Dated this 16th day of November, 1898.

EDWARD MOORE, Liverpool-street Station,
E.C., Solicitor for the Bill.

REES and FRERE, 5, Victoria-street,
Westminster, Parliamentary Agents.

In Parliament.—Session 1899.

Redditch Gas.

(Dissolution and Re-incorporation of the Redditch Town and District Gas Company, Limited; Powers to supply Gas; Definition, Declaration, and Extension of Limits of Supply beyond the Limits contained in the Redditch Gas Order, 1873; Powers to maintain and continue existing and construction of new Gasworks and Works connected therewith; Manufacture, &c., of Gas, Residual Products, &c., Meters and Fittings; Rates, Rents, and Charges; compulsory purchase of Lands; Capital; Repeal and Amendment of Acts, Orders, &c.; Incorporation and Amendment of Acts and Orders, and other purposes.

NOTICE is hereby given that application is intended to be made to Parliament in the next ensuing Session, by the Redditch Town and District Gas Company, Limited, (hereinafter called "the Limited Company"), for an Act for all or some of the following purposes (that is to say):—

1. To dissolve the Limited Company and to cancel and annul the Memorandum and

Articles of Association, resolutions, and other instruments under which the Limited Company is now acting, and to provide for the winding up and re-incorporation of the Limited Company as a new company (hereinafter called "the Company"), under the name or style of "the Redditch Gas Company," including the proprietors of the Limited Company, or some of them, with or without other persons or corporations.

2. To confer on the Company all necessary powers and authorities for the manufacture, production, storage, and supply of gas for all domestic, trading, public, and other purposes within the district defined in the Redditch Gas Order, 1873, and therein described as the parishes of Redditch, Webheath, and Feckenham, in the county of Worcester, and Ipsley and Coughton, in the county of Warwick, and to include therein the whole of the parish of Alvechurch, in the county of Worcester, which district as proposed to be extended is hereinafter called "the limits of supply."

3. To vest in the Company all the undertaking, works, lands, buildings, property, stock, plant, mains, pipes, works, meters, holders, apparatus, effects, interests, rights, easements, powers, privileges, leases, licences, chattels, choses in action, contracts, moneys, securities, credits, and liabilities of what kind or nature soever, now vested in or belonging to, or held or enjoyed by the Limited Company, or held in trust for or provided by them, and to empower the Company to hold, sell, lease, exchange, or otherwise dispose of such lands and other property.

4. To enable the Company to purchase and take, or acquire, by compulsion or agreement, certain lands and buildings now occupied or held on lease by the Limited Company as the site of their works and undertaking, being two pieces of land adjoining each other, containing in the whole 9,782 square yards or thereabouts, situate at Redditch, in the county of Worcester, and bounded by the Evesham and Redditch Branch of the Midland Railway Company on the east, by an occupation road leading from the Birmingham and Redditch-road to the allotment gardens, and on the west and south by lands belonging, or reputed to belong, to Lord Windsor.

5. To authorise and empower the Company, as well upon the lands on which the works of the Limited Company are constructed as on the lands hereinbefore described, to erect, lay down, provide, maintain, alter, improve, extend, and renew or discontinue gasworks, retorts, gasometers, receivers, drains, sewers, mains, pipes, meters, lamps, lamp-posts, burners, stop-cocks, machinery, and other works and apparatus and conveniences, and to do all such acts as they shall think proper for making and storing gas, and for supplying gas of any kind or description, and for any purpose within the limits of supply.

6. To enable the Company to hold all the lands now occupied by the Limited Company, and forming the site of their gasworks and the offices adjacent thereto, and thereon to make and maintain gasworks, retorts, gasometers, receivers, purifiers, drains, pipes, meters, and other works and apparatus for the manufacture, storage, and supply of gas and residual products, and to make, store, and supply gas, and to manufacture, store, and deal in coke, tar, ammonia, and other residual products arising in the manufacture of gas, and to sell and supply gas within the limits of supply.
