

for the purpose of enabling the Corporation to supply, produce, store, convey, transmit, or distribute electricity within the area of supply, and to confer all such other powers upon the Corporation as may be necessary for effecting the objects of the proposed Undertaking.

4. To authorize the Corporation to manufacture, purchase, hire, sell, and let meters, lamps accumulators, dynamos, fittings, plant, machinery, and other matters or things required for the purposes of the Order, and to acquire, work, and use patent rights for the producing, storing, controlling, distributing, measuring, and using, or otherwise relating to the supply of electricity.

5. To authorize the Corporation to take, collect, and recover rates, rents, and charges, for the supply of electricity, and the use of any machines, lamps, meters, fittings, or apparatus connected therewith.

6. To make provision for the inspection and testing of mains, conductors, and works, for the appointment and remuneration of electric inspectors, and for the supply, use, inspection, testing, and certifying of meters, fittings and instruments.

7. To authorize the Corporation to enter upon any houses, buildings, or lands supplied, or proposed to be supplied, with electricity for any purposes relating to such supply.

8. To authorize the Corporation to enter into contracts with companies or persons for the execution and maintenance of works and the supply of electricity, and to relieve the Corporation from the consequences of any acts or defaults of any such contractors, and to empower the Corporation to transfer to companies or persons all or some of their powers, duties, liabilities, and works, for such period and upon such terms and conditions as may be agreed upon.

9. To confer upon the Corporation all or some of the powers of the Electric Lighting Acts, 1882 and 1888, and enactments incorporated therewith, and to alter, vary, or extinguish all rights and privileges which would or might interfere with any of the objects of the Order, and to confer all other rights and privileges necessary for carrying such objects into effect.

10. To empower the Corporation to borrow money for all or any of the purposes of the Order, and to charge the moneys so borrowed and interest upon the district fund and general district rate of the borough, and to empower the Corporation to apply any of their corporate funds to any of the purposes of the Order, and to provide for the disposal or application of the revenue arising from the Undertaking.

11. To incorporate with the Order section 265 of the Public Health Act, 1875 (relating to the protection of local authorities and their officers from personal liability), and to extend that section to matters arising under the Order.

The Corporation proposes to take power by the Order to open and break up the bridge carrying the road from Ilkeston to Trowell and Nottingham over the Erewash Canal, for the purpose of laying down electric lines.

The names of the streets in which it is proposed that electric lines shall be laid down within a specified time are as follows: Bath-street, the Market-place, and Market-street.

And notice is hereby given, that the draft of the Order will be deposited at the office of the Board of Trade, on or before the 21st day of December next, and printed copies of the draft Order, when deposited and of the Order when made, may be obtained (at the price of one shilling for each copy) at the offices of the undermentioned Town Clerk and Parliamentary Agents.

And notice is hereby further given, that a map showing the boundaries of the proposed area of supply, and the streets in which it is proposed that electric lines shall be laid down within a specified time, and a copy of this advertisement as published in the London Gazette, will be deposited, on or before the 30th day of November, for public inspection, at the offices of the Clerk of the Peace for the county of Derby, at Derby in the said county, and at the Town Clerk's office, in the borough of Ilkeston.

And notice is hereby lastly given, that every local or other public authority, company, or person, desirous of bringing before the Board of Trade any objection respecting the application, must do so by letter, addressed to the Board of Trade, marked on the outside of the cover enclosing it "Electric Lighting Acts," on or before the 15th day of January, 1899, and a copy of such objection must also be forwarded to the undermentioned Town Clerk or Parliamentary Agents.

Dated the 1st day of November, 1898.

WRIGHT LISSETT, Town Clerk, Ilkeston.
SHARPE, PARKER, PRITCHARDS, and
BARHAM, 9, Bridge-street, Westminster,
Parliamentary Agents.

Board of Trade.—Session 1899.

Walton-on-Thames and Weybridge Electric Supply.

(The Production, Storage, and Supply of Electricity by the Electric Works Company, Limited, within the Urban Districts of Walton-on-Thames and Weybridge; the Construction of Works; the Breaking-up and Interference with Streets; the Laying-down and Erection of Electric Lines, Pipes, Wires, and Apparatus; the Taking and Recovery of Rates and Charges; the Entry into Houses and Lands; the Carrying on of the Undertaking by the Local Authorities; and other matters.)

NOTICE is hereby given, that the Electric Works Company, Limited (who are hereinafter called "the Company," and whose registered address is 11, Charing Cross-road, London), intend to apply to the Board of Trade, on or before the 21st day of December next, for a Provisional Order (hereinafter called "the Order"), under the Electric Lighting Acts, 1882 and 1888, for all or some of the following amongst other purposes (that is to say):—

1. To authorise the Company to produce, store, supply, sell, and distribute electricity for public and private purposes as defined by the said Acts within the Urban Districts of Walton-on-Thames and Weybridge (hereinafter called "the area of supply").

2. To enable the Company to erect, maintain, work, and use all necessary or proper engines, dynamos, batteries, machinery, apparatus, works, buildings, and appliances for generating, producing, storing, supplying, and distributing electricity, or for other the purposes of the undertaking, and to open, break up, and interfere with all streets, roads, public places, ways, footpaths, railways, navigable rivers, towing paths, bridges, culverts, sewers, drains, and gas and water mains and pipes, and telegraph and telephone and other wires within the area of supply, and to lay down, erect, maintain, renew, and remove either above or underground, or otherwise, electric lines, conductors, mains, pipes, tubes, wires, posts, and street or distributing boxes, meters, apparatus, and other works or things required for the purpose of enabling the Company to supply, produce, store, convey, transmit or distribute electricity within the area of supply, and to confer all such other powers
