

the purpose of providing an adequate supply of water within the area comprised in such proposed districts out of the waters to be impounded or appropriated under the intended Act, and the intended Act will contain provisions regulating the procedure to be adopted in and about the creation of such water districts and joint committees or boards, and defining the terms and conditions upon which the water supply to such proposed districts or committees or boards is to be afforded, or the intended Act will provide for such supply being afforded on such terms and conditions as Parliament may prescribe, and the intended Act will or may define the duties, obligations, authorities, rights, privileges, and business of such joint committees or boards and prescribe the machinery by which the affairs of such joint committees or boards are to be administered, and it will or may authorise and empower the County Council to defray out of any funds belonging to them or under their control or which they have or may have power to raise any expense incurred by them in reference to or consequent upon or incident to the water agreement hereinafter referred to or any other arrangement between the said parties, or in reference to the securing for the benefit of the county of Derby or any part or parts thereof the water supply aforesaid. The intended Act will or may authorise and empower the County Council to promote any Bill or Bills which they may deem necessary or expedient to promote for the purpose of giving effect to the water agreement or otherwise in relation to the water supply within the county of Derby, and it will or may authorise and empower them to defray the cost of promoting such Bill or Bills out of any moneys, rates, or funds belonging to them or under their control or which they have power to raise or levy, or to raise money for the purpose, subject to such limitations or conditions as to incidence or otherwise as may be provided in the intended Act or Parliament may prescribe. To make special provision as to defraying the cost of executing the powers and duties of any joint committee or committees or boards to be constituted as aforesaid, either by empowering such committee or committees or boards to levy a rate or rates, or by empowering the several constituent urban or rural district councils or other local authorities to apply their funds or to raise money or levy rates in such manner as may be prescribed in or defined by the intended Act, or as Parliament may think fit, and so far as necessary or expedient for giving due effect to the provisions of the intended Act to amend the Local Government Act, 1888.

To confirm any agreement which may have been already entered into or which may, prior to the passing of the intended Act, be entered into between the Corporation and the County Council with reference to the supply of water to urban and rural district councils within the county of Derby (which agreement is in this Notice called the "water agreement"), and to authorise and empower the Corporation on the one hand and the County Council on the other hand to enter into and from time to time alter and renew agreements or arrangements with reference to the supply of water to any such local authorities as aforesaid within the county of Derby, and in respect of the necessary works required therefor and as to the mode of defraying the expense of establishing

such supply, the cost of the works incident thereto and the maintenance thereof, and generally in reference to the provision and carrying out of a scheme whereby a permanent supply of water may be secured to the county of Derby out of the waters proposed to be taken and appropriated by the Corporation under the intended Act, and the intended Act will or may contain provisions requiring the Corporation to afford such supply either pursuant to the terms and conditions of the water agreement or upon such terms and conditions as may be prescribed or provided for in the intended Act, which said Act will or may also authorise the making, entering into, and carrying into execution of any agreements between the County Council on the one hand and any urban or rural district council or other local authority on the other hand in reference to any of the purposes of the intended Act, and especially in reference to the supply referred to in this paragraph of this Notice.

To authorise and empower the Corporation to execute any of the foregoing or other necessary works in conjunction with any county council, corporation, local authority, or body already constituted, or which may be hereafter constituted (hereinafter in this paragraph referred to as the "water authority"), and to authorise and empower any such water authority to execute such works or any of them jointly with the Corporation, and to empower the Corporation on the one hand and any such water authority on the other hand to enter into, vary, and rescind from time to time and to carry into effect agreements with reference to the sole or joint carrying out and maintenance of any such works or any other works necessary to give full effect to a joint scheme for the purpose of dealing with the waters hereinbefore referred to or any of them, and also with regard to the laying of mains and pipes and other means of distribution together with other works, and generally for such purposes as will facilitate a supply of water out of the waters aforesaid to any water authority, and to authorise such water authority to raise money by borrowing on such security as may be prescribed in or defined by the intended Act, and to apply any funds, rates, and revenues belonging to or under their control, and to take, hold, and invest in Derby Corporation Stock or any other Corporation Stock, or to borrow moneys in such way and on such security as the intended Act may define or Parliament may prescribe.

To make further provision in regard to the supply of water by the Corporation, and particularly with respect to the following matters:—The pressure at which the supply shall be afforded; the payment of water rates by owners in certain cases; the supply of water by measure; the supply of water in bulk or otherwise to corporations, local authorities, companies, and persons within and beyond the limits of the Corporation on receiving such notice from such corporations, local authorities, companies, and persons as may be prescribed by the intended Act; exempting the Corporation from supplying water in certain cases; the unlawful user of water; notice of discontinuance; the entry of the Corporation and their officers into houses and premises for inspecting or for cutting off the supply; and the furnishing and fixing by the Corporation of pipes, fittings, and apparatus.

To make such provisions (if any) as the intended Act may prescribe, or as Parliament
