

have or may acquire easements, and especially the waters of the Rivers Derwent, Ashop, and Noe, and the Burbage Brook, and all the tributary streams, springs, and waters of the said rivers and brook at and above the points at which they are intercepted by the several works hereinbefore described, which said rivers, brooks, springs, streams, and waters now directly or indirectly flow or proceed into the Cromford Canal, the Derwent Navigation, the Derby Canal, the Trent and Mersey Canal, the Trent Navigation, the Erewash Canal, the Soar Navigation, the Loughborough Navigation, the Beeston Cut, the Nottingham Canal, the Grantham Canal, the Newark Navigation, the Foss Dyke Navigation, the River Trent, the Chesterfield Canal, the Idle Navigation, the Stainforth and Keadbey Canal, the Trent and Axholm Navigation, the Ancholme Navigation, and the River Humber, or some or one of them.

To empower the Corporation for the purposes of the proposed works and other the purposes of the intended Act, to purchase or acquire, by compulsion or agreement, or to take on lease and hold any lands, houses, or buildings in the parishes and places aforesaid, and to acquire, by compulsion or agreement, rights or easements in, under, over, or connected with any lands, houses, or buildings in the parishes and places aforesaid, and to empower the Corporation to appropriate to all or any of the purposes of the intended Act any lands for the time being vested in them.

To authorise the Corporation to hold any lands which they may acquire under the authority of the intended Act free from the provisions of the Lands Clauses Consolidation Act, 1845, with respect to superfluous lands, and to sell, lease, and dispose of any lands acquired by them, and to empower the Corporation to acquire, by compulsion or agreement, any mines or minerals under any lands proposed to be taken, notwithstanding the provisions of the Waterworks Clauses Act, 1847, with respect to mines.

To authorise the Corporation, within the parishes and places aforesaid, and elsewhere, so far as necessary for the purposes of the intended Act, to lay down, maintain, alter, and renew mains, pipes, culverts, and other waterworks in, through, along, under, across, and over public highways, streets (whether dedicated to the public use or not), roads, rivers, streams, canals, paths, railways and tramways, and to break up, cross, alter, divert, stop up (either temporarily or permanently), raise, lower, and interfere with any roads, streets, highways, footpaths, bridges, canals, towing-paths, railways, tramways, sewers, drains, rivers, streams, brooks, watercourses, culverts, pipes, and telegraph and telephone posts, wires, and pipes, and to appropriate the soil and surface of any highways, roads, or footpaths stopped up or disused.

To empower the Corporation to deviate from the lines and levels of the aforesaid works to such extent as may be defined upon the plans and sections to be deposited as hereinafter mentioned, or as may be specified in the intended Act.

To authorise the Corporation temporarily to discharge water from any of the works aforesaid, into any available river, stream, or watercourse, including any river, stream, or watercourse with which any of the intended conduits, lines of pipes, by-washes, or overflows may communicate, or into any river, stream, or

watercourse crossed by any of the works aforesaid, and to make provisions for compensating all riparian owners and other persons for any damage which may be caused by the exercise of such power.

To make provision with reference to the quantity or amount of compensation (in water or otherwise) to be given by the Corporation in respect of the proposed taking, impounding, or diverting of water, and with reference to the time and manner of the delivery of any compensation water.

To discontinue as public highways and to vest in the Corporation the site and soil of the roads intended to be diverted as aforesaid, and of all other roads and footpaths shown upon the plans hereinafter mentioned as intended to be diverted or stopped up under the powers of the intended Act, and to extinguish all rights of way and other rights in or over any lands which shall be taken under the powers of the intended Act, and to provide for the maintenance and repair of the new or substituted portions of roads and footpaths by and at the expense of the road authorities or other persons respectively who are for the time being legally liable for the repair and maintenance of the respective portions of roads and footpaths so diverted or otherwise as may be provided by the intended Act.

To provide for the closing of the Roman Catholic Cemetery in the aforesaid parish of Bamford, and to empower the Corporation to remove the bodies interred therein, and in any other burial ground taken or interfered with under the powers of the intended Act, and to make provision for the reburial of the bodies so removed.

To constitute the waterworks and other works and things proposed to be authorised by the intended Act part of the water undertaking of the Corporation, and to extend and apply all or some of the enactments now in force in relation to the existing waterworks of the Corporation, with such modifications as may be indicated in the intended Act, to the waterworks and other works and things so proposed to be authorised.

To authorise the Corporation by agreement to purchase and hold lands within the drainage area of the waterworks belonging to them for the purposes of protecting from pollution, contamination, fouling, or discoloration, the waters which they are empowered to take, and for other the purposes of their water undertaking.

To empower the Corporation on the one hand, and any county council, local authority, company, or person on the other hand, to enter into and to carry into effect agreements with reference to the drainage of any lands from or over which any water authorised to be taken by the Corporation flows, and for more effectually collecting, conveying, and preserving the purity of such water, and to authorise the Corporation to purchase lands and construct works and to apply their moneys for those purposes.

To confer upon the Corporation the powers of the Public Health Acts and of the Waterworks Clauses Act, 1847, in regard to the construction and maintenance of waterworks and the laying of mains and pipes both within and without their limits of supply.

To confer special powers upon the County Council of Derbyshire (hereinafter called "the County Council") in reference to the supply of water within the county of Derby, empowering them (inter alia) to create water districts consisting of one or more urban or rural districts, and to constitute joint committees or boards for
