

agreements with respect to the matters aforesaid, and to confirm or give effect to any such agreement which may have been, or may be made, prior to the passing of the intended Act.

15. To authorise the Corporation to make and maintain the new streets or roads and street improvements and other works hereinafter mentioned, or some of them, together with all necessary approaches, communications, subsidiary and other works and conveniences connected therewith, all in the parish and borough of Darwen (that is to say):—

- (1) A street or road commencing by a junction with Bolton-road, at a point on the west side thereof opposite Watery-lane, and terminating at the junction of Park-road with Whitehall-road;
- (2) A street or road commencing by a junction with Sough-road at a point opposite to Grimshaw-street, and terminating at a point in Pole-lane opposite to the occupation road to the Taylor-green Fireclay Works;
- (3) A street or road commencing at the junction of Gordon-street with Exchange-street, and terminating at the junction of Quaker-lane with Chapels Brow;
- (4) A street or road commencing at the southern end of Carr-street, and terminating at the eastern end of Cross-street, and in connection therewith a bridge over the River Darwen, and a diversion of so much of the public footpath leading from Cross-street to Grimshaw-street as lies between Cross-street and the eastern side of the Darwen Mill Goit;
- (5) A street or road commencing by a junction with Eccleshill-road opposite Pole-lane, and terminating at Harwood's-lane opposite Old Sett End-cottage;
- (6) The widening and improvement of Goose-house-lane on both sides, between the southern end of the southern approach to the Goose-house railway bridge and Lower Chapels;
- (7) The widening and improvement of Eccleshill-lane on the west side between the southern boundary of the sewage works and the northern end of the northern approach to Goosehouse railway bridge;
- (8) The widening and improvement of Causeway-street on the southern side, from a point opposite Sough-road to its junction with Gibson-street, and of Gibson-street on both sides for its whole length, and a street or road in continuation in an easterly direction of Gibson-street, between the present termination of that street and Cranberry-lane;
- (9) A street or road commencing at the south end of Tockholes-road at its junction with James-street West, and extending in a south-easterly direction to and terminating in High-street;
- (10) A street or road commencing at the south end of Fowler-street, at its junction with James-street West, and extending in a south-easterly direction to, and terminating in High-street, and to empower the Corporation to stop up and appropriate so much of James-street West as lies between Tockholes-road and Isherwood-street;
- (11) The arching over or otherwise covering in and paving and culverting of so much of the River Darwen as passes through or adjoins the Victoria Bank Estate of the Corporation;
- (12) A bridge between the gasworks of the Corporation and the store yard about to be constructed on the said Victoria Bank Estate,

and in connection therewith an alteration of the levels of the footpath leading from Peabody-street to Robin Bank-road;

- (13) A street or road, commencing at the south-east side of Entwistle-street, at its junction with Nancy-street, and terminating in Sudell-road opposite Hannah-street, and the widening of Sudell-road on the north side for a distance of 30 yards or thereabouts from the east side of Hannah-street.

16. To empower the Corporation to make and maintain in the parish and borough of Darwen a main conduit or line of pipes commencing by a junction with the existing main supply line of pipes of the Corporation, at a point in the occupation road, leading from Owlett Hall to Sunnyhurst, about 75 yards west of Owlett Hall, and terminating by a junction with the existing water main of the Corporation in Blackburn road at its junction with Earnsdale-street. Together with all sluices, pipes, junctions, valves, apparatus and conveniences necessary or convenient in connection with the before mentioned works, or necessary or convenient for inspecting, maintaining, repairing, cleansing, managing, working, and using the same.

17. To confer upon the Corporation further powers for protecting their waters and waterworks against pollution, contamination, fouling, discolouration, nuisances, encroachment, or injury and for the purposes aforesaid, and for the general purposes of their waterworks undertaking to acquire by compulsion or agreement, and to hold certain lands, houses, and buildings, in the parish of Tockholes, and the parish and borough of Darwen, situate to the east of the road from Blackburn to Hollingshead to the north-west of Darwen Moor Common, and to the west of Higher and Lower Sunnyhurst, and being for the most part within and forming the drainage areas or watersheds, the brooks, streams, springs, and waters in or upon which are or can be intercepted by or impounded in the several reservoirs of the Corporation known as the Earnsdale and Sunnyhurst Hey Reservoirs, and the works connected therewith.

And to empower the Corporation for all or any of the purposes aforesaid, to arch, culvert, pipe, or otherwise cover in or protect all brooks, streams, springs, and feeders of water which can or may be taken, intercepted, abstracted or impounded by means of the waterworks of the Corporation, and to construct and lay down buildings, drains, sewers, watercourses, and other works and conveniences, and, in particular, such drains, sewers, and other works as may be necessary or convenient for preventing contaminating matter from the sewage works belonging to or constructed by the Blackburn rural district council, and used for the drainage of part of the parish of Tockholes from polluting or affecting the water supply of the Corporation, and to provide for the payment by the said rural district council of all or part of the cost of executing such last-mentioned works, or some of them.

18. To authorise the Corporation and the said rural district council and any other authority and the owners, lessees, and occupiers of any lands within the drainage areas aforesaid, or any of them, to enter into and carry into effect agreements with respect to all or any of the matters aforesaid and the drainage of such lands, and to confirm or give effect to any such agreement which may have been or may be made prior to the passing of the intended Act.

19. To authorise the Corporation, within the parishes and borough aforesaid, and for all or
