

cancel or provide for the cancellation of an agreement dated the 9th day of November, 1881, between Robert Lambe, of the first part, Henry Card, of the second part, and George Edward Hillman, on behalf of the Newhaven and Seaford Water Company, Limited, of the third part.

5. To confer upon the Board all or some of the powers contained in the Newhaven and Seaford Water Act, 1898, and any other Acts or Orders relating to the Company's undertaking, and to exempt the Board from the enactments limiting the profits of the undertaking, and to empower the Board to exercise all or some of such powers throughout the limits of supply hereinbefore referred to.

6. To empower the Board to maintain and continue, or if they think fit to discontinue any of the existing or authorised works of the Company, and to construct and maintain the following works, or some of them (that is to say):—

Work No. 1.—A well and pumping station in the parish of Kingston-near-Lewes, to be situate in or near the north-east corner of the field No. 70 on the 25-inch Ordnance map of the said parish, on the western side of and adjoining the public road leading from Lewes through Rodmell to Newhaven, and on the southern side of and adjoining the road leading from the said public road to Kingston, near Lewes, and known as Wellgreen-lane;

Work No. 2.—An adit, heading, or line of pipes commencing at Work No. 1, and terminating in and under the said public road from Lewes to Newhaven at a point 11 chains or thereabouts in a north-easterly direction from the junction with that road of Wellgreen-lane aforesaid;

Work No. 3.—An adit, heading, or line of pipes commencing at Work No. 1, and terminating in and under the said public road from Lewes to Newhaven at a point 11 chains or thereabouts in a south-westerly direction from the junction therewith of Wellgreen-lane aforesaid;

Work No. 4.—A covered service reservoir or tank to be situate on Southease-hill, in the north-east part of the field No. 91 on the 25-inch Ordnance map of the parish of Southease, and adjoining and on the south-east side of the road leading from Southease to Telscombe;

Work No. 5.—A conduit or line of pipes, commencing at Work No. 1 and passing along the public road between Lewes and Newhaven, through the parishes of Kingston near Lewes, Iford, Rodmell, Southease, and Piddinghoe, and terminating in Newhaven by a junction with the conduit or line of pipes (No. 1) authorised by the Newhaven and Seaford Water Act, 1898, at its termination, at a point in and under the said public road from Lewes to Newhaven, at or near the junction therewith of Elphick-road;

Work No. 6.—A conduit or line of pipes commencing in and under the said public road from Lewes to Newhaven by a junction with Work No. 5 at a point 8 chains or thereabouts, measured in a north-westerly direction from the north-west corner of Southease Parish Church and terminating in Work No. 4.

Together with all proper embankments, bridges, roads, ways, wells, tanks, basins, gauges, filters, and filter beds, dams, sluices, hatch boxes, chambers, byewashes, waste weirs, outfalls, discharge pipes, shafts, adits,

drifts, tunnels, aqueducts, culverts, cuts, catchwaters, channels, conduits, mains, pipes, stand pipes, junctions, valves, drains, telegraphs, telephones, engines, pumps, apparatus, roadways, approaches, buildings, houses, chimney shafts, ventilating shafts, works, and conveniences connected with the hereinbefore-described works, or any of them, or incidental thereto, or necessary for conducting, controlling, inspecting, cleansing, repairing, or managing the same, and together with full power and right at all times of approach and access to the works aforesaid, or any of them.

All which said intended works hereinbefore described will be situate in the parishes and urban district following, or some of them (that is to say):—Kingston-near-Lewes, Iford, Rodmell, Southease, Piddinghoe, and Newhaven, all in the county of Sussex.

7. To authorise deviations from the lines and levels of the proposed works to such an extent as may be defined or authorised by the intended Act, and to incorporate the provisions of the Railways Clauses Consolidation Act, 1845, with reference to roads and to the temporary occupation of lands.

8. To empower the Board to purchase or acquire compulsorily or otherwise and to take on lease and to hold lands, waters and water rights and easements in, under, and over lands in the parishes and places hereinbefore-mentioned for the purposes of the intended works, and to empower the Board to purchase or acquire so much of any property as they may require or a right or easement in or over any property without being subject to the liability imposed by Section 92 of the Lands Clauses Consolidation Act, 1845.

9. To empower the Board to collect, take, and divert and to appropriate and use for the purposes of the intended Act, and for the general purposes of their undertaking any springs or waters in, upon, or under any lands which they may acquire under the powers of the intended Act, or which they can intercept or abstract by means of the works to be authorised by the said Act.

10. To authorise the Board to purchase additional lands by agreement and to acquire easements in, through, under, and over public and private lands, roads, streets, footways, and highways, and to vest in the Board the benefit of all contracts for the purchase of lands or of easements or interests in lands entered into by or on behalf of the Company, and to empower the Board to cross, stop-up, alter, and divert temporarily or permanently, and to lay down, maintain, and renew mains, pipes, apparatus and works in, through, over, or under streets, roads, footways, highways, thoroughfares, railways, tramways, bridges, canals, rivers, streams, watercourses, sewers, drains, pipes, and telegraphic and telephonic apparatus within the limits for the supply of water as prescribed by the intended Act, and to break up and interfere with the same.

11. To make provision for the protection of the waters and waterworks proposed to be taken and authorised, and to empower the Board to acquire and hold lands for the protection of the said waters and waterworks.

12. To make provision for preventing the waste, fouling, misuse, and undue consumption of water, and to empower the Board to make and enforce by penalties or otherwise bye-laws or regulations for giving effect to such provisions.

13. To authorise the Board to make, levy, and recover rates, rents, and charges for the supply of water and for the hire and use of meters and fittings, and for other purposes of the intended
