary lamps, accumulators, meters, fittings, plant, engines, dynamos, machinery, and other matters or things required for the purpose of the Order, and to acquire, work, and use patent rights for the producing, storing, controlling, distributing, and measuring, or otherwise relating to the supply of electricity.

6. To authorize the Undertakers to make, collect, and recover rates, rents, and charges for the supply of electricity, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

7. To prescribe or limit the area within which electricity shall at first be supplied, and to provide for the ultimate extension over the whole of the area, and for the revocation of the Order by the Board of Trade on failure to supply as specified in the Order.

8. To exempt the Undertakers from the obligation to supply electricity within such part or parts of the area of supply or under such circumstances as shall be specified in the Order.

9. To authorize the Undertakers to break up, pass or cross over or under the railways of the South Eastern Railway Company and the London Brighton and South Coast Railway Company, the tramways of the London Deptford and Greenwich Tramway Company, so far as such railways and tramways lie within the parish of Bermondsey, and to empower the Undertakers (after obtaining the previous written consent of the Board of Trade in that behalf), to break up any street or part of a street within the area of supply which is private or is not repairable by the Local Authority.

10. To make provisions for the inspection and testing of mains, conductors and works, for the appointment and remuneration of electric inspectors, and for the supply, use, inspection, testing and certifying of meters, fittings and instruments.

11. To authorize the Undertakers to enter upon any houses, buildings, or lands supplied,
